

At the end of this story I would  
like to ask you

would your ankles end up tied to  
that ceiling hook too?

Once  
upon  
a time  
on their VERY  
first day

she  
began to  
train her  
two new slaves  
to OBEY her

**"In That Most SPECIAL Way!"**

**REMEMBER!**

If either one of you  
cums even ONE drop,  
I will hang you by your  
ankles to the hook in  
the ceiling above the  
bed and I will whip  
your balls as HARD  
as I can without  
ANY mercy!

**YES MISTRESS!**

**YES  
MISTRESS!**

**The End**

So  
did  
they  
ACTUALLY  
obey her after  
they'd said  
"YES  
MISTRESS!"

or  
did  
they  
have to spend  
the next few  
hours like  
**THIS?**

Would YOU  
have to?
