

Oh GOD it's so HARD

it's harder than ANYTHING to obey

the command from your Mistress

to obey her THAT way!

Once upon a time in my
Mistresses land
she wanted TOTAL obedience

"From Her Submissive Man!"

Will I be
punished
Mistress?

YES!
You'll
get my
belt
again!

I told
you I want
TOTAL
obedience!

**And I
fucking
MEANT
it!**

So do
NOT cum!

A black and white photograph of a woman with long, dark hair and a visible tattoo on her left shoulder. She is sitting on a bed, looking off to the side with a serious expression. She is holding the hand of another person, whose arm and hand are visible in the foreground. The background is a textured, mottled grey.

**PLEASE
STOP! I'M
GONNA BE
BAD
MISTRESS!**

**You
better
NOT be!**

**OH GOD
I'M SORRY
MISTRESS!**

I'll be
RIGHT
back
with my
belt!

The End

And lots of BEGGING and PLEADING
and CRYING for mercy is what I
have planned, as I try HARD not to
cum all OVER her hand!
