

Once upon a time his Mistress went  
on vacation

and left her slave with her friends  
so there'd be NO masturbation

And to show  
he won't come  
without HER  
permission,

even when she  
leaves him  
ALONE,

we're gonna  
test him HARD  
and LONG

while she  
WATCHES

**"On Her Phone!"**

**The End**

A woman with long brown hair is shown in profile, looking down at a smartphone she is holding. She has a slightly sad or disappointed expression on her face. The background is a bright, out-of-focus indoor space with white walls and a blue object visible in the upper left.

NOT quite YET  
my Dear!

A close-up, profile shot of a woman with long, wavy brown hair. She is looking down at a black smartphone held in her hands. Her expression is one of pleading or desperation, with her lips slightly parted and her eyes looking down at the screen. The background is a bright, out-of-focus indoor setting with white walls and a blue light source, possibly a window. The text "I want you to make it FIVE more minutes!" is overlaid on the image in a typewriter-style font.

I want you to  
make it FIVE  
more minutes!
