

"YOU hear what you WANT to
hear! "

Has SHE said this to YOU?

Then read this story

and you will see

that what she say's

is TRUE!

When you
don't listen
to the things
we said

your ass gets
beaten red

but something
WORSE can
happen

when you
hear what we

"NEVER Said!"

"Mistress?"

WHAT,
slave?"

"May I jerk myself off
and come on my knees
for you tonight,
Mistress?"

"You haven't allowed
me to have any sexual
release for over
two weeks"

"and I need to come
really bad,
Mistress!"

You don't NEED
to come slave,

you WANT
to come!

And do we do what
YOU want to do,
slave?

"No
Mistress!"

Well slave,

you HAVE been
very obedient,

so I'll jerk you
off MYSELF as a
reward!

"Oh God,
THANK You
Mistress!"

Yeah Yeah Yeah, shut
up and finish my
nails!

"Yes
Mistress!"

OK, go put
my nail stuff
away and go
lay on my
bed,

I'll jerk
you off now!

**"YES
MISTRESS!"**

"OH GOD, PLEASE GIVE ME
PERMISSION TO COME
MISTRESS!"

"PLEASE!"

slave,
I SAID
that I'd
jerk you
off!

I NEVER
said
that I'd
let you
COME!

Now go
clean my
fucking
house,

and
SUFFER,
slave!

**"YES
MISTRESS!"**

The End

YEAH!

THAT hurts ALOT
more than
having your
ass whipped,

DOESN'T
it?
