

There may be times your Fem Dom
bride

will take your naked ass outside

to get some fresh air and some sun

and show you to her neighbors
some.

So just obey her as you go

outside unto her patio.

Did the new
story get
here yet,
slave?

"YES
MISTRESS!"

Well, then
bring me a
glass of
wine,

and then
kneel at
my feet
while I
READ it!

"YES
MISTRESS!"

"Let's Go Outside"

It's good to take
your slave
outside,

so you can both
get some fresh
air,

while you
humiliate
him in front
of your
neighbors!

Just make sure you
keep his private
parts COVERED,

so your neighbors
don't complain
about
INDECENT
exposure!

RIGHT,
slave?

"Yes
Mistress!"

Mrs. Smith is
peeking out
her window
at us,
say Hello
to her!

"Hello,
Mrs. Smith!"

Louder slave,
she can't
hear you,

say it like you
have a pair
of BALLS
under that
plastic!

"Yes
Mistress!"

"HELLO,
MRS. SMITH!"

That's better,
now hand me
my fucking
drink!

"YES
MISTRESS!"

The End

WOW,
I LIKE
that
story!

ALOT!

Slave?

"Yes,
Mistress?"

You know how
when I punish
you, you beg
me REALLY
loud,

not to have
your balls
cut off?

"Yes
Mistress!"

Well my neighbor
Brenda was
asking my
OTHER
neighbor
Sara,

if I really
DID it!

So what I
want YOU
to do,
right NOW,

is to put
the leash
on your
balls!

"YES
MISTRESS!"

Cinch it
TIGHT,
slave!

"YES
MISTRESS!"

YES slave,
that's
MUCH
better!

Now hand
me the
end of
the leash,

and I'll
take you
outside
to my
patio,

so I can
SHOW them
I DIDN'T!

"YES
MISTRESS!"

WHAT?

You readers
think I'm
a cruel
humiliating
BITCH for
doing
this?

Well, at
least Sara
and Brenda
will find
out,

that I'm
not a cruel
humiliating
CASTRATING
Bitch!

WON'T
they?

"YES
MISTRESS!"

Now hand
me that
fucking
leash and
let's GO!

"YES
MISTRESS!"
