

This here's the story of the
HORRIBLE way

she's been punishing me twenty
four seven since last Saturday

when she tied HER balls nice
and TIGHT in her USUAL way

and I heard her say THIS as
she was walking away

Oh, and
slave?

dreamstime.

Yes Mistress?

Not only are
MY balls going
to STAY tied
like that till
this time
TOMORROW,

dreamstime.

but you are
ALSO not
cumming THIS
week!

dreamstime.

Maybe having
to hold MY
cum for
ANOTHER week
will help
you learn to
OBEY me!

dreamstime.

Now do what you
were TOLD to do
or it'll be a
MONTH before I
even CONSIDER
allowing you to
cum for me
again!

And I sobbed out "Yes
Mistress!" as I watched
her walking away,
and I thought how badly HER
balls would be hurting by
the of the day

and how THAT hurting will
be over TOMORROW,
but the hurting of holding
HER cum for a whole week
ALREADY and now having to
KEEP holding it for
ANOTHER week will go ON
and ON and ON!

And it'll hurt SO
fucking BADLY that I'll
just want to SCREAM
as night after night

"I Have The SAME Dream!"

You
know
what I
think?

I think
that if
this was
YOU

You'd
be
BEGGING
me to let
you cum!

Ooooh
YES!
WOULDN'T
you?

YES!
You'd
LOVE to
squirt
that cum
ALL over
my HAND!

But you
CAN'T!

So SUFFER!

The End

And he
SUFFERED!

Ooooooh YES!
