

Heres a story of a moment this  
slave always will cherish

up to his very last breath  
when he'll finally perish

Oh yes he'll have many fine  
reminisces

when he told her "I DO!"  
and those passionate kisses

She made so  
happy allowing  
me to marry her  
that day

that "Oh God  
Thank you  
Mistress!"  
was all I  
could say!

And as my eyes  
fill with tears  
of a joy I  
can't hide

I relive that  
BEAUTIFUL moment  
when she told me

that I  
may NOW

**"Kiss The Bride!"**

**The End**

And as I kneel  
here waiting  
for her to walk  
through the  
door

I'm thinking of  
ways I could  
PLEASE my  
Wife/Mistress  
more!

HI HONEY!  
I'M HOME!

Welcome  
home  
Mistress!  
How may  
I serve you  
Mistress?

You may get my  
dinner on the  
table!  
I'm STARVED!

YES  
MISTRESS!

AND POUR  
ME A BIG  
GLASS OF  
WINE TOO!

**YES  
MISTRESS!**
