

"I KNOW this will be VERY
humiliating for you

but I saw what my Sister
Anne did with HERS
and I wanted one too!"

Once upon a time
there was a
submissive man
just LIKE you
named John,

whose Mistress
made him do this
the WHOLE time
she was gone

and she VERY
sternly warned
him,

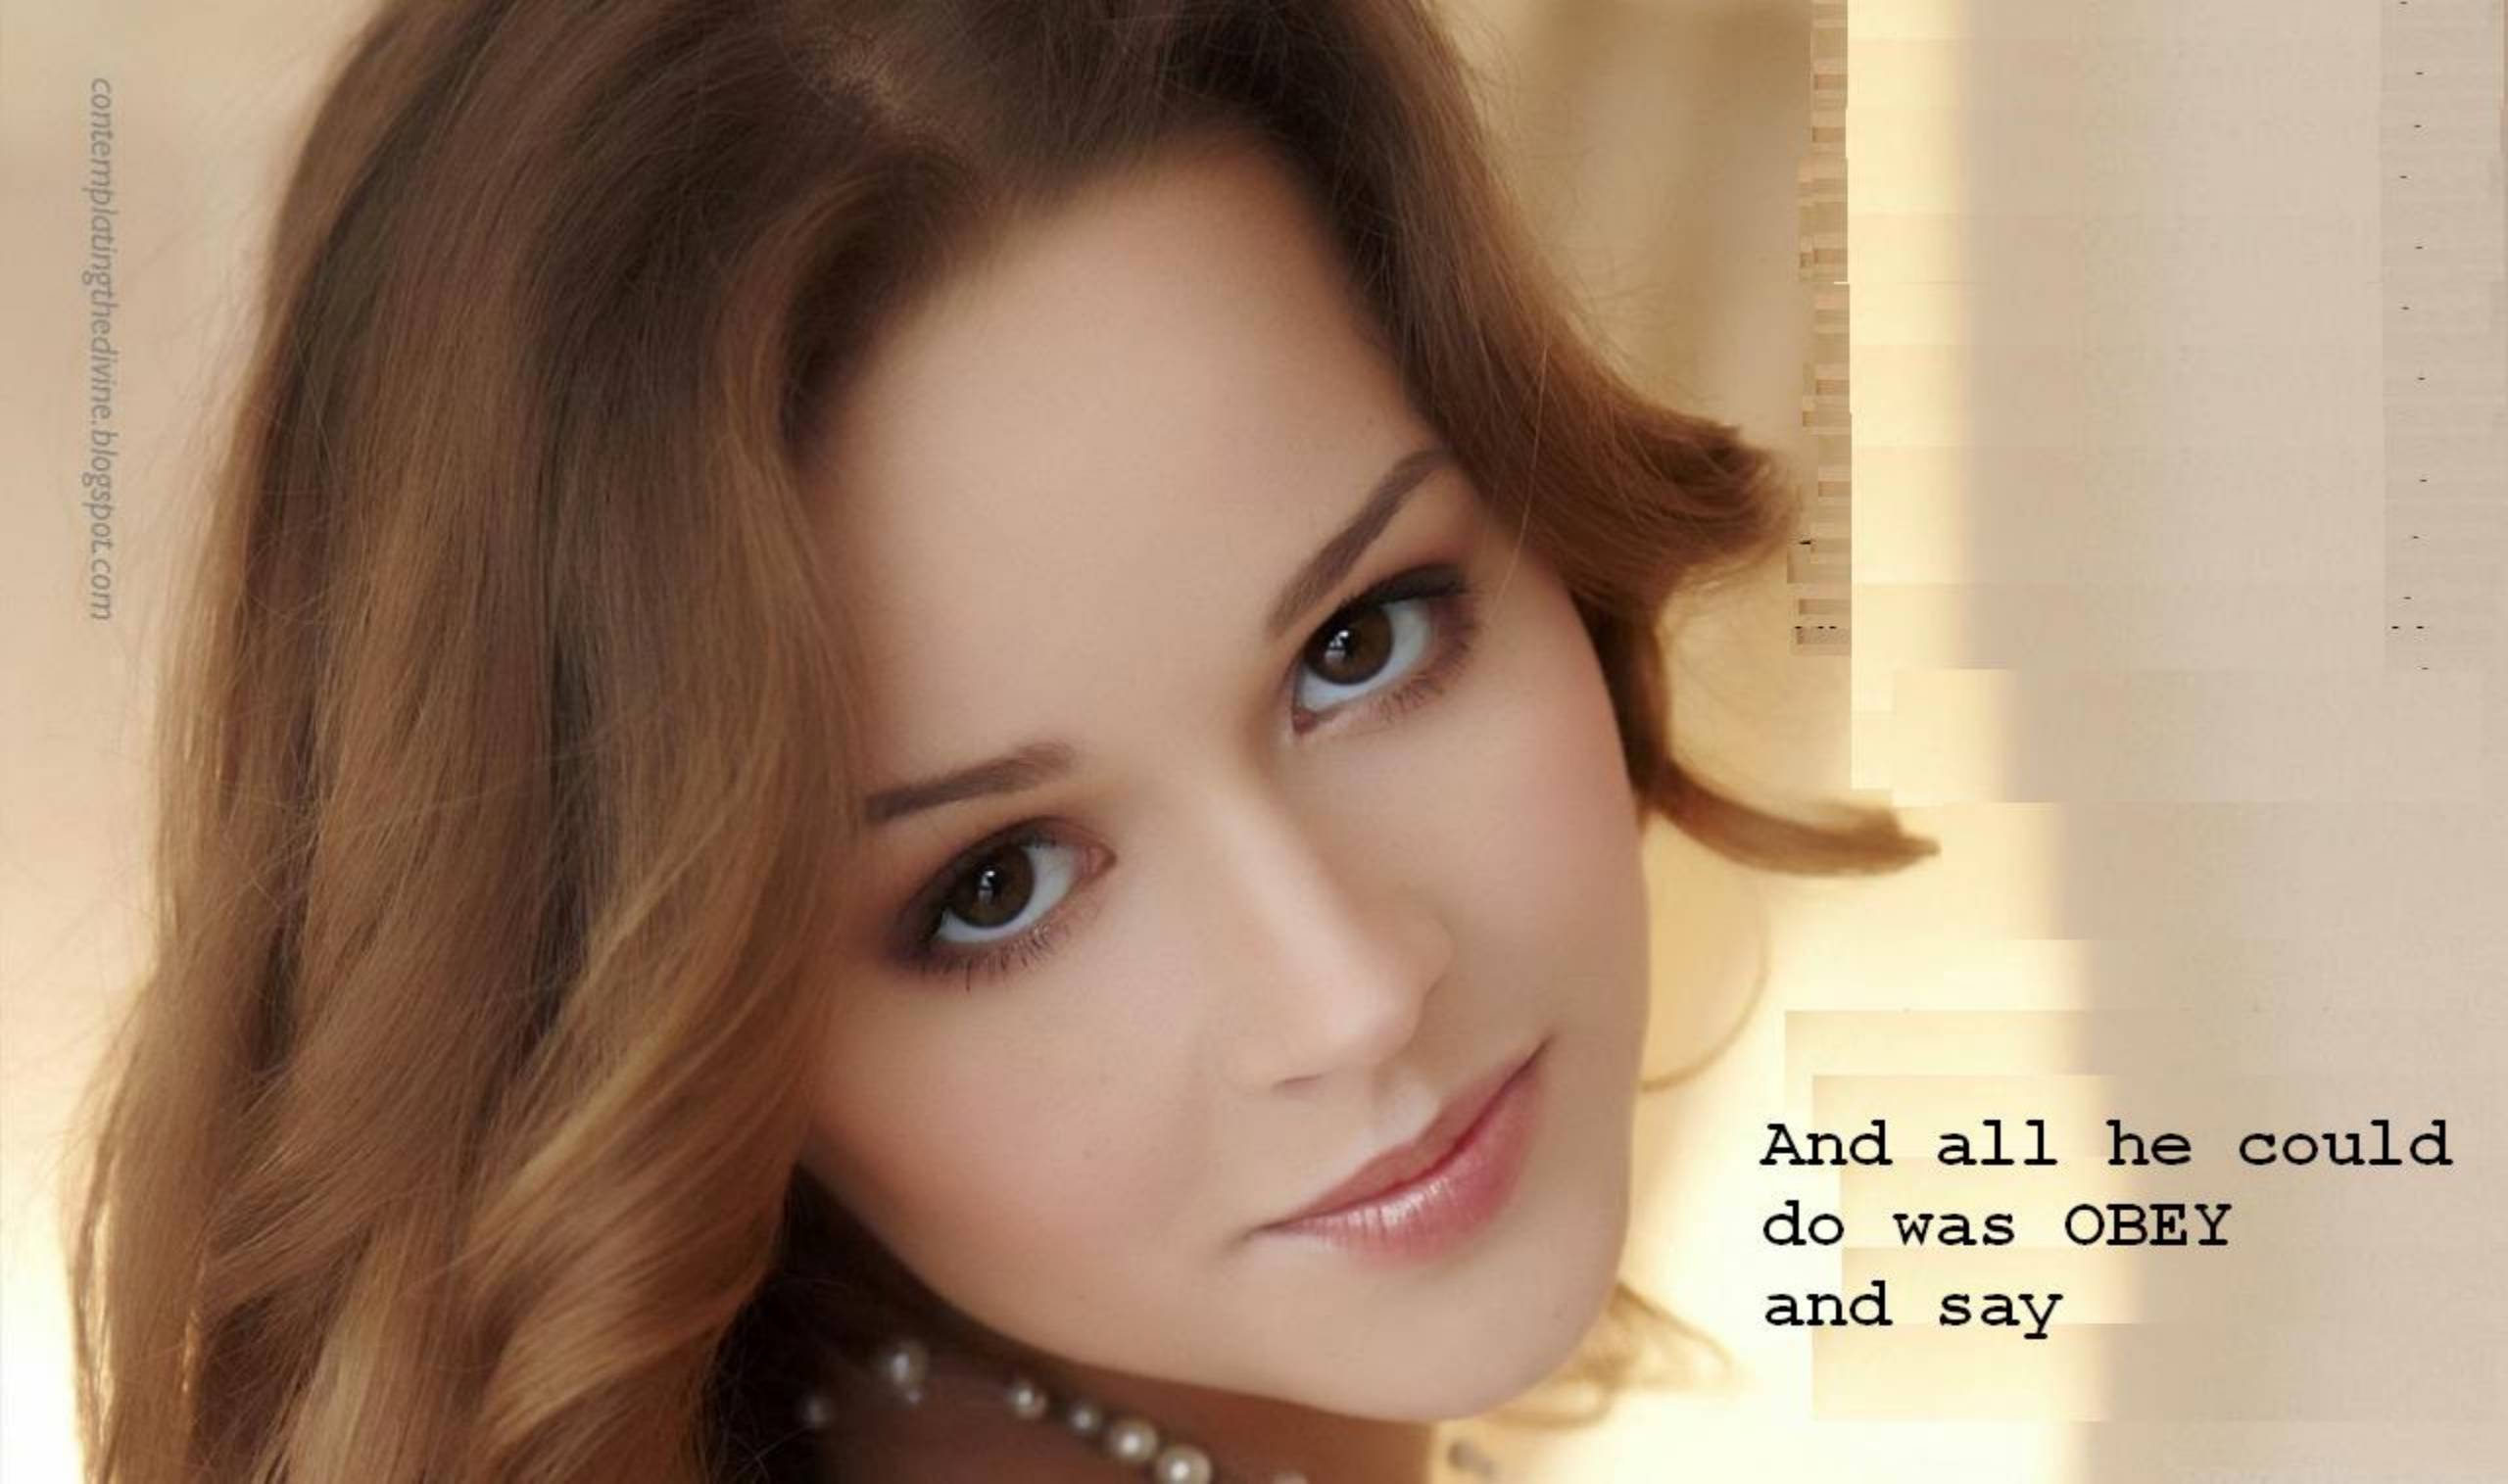

**You better not
STOP because
you KNOW that
I AM**

watching you
on my phone
with the app
that came
with my

"Nanny Cam!"

And all he could
do was OBEY
and say

**YES
MISTRESS
PAM!**

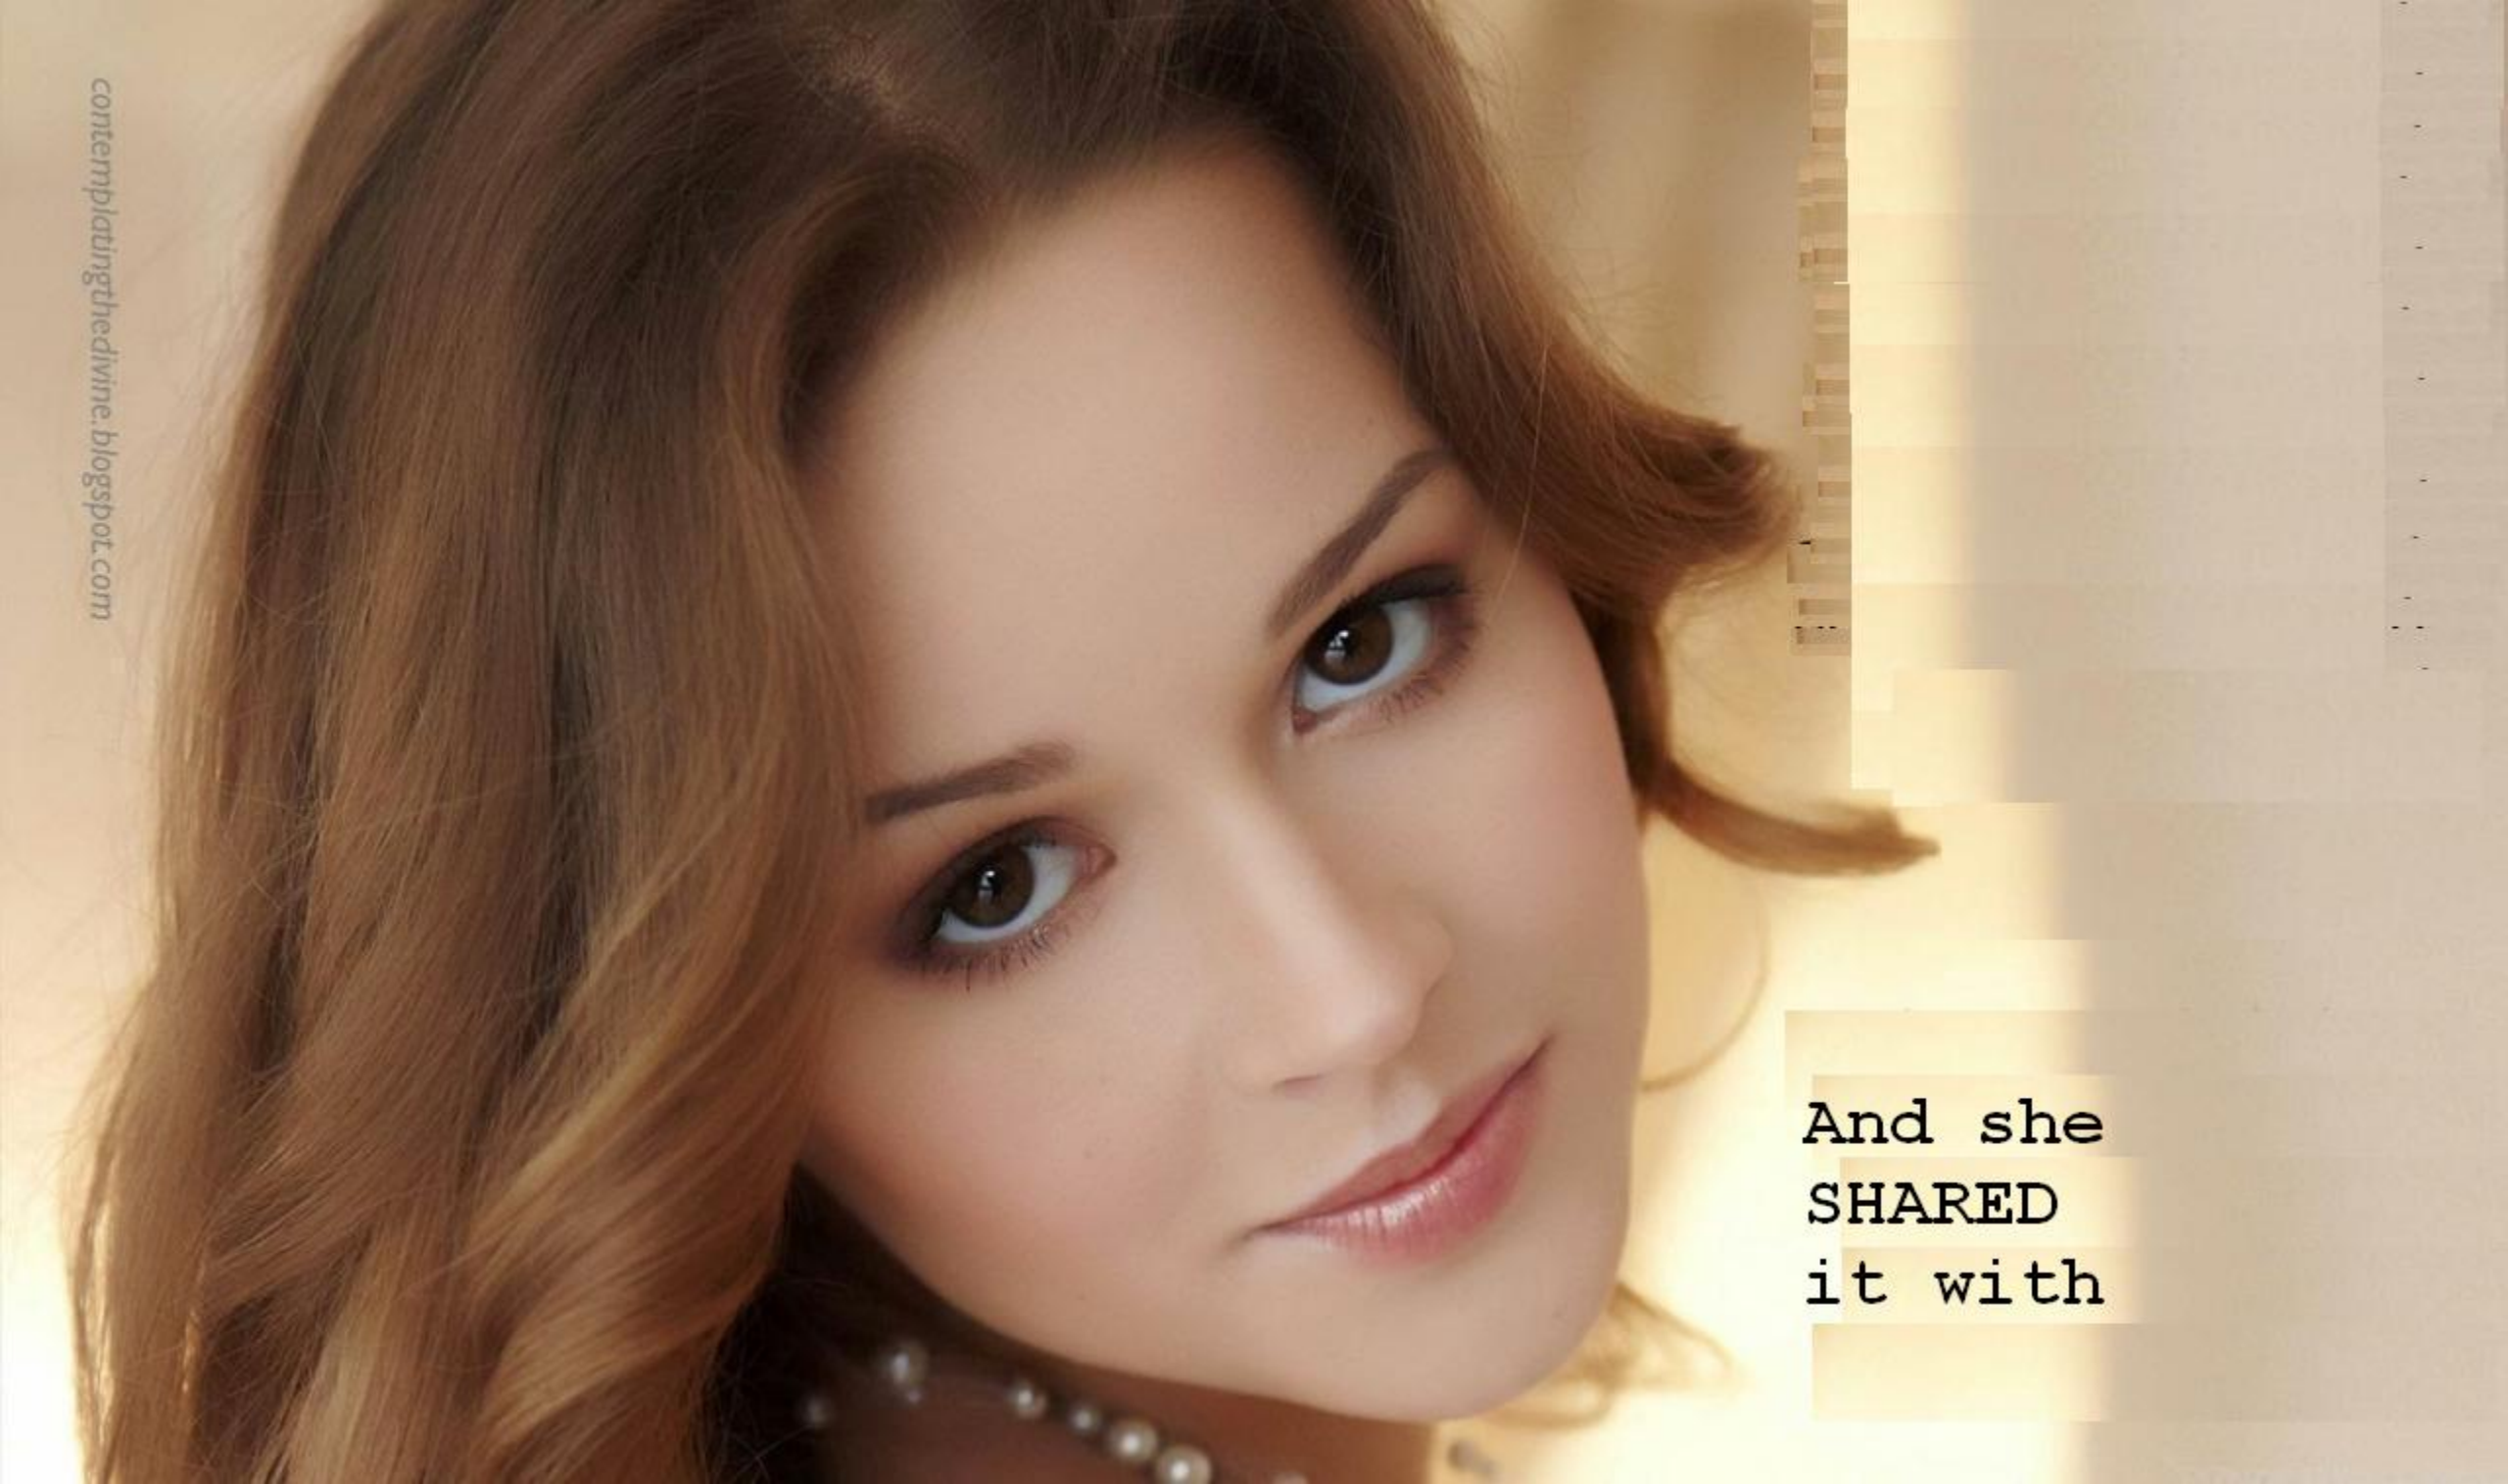

The End

And she
SHARED
it with

Margaret

Teresa

Kathy

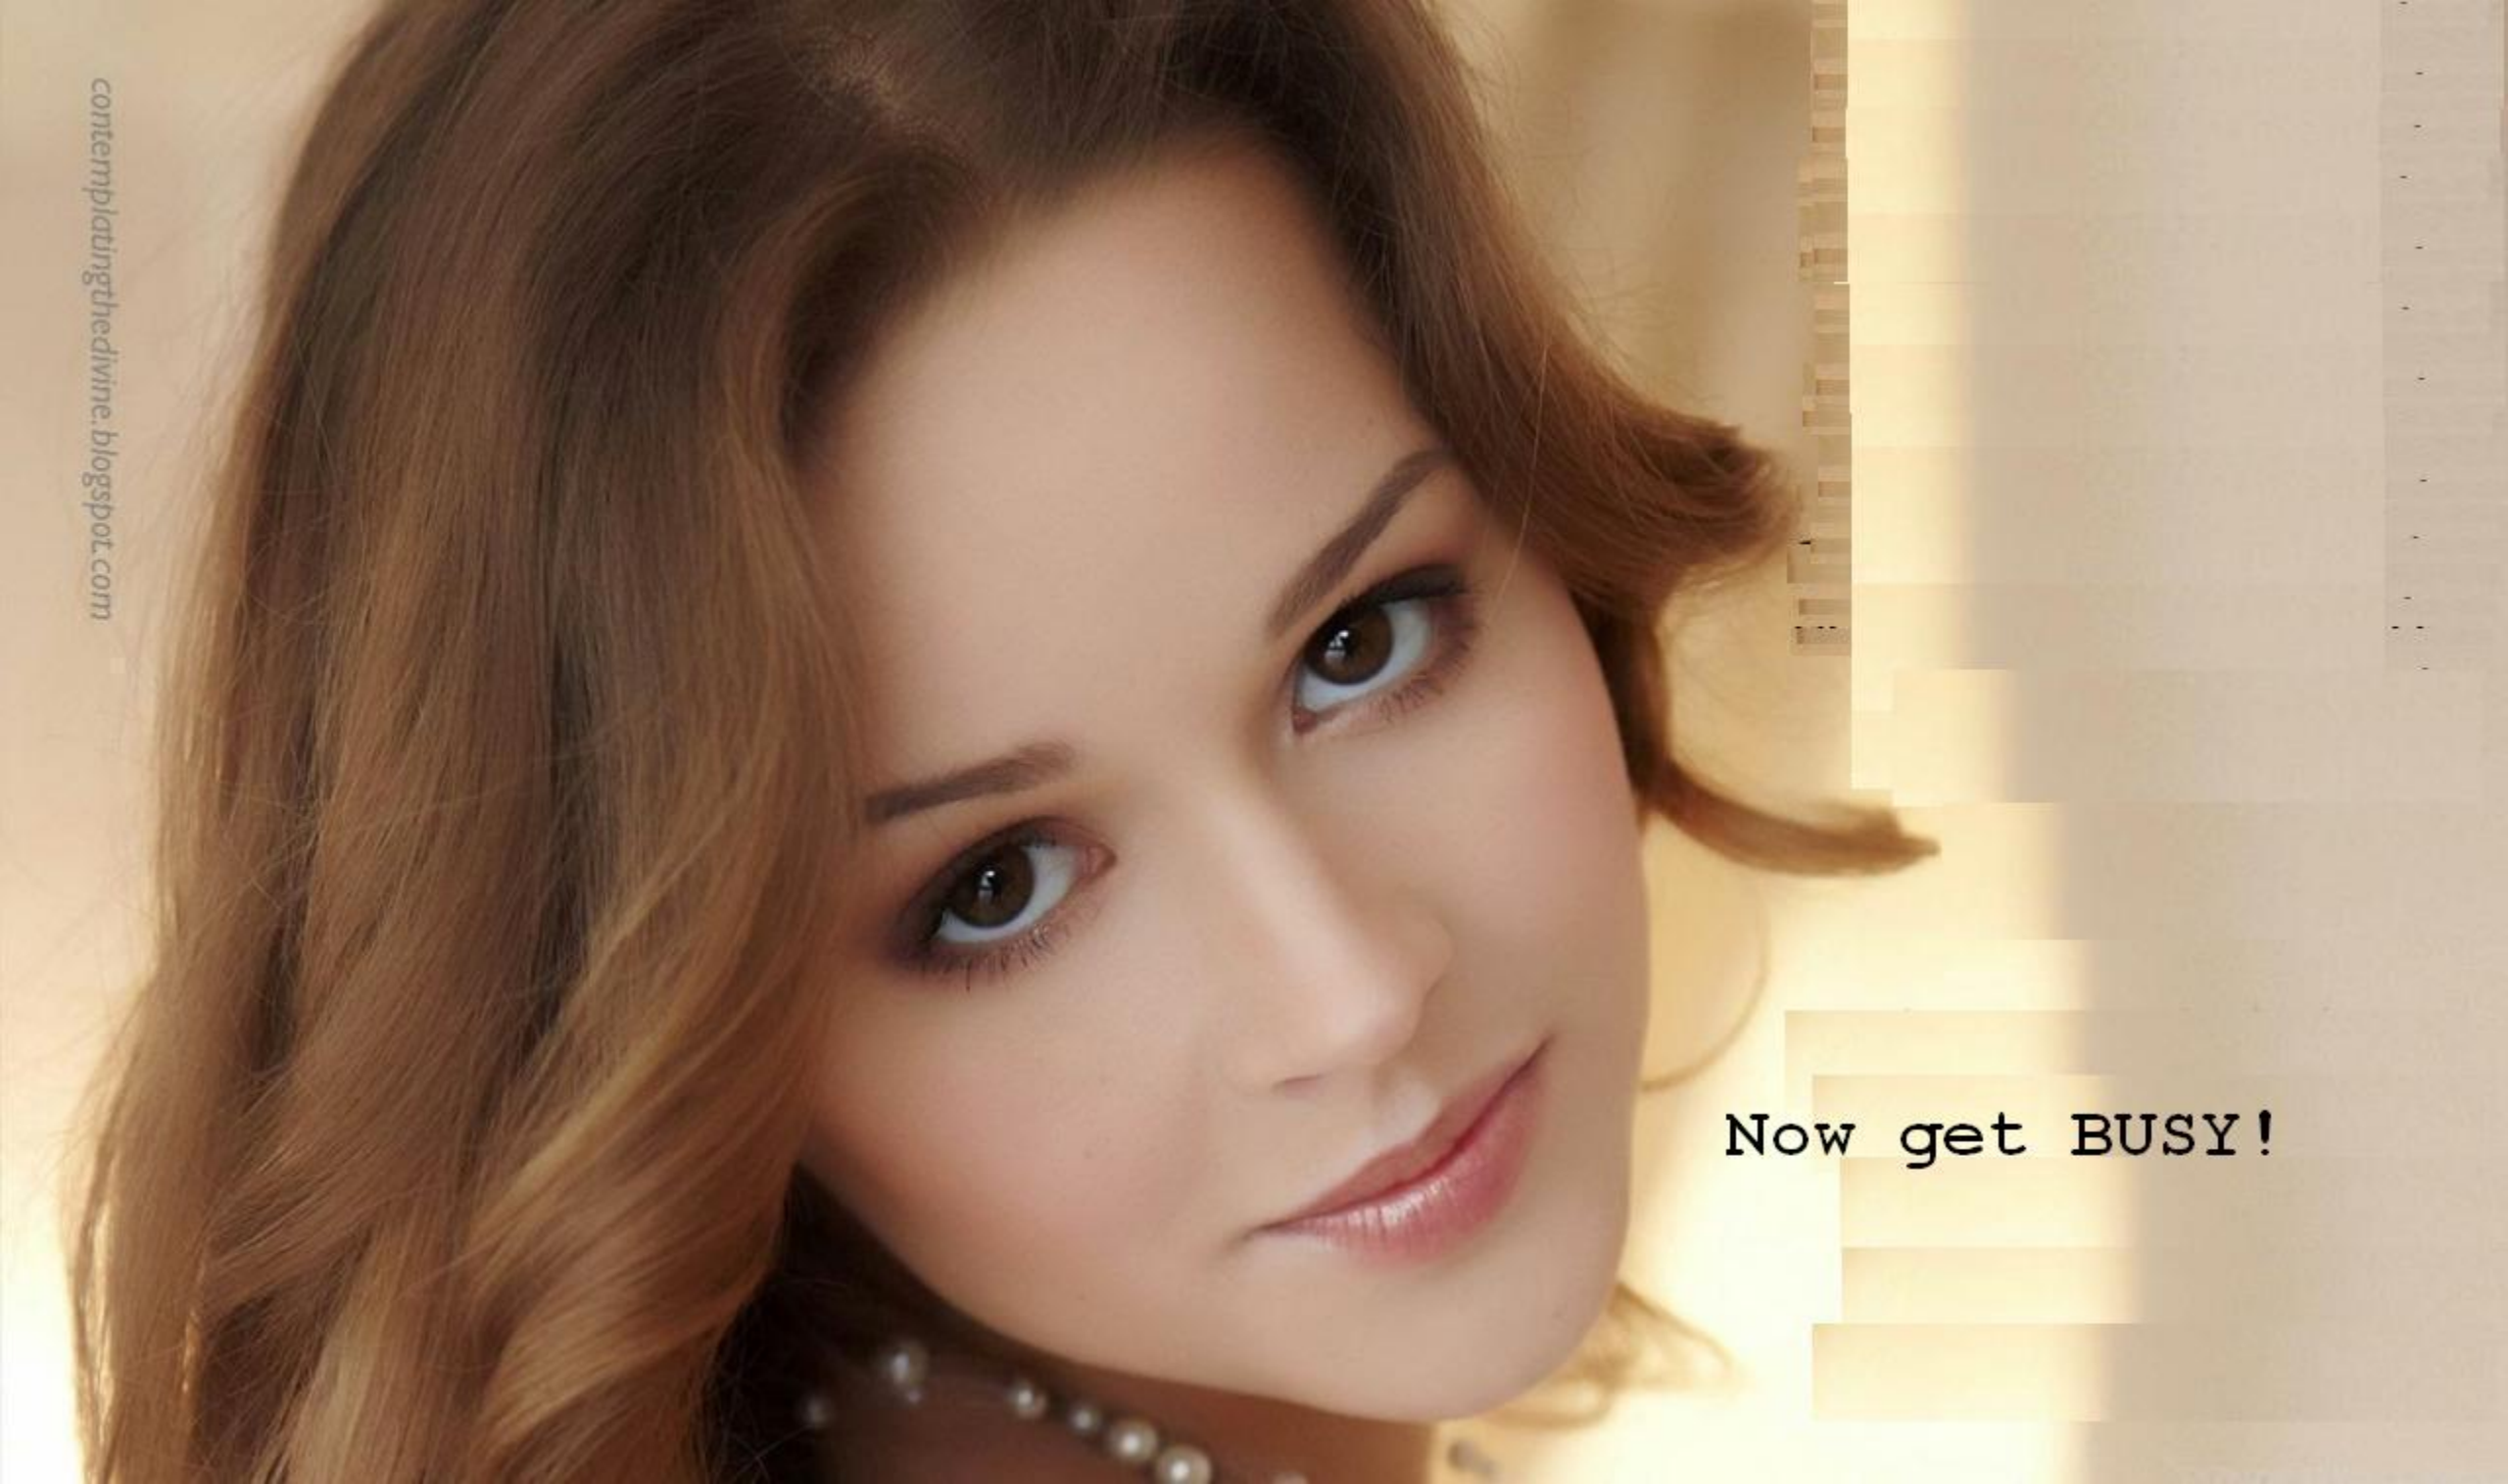

and Faye!

But don't
worry Honey,
I won't
humiliate you
like THAT!

I'm only going to
be out with my ONE
Girlfriend Pat,
but God she can't
WAIT to watch
YOU doing THAT!

Now get BUSY!
