

Fem Dom for some guys aint too
hard to grasp

we had something like it long
ago in our past

Is that WHY we seek women who
are so enthralled

with making us slaves and taking
our balls?

And women who
KNOW that what
you really need

is to be kept
naked and
obedient down
there on your
knees!

A woman who'll
teach you how
you're SUPPOSED
to behave,

and makes sure
that you stay
an OBEDIENT
slave!

Yes, a woman
who's strict
and one thing
furthermore,

A woman with long, wavy dark hair is sitting on a bed with bright red sheets. She is wearing a black, short-sleeved, V-neck dress and black high-heeled shoes with a lace pattern. She is looking directly at the camera with a slight smile. The background is a plain, light-colored wall. To the right, there is a modern, metallic bedside table with a glass top, holding a red ceramic vase and a lamp with a crystal base.

a woman who
knows just
what **M** might
stand for!

"M Is For"

M is for
Mistress,

who guys
like you
NEED,

to keep
your ass
naked

and down
on your
knees!

O is for
Obedience,
which is
what I
demand

because
you'll
live under
MY rules

and MY
iron hand!

M is for
"May I"
which you'll
learn to
ask

before
you do
ANYTHING,

or I'll
blister
your ass!

M is for
Monthly,
only IF
I am
pleased,

that I may
grant
you the
PRIVELEGE

of sexual
release!

Y is for
YOU slave,
over there
on your
knees,

who will
spell out
the word
now

and SAY
it to
ME!

"MOMMY"

The End

Oh now don't be
embarrassed,
you don't have
to BLUSH,

something clicked
deep inside you
when she used
that hair brush

and gave your ass
twenty for not
making your bed

Ooooooooooh,
look at you slave,
you're turning
all RED!
