

I took being her slave very cavalierly

and THIS my dear friends is what
happened to me

Once upon a time
when she first
made me her slave,
she wanted me to
do the housework
and always behave.

But I did what I
WANTED and she
didn't do ANY
bitchin

until one day she
got a STICK and
sternly said

"I've Had Enough Of Your Shit!"

So get your
LAZY ass

IN there,

and CLEAN

**my fucking
kitchen**

NOW!

And make sure
you clean it
RIGHT or I'll
give you
FIFTY with
this stick

and I won't
let you cum
for a MONTH!

The End

And from that
moment on I
IMMEDIATELY did
my Mistresses
bidding,

because I
realized that
about her wanting
me to be her
SLAVE,

she was NOT
fucking KIDDING!
