

This is a story about how when
you're her slave it's DEFINITELY
not in your best interests

to be ogling ANY part of another
Woman ESPECIALLY her breasts!

When her Girlfriends come
over I keep my head
bowed and I DEFINITELY
don't STARE

at ANY of the Women
who are standing RIGHT
there

because just like in
this story I'm telling
you fellas, MY
mistress may do
this to ME

"If That Makes HER Jealous!"

Mother FUCKER!
I can't believe
he had the
BALLS to
DO that!

Oooh, he
SURE did!
He vs
STARING
at them!

CORRECTION CAMP.

REALLY!
He kept
LOOKING
at her
TITS!

CORRECTION CAMP.

-MATT

**SLAVE,
GET
YOUR
ASS IN
HERE!
NOW!**

**You called
Mistress?**

**Did you make
my guest feel
uncomfortable
in MY house
by staring
at her
TITS!**

Oh God I'm sorry
Mistress!
I couldn't
help it,
they're
beautiful
Mistress!

NO slave,
MY tits are
beautiful
and they are
the ONLY
tits you
will EVER
stare at!

How many
balls do you
have slave?

TWO
Mistress!

**NOW you
have ONE!**

Correction
-PART-

**STAND BACK
UP SLAVE!**

**YES
MISTRESS!**

NOW you won't
have ANY!

Now run your ass
QUICKLY to the
phone, call
Mistress Susan,
and tell her I
want her over
here right away
to do what we
BOTH know needs
to be done!

YES
MISTRESS!

Wow!

Wow!
-PATT-

**YES slave,
this IS
Mistress
Susan!**

The End

And although
sometimes they'll
try to get me to
DO it by saying

Look
at
THESE
slave!

to me,
I'd rather KEEP my
two balls attached
securely to me!
