

I want to have my WAY
with my new slave today
and he isn't "rising UP"
to the occassion as they
say

Then
how ARE
you going
to have
your WAY
with him
Eileen?

He's not
exactly
ERECT if
you know
what I
mean!

Sharon,
for a
woman to
have her
WAY with a
submissive
male,

there
is

"No Need"

for him
to BE
erect!

**NO need
at ALL!**

Honey?

Remember
that saying
you guys
have,

"You don't
fuck the
FACE" ?

Well, guess
WHAT?

some of us
dominant
women

DO!

DON'T we
Honey?

"YS
MSTRSS!"

Ooooh YES,
Honey!
We DO!

The End

And that's
how I
discovered
that who I
want for
a mate

is a male
who WANTS
me to
dominate!

A guy who'll
OBEY me
and let ME
have my way,

That's what
I WANT slave,

now what
do YOU
say?

It's alright!
You may speak!

" YES
MISTRESS ! "

VERY
Good!

That IS the
correct answer!
