

"I KNOW what you'd like me to allow  
you to do

but you ARE gonna do what I TELL you  
to do

because you've had NO sexual release  
for three months today

so I'm sure you'll be MORE than happy  
to do it MY way!"

Once upon  
a time my  
FIRST  
husband

**"Meekly Begged TOO"**

Mistress?  
Are you  
EVER gonna  
allow me to  
actually  
have SEX  
with you?

and a very  
young but  
wise ME  
told him

Until I'm a million percent  
certain that you TRULY have  
learned,  
that sex with me is a very  
special PRIVILEGE which has  
to be EARNED,

your even THINKING about THAT  
had better be put WAY back on  
the shelf,  
when I eventually DO let you  
cum you're gonna do it  
YOURSELF!

So if you want to **FINALLY**  
get to cum you'll get **BUSY**,  
and jerk off for me!

And like  
YOU'RE  
gonna do  
HE said,

YES  
MISTRESS  
MARIE!

**The End**

So now if  
YOU want  
to FINALLY  
cum,  
you'll do  
it THIS  
way for  
me!

WON'T you  
my SLAVE?

YES  
MISTRESS  
MARIE!
