

He should have seen it the FIRST time
she made him clean up her place
that SHE likes things TIDY
and EVERYTHING in its place

Ooooooh,
YES!

EVERYTHING

has
its OWN
special
PLACE

"In HER House!"

I'm the
type of
woman who
STRONGLY
believes

that a MAN
should be a
womans SLAVE!

So I put
my male
on his
knees,

TOLD him
how things
were going
to be in
MY house,

and made
his
submissive
ass MINE!

And while
I was
USING
his ass,

to CONSUMMATE
our new
relationship,

we had a
little
DISCUSSION,

and he agreed
to give me THESE,

to DO with HOWEVER
I pleased!

So I TOOK them,

She is holding a metal chain with her right hand; the chain is attached to a red, bulbous object. In the background, a hand is visible holding a knife, and another hand is holding the red bulbous object. The lighting is dramatic, with a warm glow from a candle in the background.

and
I PUT
them

where
they
BELONG

A close-up photograph of a blonde woman with long, wavy hair and red lipstick. She is wearing a black collar with a metal chain attached. The chain is connected to a person's leg, which is wearing a black strap and a pink, bulbous object. The woman is looking towards the camera with a slight smile. The background is dark and out of focus.

in MY
house!

The End

A woman with long blonde hair, wearing a red strapless dress, is sitting at a dark desk. She is looking directly at the camera with a neutral expression. On the desk in front of her is a black computer keyboard, a black gooseneck microphone with a spherical head, and a pen holder containing several pens and markers. There are also some papers and a business card on the desk. The background is a plain white wall.

And it's
actually
a HAPPY
one!

HE never
bothers HER
for sex,

AND

he gets
to visit
his balls

every time
he dusts her
dresser!

A woman with long blonde hair, wearing a red strapless dress, is sitting at a black desk in an office. She is looking directly at the camera with a serious expression. On the desk in front of her is a large black microphone on a stand, a blue keyboard, and an open magazine or brochure showing architectural drawings. To her left is a white computer monitor. In the background, there is a black shelving unit filled with books and office supplies. The text "DOESN'T he?" is superimposed on the image in a black, serif font.

DOESN'T he?
