

Yes, I'm sure it HAS been quite a while
since she let you come and wear a smile,
and I KNOW how hard it is a task
to even HAVE the balls to ask
fearful your balls will be her lunch
if you ask to let you come THIS month.
Yes, asking her CAN be a fright,
ESPECIALLY on HER date night!

There
really
never IS
a good
time,

to beg
your
Mistress
to let you
come for
her,

without
running
the risk
of her
punishing
you,

for
BOTHERING
her.

But don't
EVER do
it on
her Date
Night,

because
she MIGHT
say,

"Oh, OK!"

and
decide
to take
you WITH
her!

Like THIS girl did!

Yes, you may speak. But
make it quick, we have to
leave for my date in
a little while!

Yes, I KNOW that serving me
gets you all excited.

I guess it HAS been a
long time, hasn't it?

You don't NEED to, You
WANT to! There's
a difference!

It's not like your balls
are going to
EXPLODE if
you don't
COME.

I KNOW you'll
do it
yourself
Honey!

Because I'M not going
to have
sex with
you,

OR let you come
in my
mouth!

And there's no WAY
that I'M
giving you a
hand job,
either!

So, YES, if I decide
to be nice
and I
DO let
you
come
for
me,

YOU sure WILL be
doing it your
self!

MY question is HOW?
What would humiliate
you
the
MOST?

I COULD make you stand at
rigid ATTENTION
in front of
me and make
you jerk off
for HOURS
before I let
you come

so you could
keep me nice
and horny for
my boyfreind
all night,

OR I could have you on
your KNEES while you
spend HOURS
jerking
off and
BEGGING
me to let
you
come

while you're
watching my
boyfreind
make love
to me
tonight,

OR I could just say NO
and I can
make you
suffer for
ANOTHER
month
without
coming

and STILL make
you jerk off
while he's
making
love to
me!

But that
WOULD be
cruel,
wouldn't
it?

Well we
have to
get going.
Put your
ball leash
on and get
in the car!

I'll decide
what I want
you to do
after we GET
to my
boyfreind's
house!

OK
slave?

"YES
MISTRESS!"

The End

Like
I SAID,

there's
NEVER
a good
time,

for
YOU,

to bother
her to
let you
come,

but it
sure looks
like Date
Night,

is a
GREAT
time
for HER!

Huh?
