

As I began to put his useless little
cock in a cock cage,
my submissive little RUNT

had the AUDACITY to call me

a cruel fucking
CUNT?

So I informed him
that the TRUE
definition of a
cruel fucking
cunt's

a Woman who does
THIS to him EVERY
day while he stays
locked up

"For Six Months!"

And she does this
as MANY times as
she feels like it,
EVERY fucking DAY!

Now stand
still while I
FINISH getting you
PROPERLY dressed!

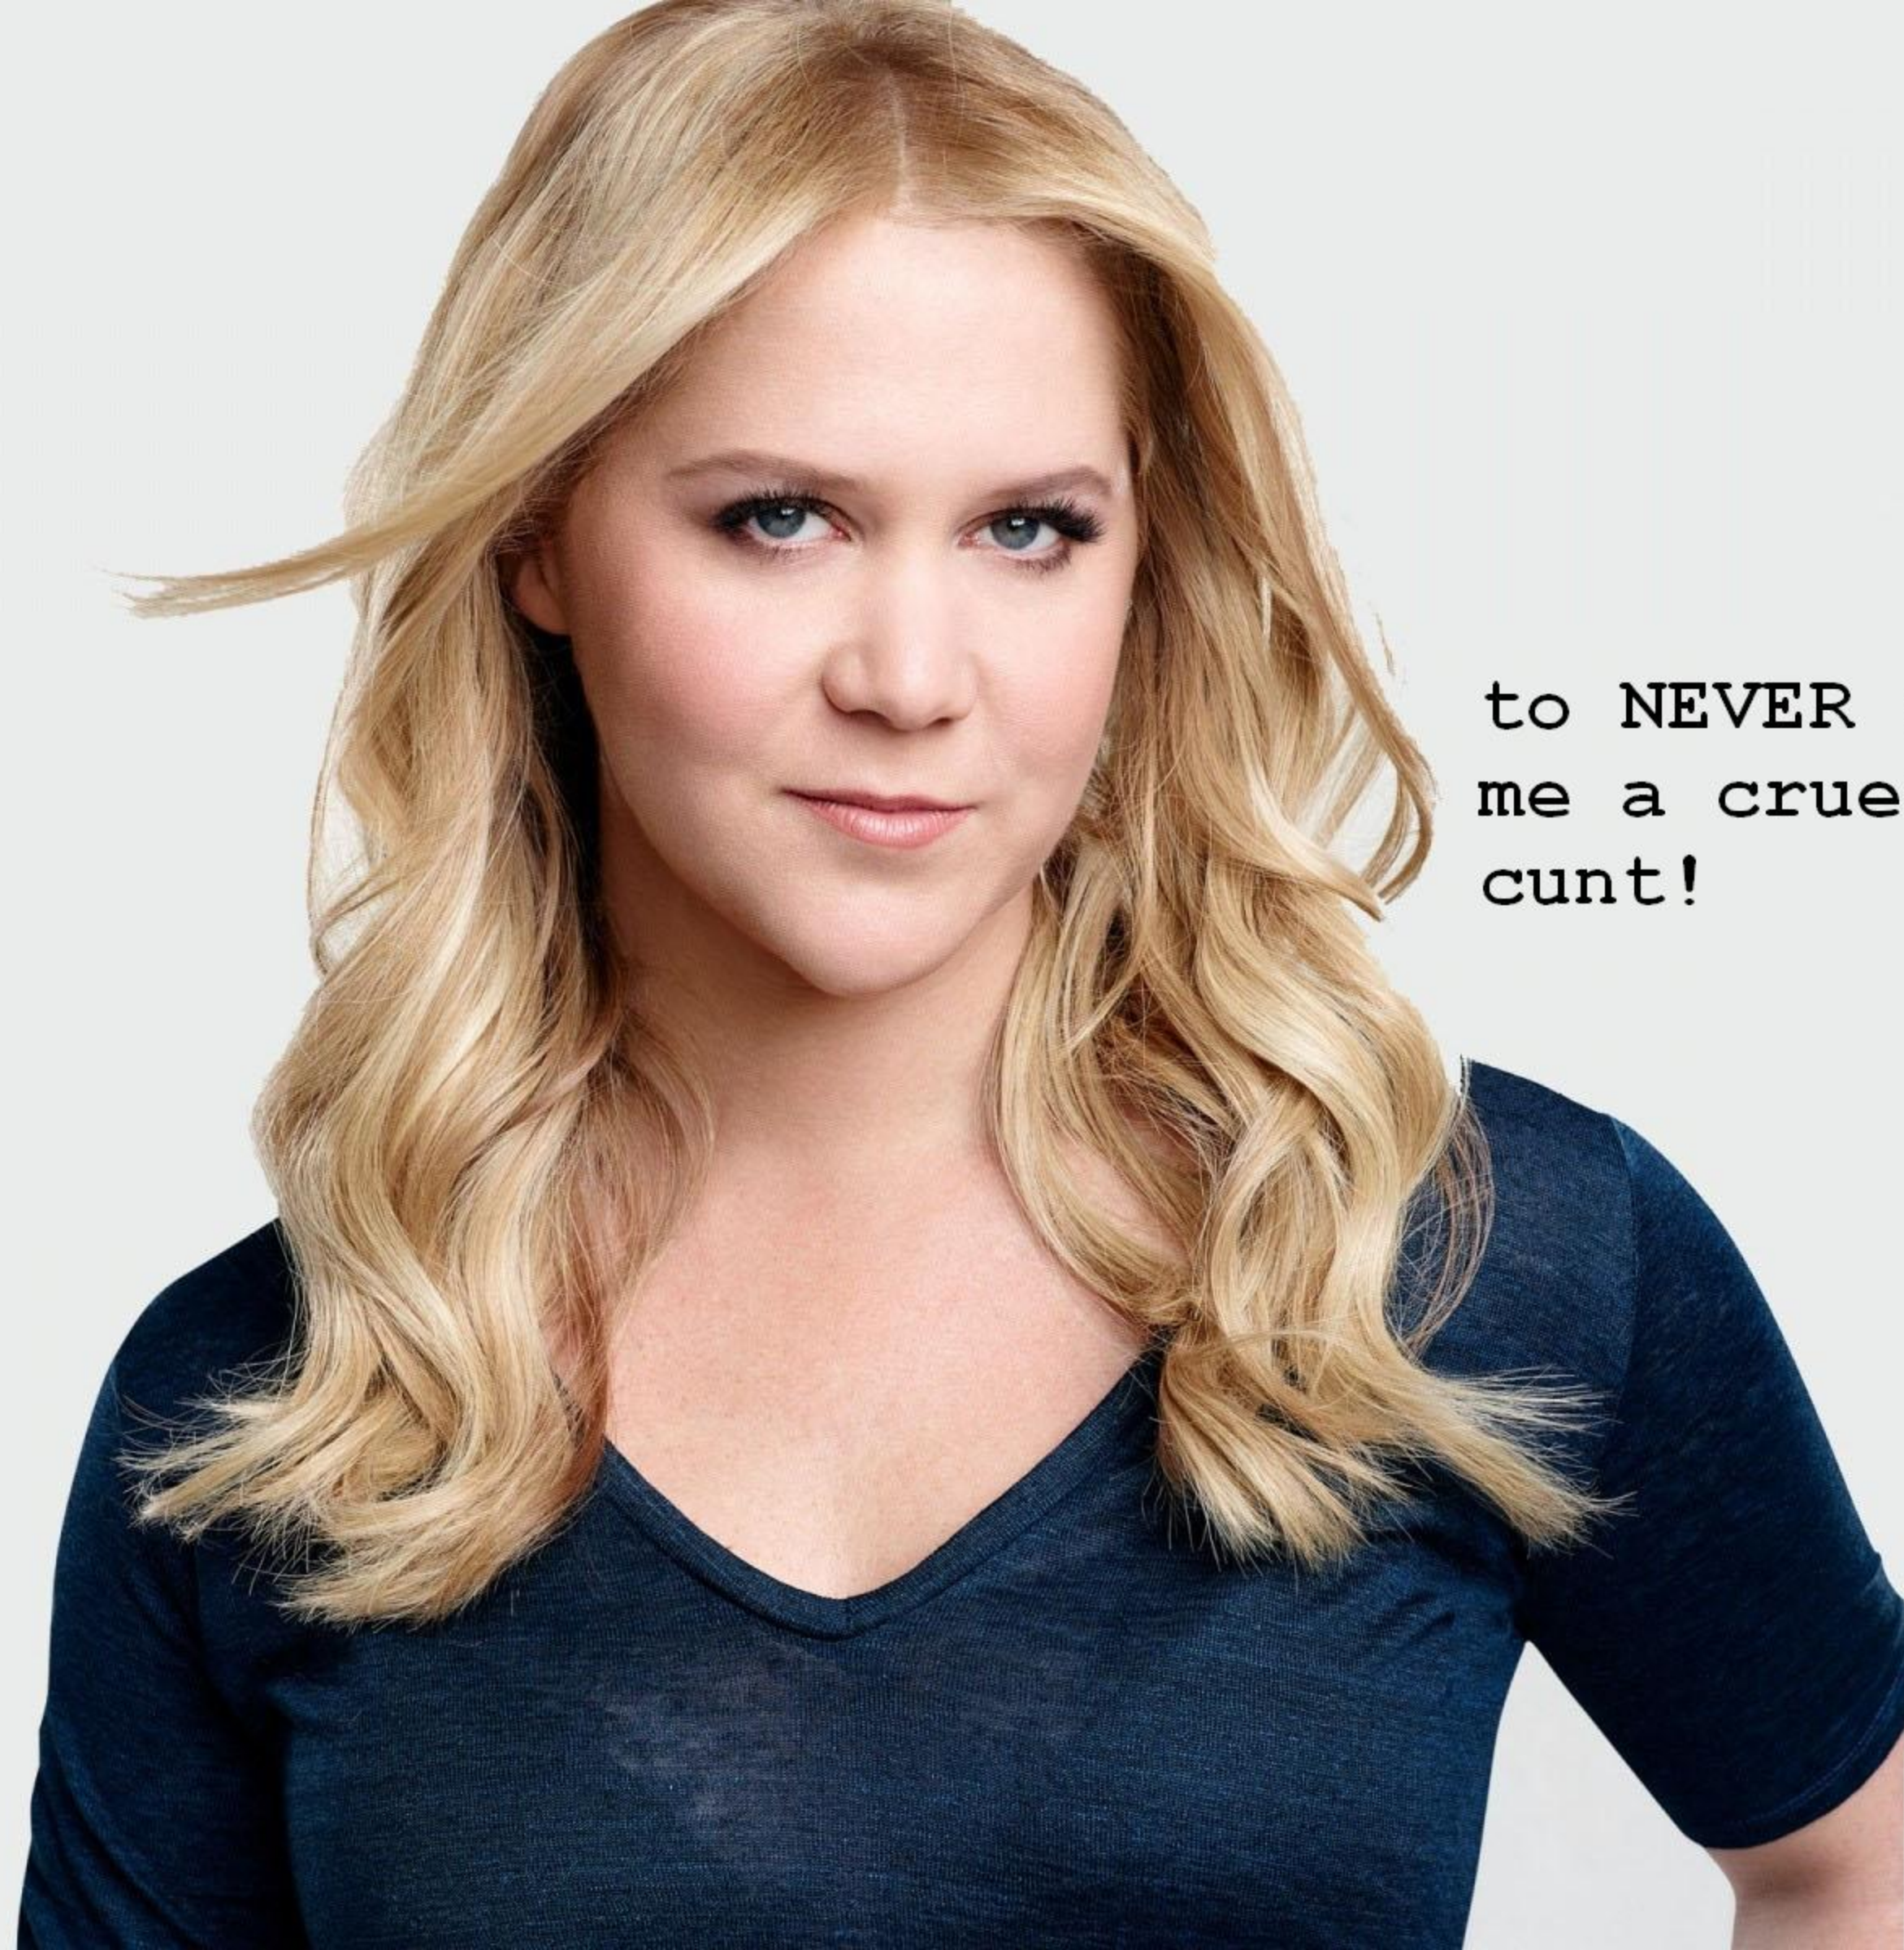

YES MISTRESS!

The End

And NOW he'll be
LEARNING,
my submissive
little RUNT,

to NEVER again call
me a cruel fucking
cunt!

Ooooooh
YEAH!
