The day before Valentine's day typically reserved for a man taking out his mistress or girlfriend. On Valentine's Day a man is "required" to take out his wife or steady girlfriend. However, the restaurants, bars and clubs are packed on February 13th for the better looking women in a man's life.

Mistress Day gifts are typically always jewelry and lingerie, while Valentine's day gifts are chocolate and teddy bears.

The most popular day for "short stay" hotel bookings.

The practice is so widespread, that it's no longer a secret. February 13 has been "unofficially" named "**Mistress Day**."

Cheating Valentines, both male and female, get together with each other on **Mistress Day**, so they can give, or receive the traditional Valentine's Day gift.
