

"Your complaining that I NEVER let you  
cum is a pain in the ASS!

I'm sick of your bitching about it  
and giving me sass!

Let me tell you a story about what  
I saw happen last

time to the slave of my best  
Girlfriend Cass!

Excuse us  
for a few  
minutes  
Ladies,

A scene from a film or play. In the center, a shirtless, muscular man stands with his back to the camera, looking down at his right thigh. A woman with long dark hair, wearing a white short-sleeved top and a maroon skirt, stands facing him, her hands near his leg. To the left, two women are seated on a green cushioned bench; one wears a bright red blazer and the other a black top. To the right, a woman in a black strapless dress sits on a yellow armchair, looking towards the man. In the background, another person in a white shirt is seated on a bed. The room features a large white armoire, a dark doorway, and a patterned rug.

I'll be  
bringing  
our  
servant  
RIGHT  
back,

it's almost  
his lunch  
time and I  
have to go

**"Make Him A Snack!"**

**The End**

And of  
course  
Mistress  
Cass took  
him RIGHT  
back

so ALL of  
them could  
watch him  
EATING his  
snack!

And though  
you want to  
cum REALLY  
badly I  
have a VERY  
strong  
hunch

you don't  
want ME  
feeding you  
YOUR cum  
for lunch!

BUT if you  
want to cum  
THAT bad  
then that's  
what I'll  
DO!

Shall we get  
a glass from  
the kitchen?

OH GOD  
NO MISTRESS  
SUE!

Then shut  
UP and stop  
BOTHERING  
me so I can  
finish what  
I have  
to do,

or I won't  
let you cum  
for a YEAR!

YES  
MISTRESS  
SUE!
