

And they'll both be in heaven
with their newly found bliss

now that HIS name is slave

and hers is Mistress

Once upon a time a
strict Woman told
her slave very
STERNLY

**"I'M FINISHED
WITH MY SHOWER!"**

"Hand My Towel To Me!"

A photograph of a man in a shower. He is kneeling on the tiled floor, holding a white towel. He is looking down at the towel. The showerhead is visible in the background. The man's back and legs show signs of bruising or injury. The text "YES MISTRESS!" is overlaid on the image.

**YES
MISTRESS!**

Very GOOD!
You're FINALLY
starting to
OBEY me!

Now LOOK at me
and think about
how you're going
to obey me the
REST of the
night!

Now go lay your
naked ass BELLY
up on my bed
and WAIT
or me!

The End

And what do YOU
think he'll be
doing after her
shower tonight?

What EVER she
WANTS, he will
DO it allright!

And what if he
DOESN'T my slave,
submissive and
meek?

She won't allow
him to CUM for
ANOTHER whole
week!

YES!

So he'll lick and
he'll suck and he'll
SATE her and SATE her

with his lips and
his tongue and her
brand new VIBRATOR,
while he's PRAYING
and PRAYING she'll
let HIS ass cum
LATER!

But when are his
prayers ANSWERED
my SLAVE,
whose manhood
I OWN?

ON A COLD DAY
IN HELL,
MISTRESS
SIMONE!

Ooooooh YES!
A VERY cold
day!
