

I KNEW I should have listened
and NOT stand there and BALK
now she takes hold of my leash
and we go for a walk

Damn!
I
should
have
OBEYED
her

and
done
it HER
way!

Now as
soon
as she
sits
DOWN

I'm
sure
she's
gonna
say

"Get Where You Belong"

your
bare ass
is MINE

you're
getting
twenty
five
MORE

than you
got the
LAST
time

you
didn't
obey an
order of
mine!

The End

of
THIS
story

I
fear's
gonna
be

me
begging
for
mercy
like
the
LAST
time,

huh
Mistress
arie?

Ooooooh Yes it
WILL slave!

most
DEFINITELY!
