

As you're kneel naked on the floor  
waiting to greet her the second she  
comes through the door

you shiver with anticipation mixed  
with very reasonable fright about  
what she learned in her Femdom class  
tonight!

Ladies, the lesson  
today in my Femdom 101  
class,  
is about ways a Woman  
can use to teach a  
submissive man to  
OBEY her without any  
backtalk or sass!

So to get you started  
IMMEDIATELY learning  
how to teach YOUR  
submissive men,  
let's all pay  
ATTENTION to this  
story by my guest,

**"Mistress Gwen!"**

What I do with  
MY disobedient  
slave/husband  
Fred, is tie  
him spread  
eagled face up  
on his bed,

so he can't  
close his legs  
because I want  
EVERY lash to  
be FELT,

by his  
disobedient  
balls EVERY  
time I  
unmercifully  
swing down my  
belt!

And when he  
sees me at  
the doorway  
he BEGS and  
he BEGS,

MISTRESS PLEASE DON'T WHIP ME  
AGAIN BETWEEN MY WIDE OPEN LEGS!

I'M BEGGING YOU MISTRESS! IT'S AGONY!  
OH GOD MISTRESS, IT'S HELL!

But I just  
SMILE and tell  
him HONESTLY,

Honey, I  
KNOW that  
it's AGONY,  
and I KNOW  
that it's  
HELL,

but it  
teaches you  
to OBEY me,  
and it DOES  
it so WELL!

And as I  
whipped him  
and he kept  
SCREAMING,  
"OH GOD I'M  
SORRY! I'M  
SORRY MISTRESS  
GWEN!"

we BOTH knew  
he'd NEVER  
disobey me  
THAT way  
AGAIN!

**The End**

Thank you Mistress  
Gwen!

You're welcome!  
Now go home  
Ladies and  
teach obedience  
to YOUR  
submissive  
men!

Class dismissed!

Go lay on your bed  
on your BACK and  
WAIT for me!

YES  
Mistress!

AND TAKE THE BELT  
OFF MY JEANS FOR  
ME !
