

Perhaps the truest of maxims in a
strictly Female dominated nation

is that a mans obedience is a factor
of his sexual frustration

A woman with blonde hair, wearing a black bikini, is sitting on a bed. She is looking down and to her right. The bed has a white sheet and a large, colorful floral patterned blanket in red, green, and white. The background is a wall with a light-colored floral wallpaper. The text "Once upon a time there was a young dominant Woman named Ann" is overlaid on the right side of the image.

So she thought
for a while
and finally said
with a smile

"WOW!
All I have
to DO

"Is Make Him WAIT"

for what's
to HIM, a
LONG fucking
while!

Don't hang
your head
and CRY
slave!

Lift your
head up and
WATCH what
she's doing!

But Mistress,
it's

CRUEL?

Do what I TOLD
you to do or
you won't cum
for a YEAR!

YES MISTRESS!

**Awww! Poor
slave is
CRYING!**

When was the
last time you
were allowed
to cum?

Two months ago
Mistress!

pure TORTURE
having to
watch me
jerk MY
slave
off!
Huh?

Yes Mistress!

Well, wait till
you have to
watch him
cum ALL
over me!

The End

And he wanted
to cum SO
fucking BADLY
and though
he BEGGED
his
Mistress,

the only
thing SHE
let him do
THAT night
was

THIS!
