

Her discipline can be hard

and your brain it may addle

but there are some forms  
of discipline

which hurt MORE than her paddle!

Once upon a time in  
a Female ruled land,  
there was a VERY  
disobedient  
submissive  
young man!

So his Mistress  
said "slave, you're  
gonna GET and you  
DESERVE a really  
GOOD licking!"

But I'll give you a  
CHOICE between TWO,  
and I'll let YOU do  
the PICKING

about whether you'd  
rather have a  
hundred of THESE  
licks, .

or THESE

**"For Your Licking!"**

**The End**

And now suppose you  
haven't cum for this  
FIRST month and it  
won't be ALLOWED  
till month FOUR, .

A woman with long blonde hair is shown from the waist up, holding a large wooden paddle in her right hand. She is wearing a black long-sleeved top with a large black belt buckle at the waist. The background is a room with a window covered in white shutters and a red cushion on a bed to the right.

which one of those  
lickings would hurt  
a man more?
