

This is the story of what went on last
night in the life

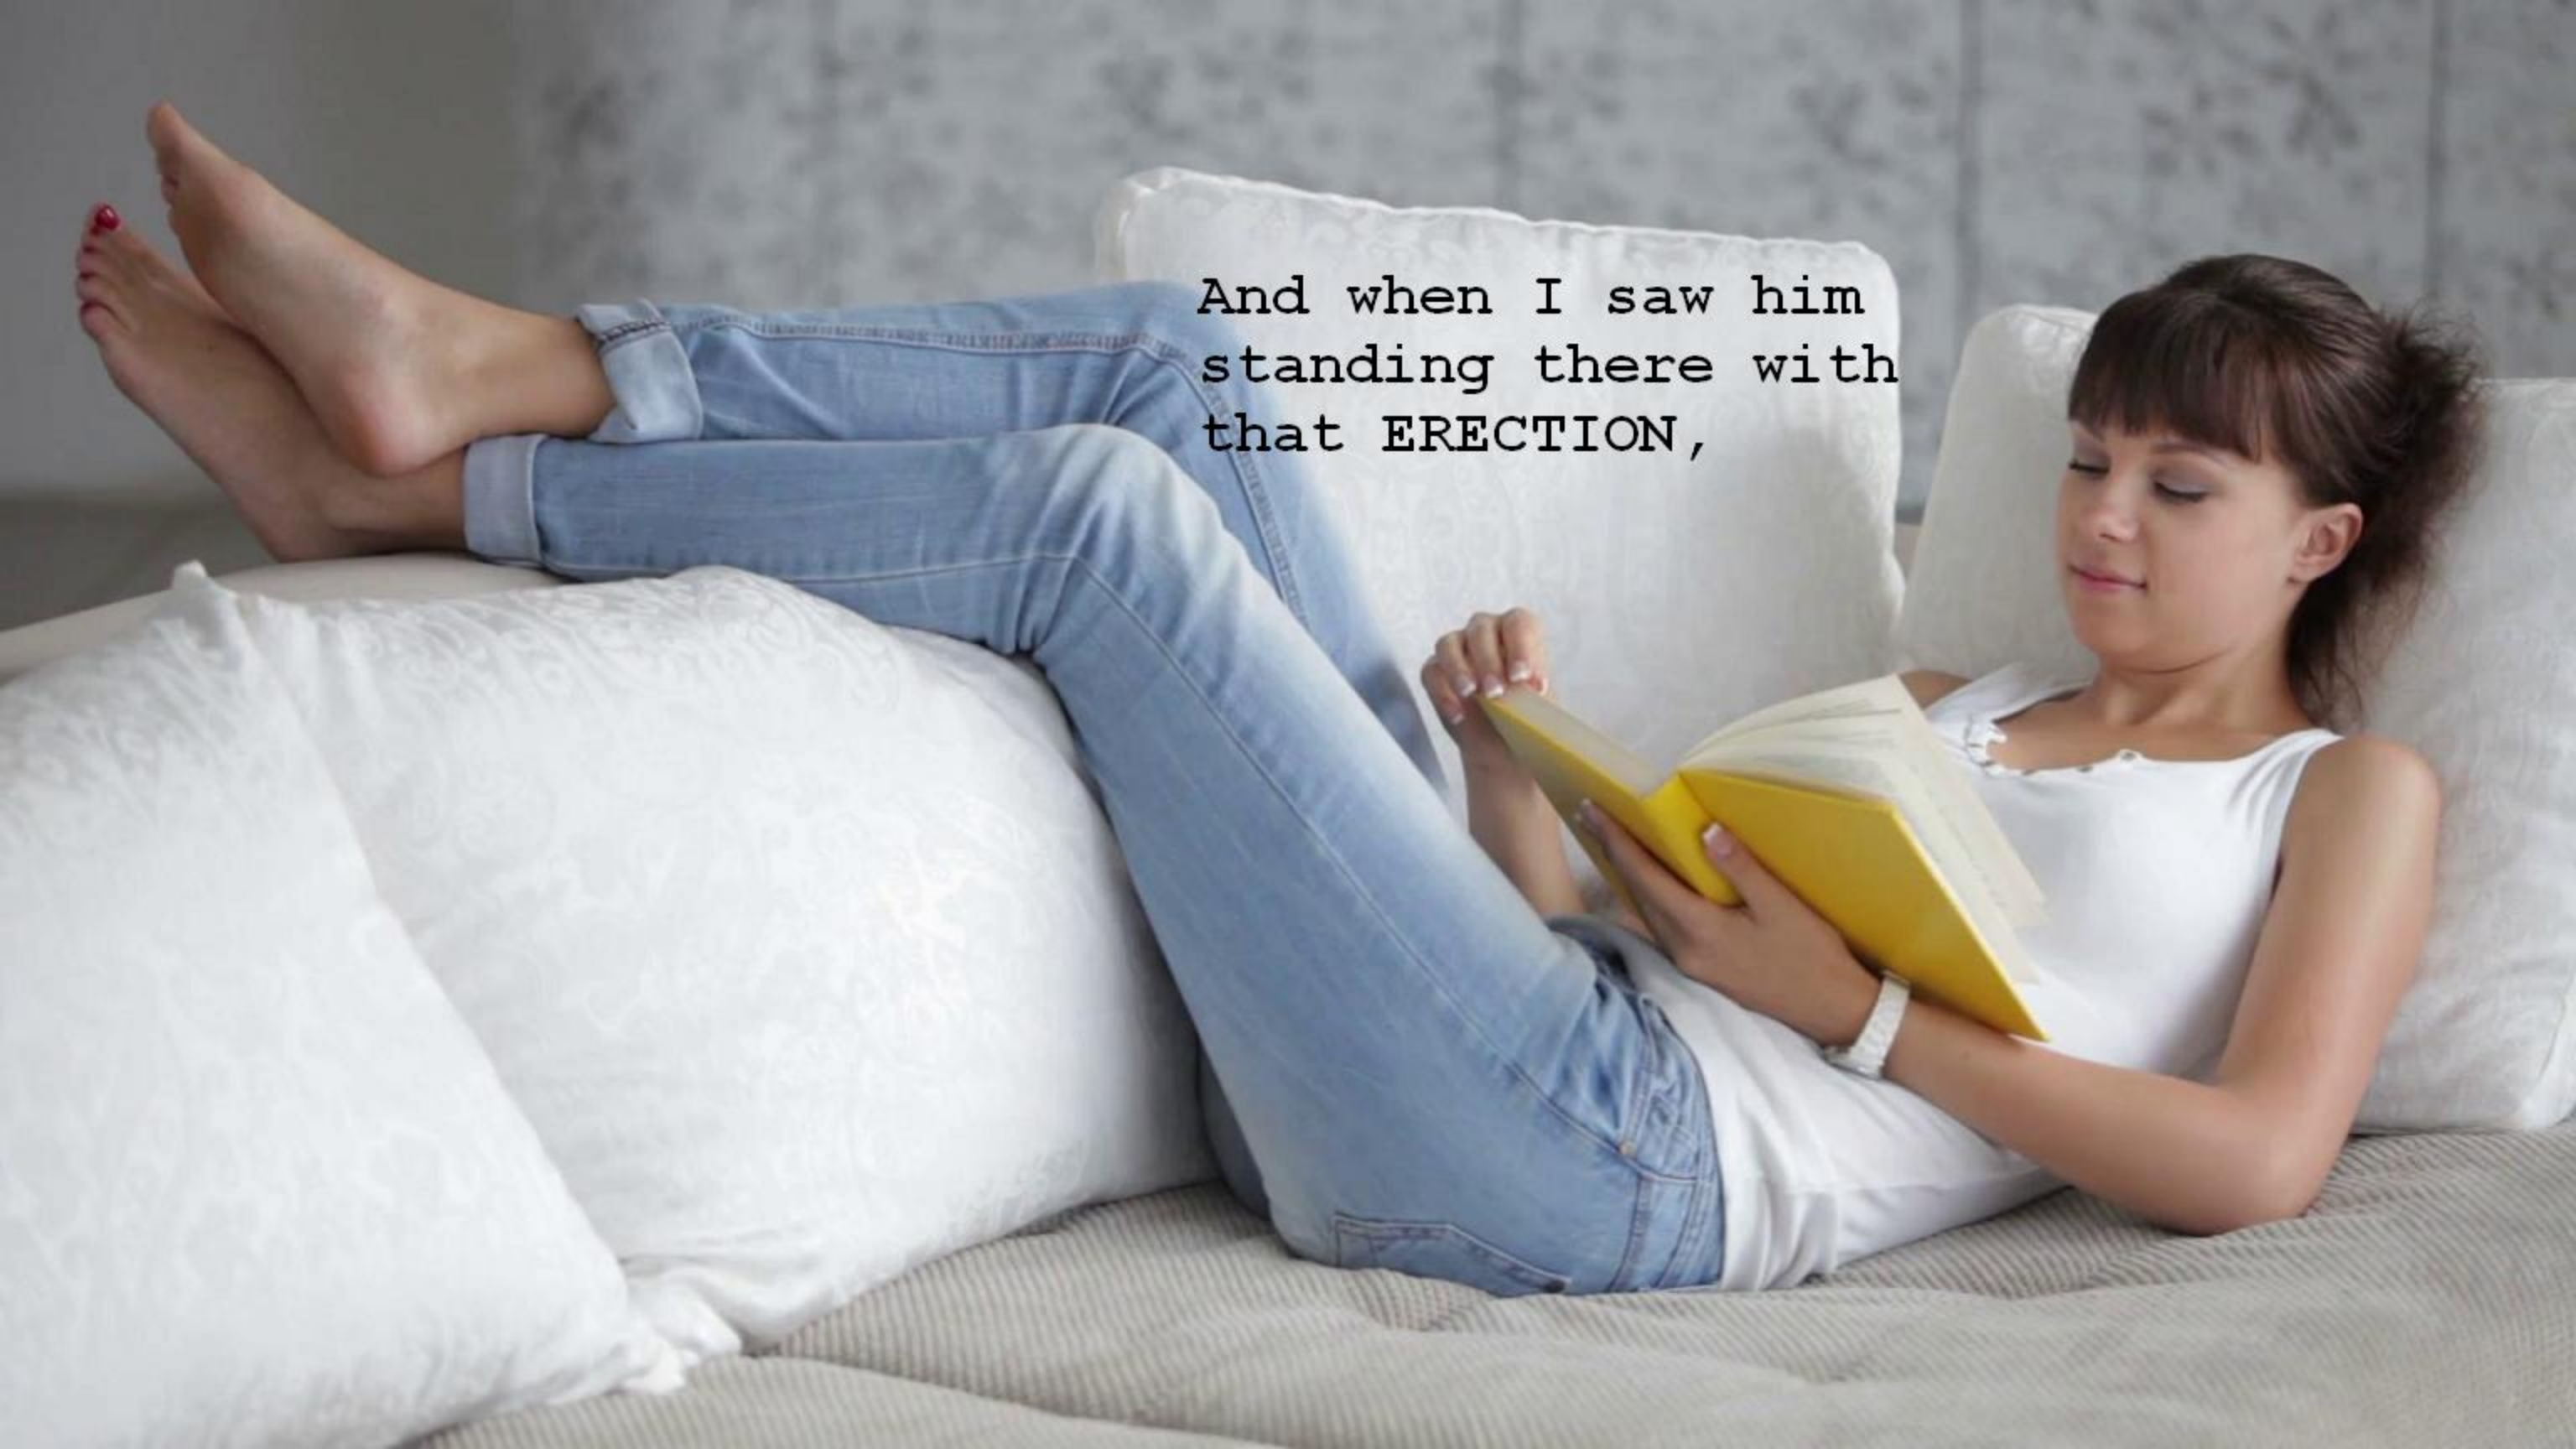

of a VERY submissive man and his very
DOMINANT Wife

Last night, while I was
relaxing and reading,
my slave husband came in
and said meekly to me,

I'm finished cleaning the
kitchen and the bathroom
and the ironings done,
Mistress Marie!

A woman with dark hair and bangs is lying on her back on a light-colored couch, reading a yellow book. She is wearing a white tank top and light blue jeans. Her legs are bent at the knees and raised in the air. The background is a plain, light-colored wall.

And when I saw him
standing there with
that ERECTION,

A young woman with dark hair and bangs is lying on her back on a light-colored couch. She is wearing a white tank top and blue jeans with the cuffs rolled up. Her legs are bent at the knees and raised in the air. She is holding an open book with a yellow cover and is looking down at it. The background is a plain, light-colored wall.

I KNEW he was
horny as HELL,

and that the NEXT
thing I wanted
him to do last
night

"He Would Do VERY Well!"

YES MISTRESS!

PLEASURE me
slave!

The End

A young woman with dark hair and bangs is lying on her back on a light-colored couch. She is wearing a white tank top and light blue jeans. Her legs are bent at the knees and raised in the air. She is holding an open book with a yellow cover and is looking down at it. The background is a plain, light-colored wall.

And when I was
through having
orgasms and I was
TOTALLY pleased,

I allowed him to
jerk off and
make himself cum
on his knees!
