

When that dominant woman who you've just
met

wants to take you home to be her pet

she shouldn't have to tell to you

what your submissive`ass should DO!

This is a
story about
a dominant
woman ,

like
ME,

who took a
submissive
guy,

like
YOU,

home with
HER one
day!

Here's
how THAT
went

"For HER"

Well?
Don't just
STAND there,

you're a
submissive
male,

and you DO know
what a submissive
male is SUPPOSED
to do, DON'T you?

Did I hear
you say
"YES Mistress"?

Good,

then I'd suggest
that you crawl
over here and
DO it,

NOW!

Be careful with
my panties slave,
they're very expensive
and I don't want them
getting ripped!

Good Boy,

now DO what
you're
supposed
to do!

Oh my GOD
slave,

You DO know
what you're
supposed
to do!

And you
do it WELL!

VERY
well!

The End

And we
both know
how it
went for
YOU,

don't
we?

"YES
MISTRESS!"

Any
COMPLAINTS,
slave?

"NO
MISTRESS!"

GOOD !
