

Beware, I'm sure there ARE Women  
who'd DO this for a very economical  
fee

and I'm sure your Wife Mistress could  
find one if she WANTED to quite  
EASILY!

The STORY, dear  
SLAVE, as quite soon  
you will see,

is Women like your  
Wife/Mistress bring  
their disobedient  
slave/husbands to me

and for a very  
affordable fee,  
I administer DISCIPLINE  
so their time is free

to just sit and  
relax, read a book,  
or maybe

**"Just Watch TV!"**

Ann?

Why are you  
doing that and  
hurting your  
hand,  
disciplining  
what's SURELY  
a disobedient  
man?

Because a man  
HAS to be  
DISCIPLINED!

C'mon, we BOTH  
know that's  
TRUE,

or he will NEVER be  
OBEDIENT like he  
SHOULD be for you!

Well instead of  
doing THAT  
you can RELAX  
and do what I  
do,  
when HE'S  
disobedient  
I say,

"Get your ass  
in my car,  
I'm taking you  
to see  
Mistress Sue!"

And as soon as  
we get there,

I take TOTAL control  
and order him, "Lay face  
up on the bed and I'll  
get you ready, you  
disobedient ASSHOLE!"

A woman with blonde hair tied in a bun, wearing a black sleeveless dress, is seen from behind. She is reaching up with her right arm to touch a long, thin, dark wooden object that is mounted vertically on a white, textured wall. The object has a small circular hole near the top. In the foreground, the back of a mustard-colored armchair is visible. The overall scene is minimalist and artistic.

Then as soon  
as I have  
him secured,  
the way I  
WANT him  
to be,

I take  
my belt  
from  
it's  
hook

and I whip his  
balls as hard  
as I can  
**MERCILESSLY!**

OH GOD IT HURTS! PLEASE STOP MISTRESS!  
PLEASE I'M BEGGING YOU! **PLEASE!**

OH GOD IT HURTS! PLEASE STOP MISTRESS!  
PLEASE I'M BEGGING YOU! **PLEASE!**

**The End**

And that's how your  
WEEKEND with me's  
gonna BE! Now get your  
ass laying face up on  
my bed slave,

**IMMEDIATELY!**
