

To obey her rules and please her
is the joy a slave lives for,
that's why he won't jerk off and come
when she walks out of the door.

But that don't hold true for some of us
who's self restraint is poor
so it's disobedient guys like THIS
they make those Damned things for!

Why DO I keep you
IN this thing?

Well slave, I'll let
you KNOW,

that WITHOUT it
you won't make
me happy,

like my girlfriends
husband,

"Joe"

You want to
come really
BAD, huh?

"Yes
Mistress!"

Yeah,
I can
see that!

When WAS the
last time when
I allowed you
to ejaculate?

"Two weeks,
three days
and fourteen
hours ago,
Mistress!"

Yeah,
but who's
counting,

Huh
Honey?

"Yes
Mistress!"

And you DIDN'T
jerk yourself
off and come
while I was
at work?

"No
Mistress!"

Why
NOT?

"Because you
don't want me
to ever come
without your
permission
Mistress,"

"and I don't
want to
disobey
you!"

Why
NOT?

"Because it
makes you happy
that I obey you,
Mistress!"

Yes it
DOE'S
Honey,

and since you've
BEEN making me
happy for the
past two weeks,
three days, and
fourteen hours,

you won't mind
KEEPING me
happy for a
few more days,
WILL you
Honey?

"No
Mistress!"

Good,
now do
my nails!

"Yes
Mistress!"

The End

No, HE don't need
a thing like THIS

to satisfy HIS wife,

cause he'll obey
her EVERY rule,

and PLEASE her
all his life!

Now do my
fucking nails!

"Yes
Mistress!"
