

"But Mistress, "COME" training's
the hardest training there IS
I'm BEGGING you Mistress
please don't make me do this?"

slave,

you should
be **THANKFUL**
we're doing
"COME"
training
THIS way,

instead of
how the
slaves in
this STORY
have to
do it

with THEIR
Mistress
today

who's
warned
them not
to COME
even one
DROP
or she

will
castrate
the FIRST
one who
DOES

"Immediately!"

The End

And one
finally
DID come

and she
CASTRATED
him TOO!

Now jerk
off and
DON'T
come,

or I'LL
castrate
YOU!

"YES
MISTRESS!"
