

"And now you will WAIT!"  
Mistress sternly said

"And try not to drip precum  
all over my bed!"

"And while you are waiting  
you will tell them the tale

about what I'll be doing  
tonight with my submissive  
male!"

As I lay here waiting  
for her to come back  
in and get started

after she left me  
THIS way and then  
simply DEPARTED

so I could tell you  
the story about  
what will occur

when she comes back  
in here HORNY from  
KNOWING

and I'm gonna  
make you CRY  
BEG and SCREAM  
while I whip you  
UNMERCIFULLY

and it's gonna  
feel SO fucking  
GOOD slave

as you SUFFER  
for me!

ISN'T it  
slave?

YES MISTRESS  
MARIE!

**The End**

And it DOES feel  
SO fucking good  
when she makes me  
cry beg and scream  
while I suffer

And I'm sure  
it feels SO  
fucking good  
for HER too!
