

As soon as he walked in after school  
his Wife Mistress Claire

said "Hold it RIGHT there, and  
ASSUM\$E the position by that chair!

I got a call from the teacher you  
call Mistress Laurie

so stand there and be QUIET while  
I tell you that story!

Once upon a time  
Mistress Mc Cord  
wrote a question for  
her class

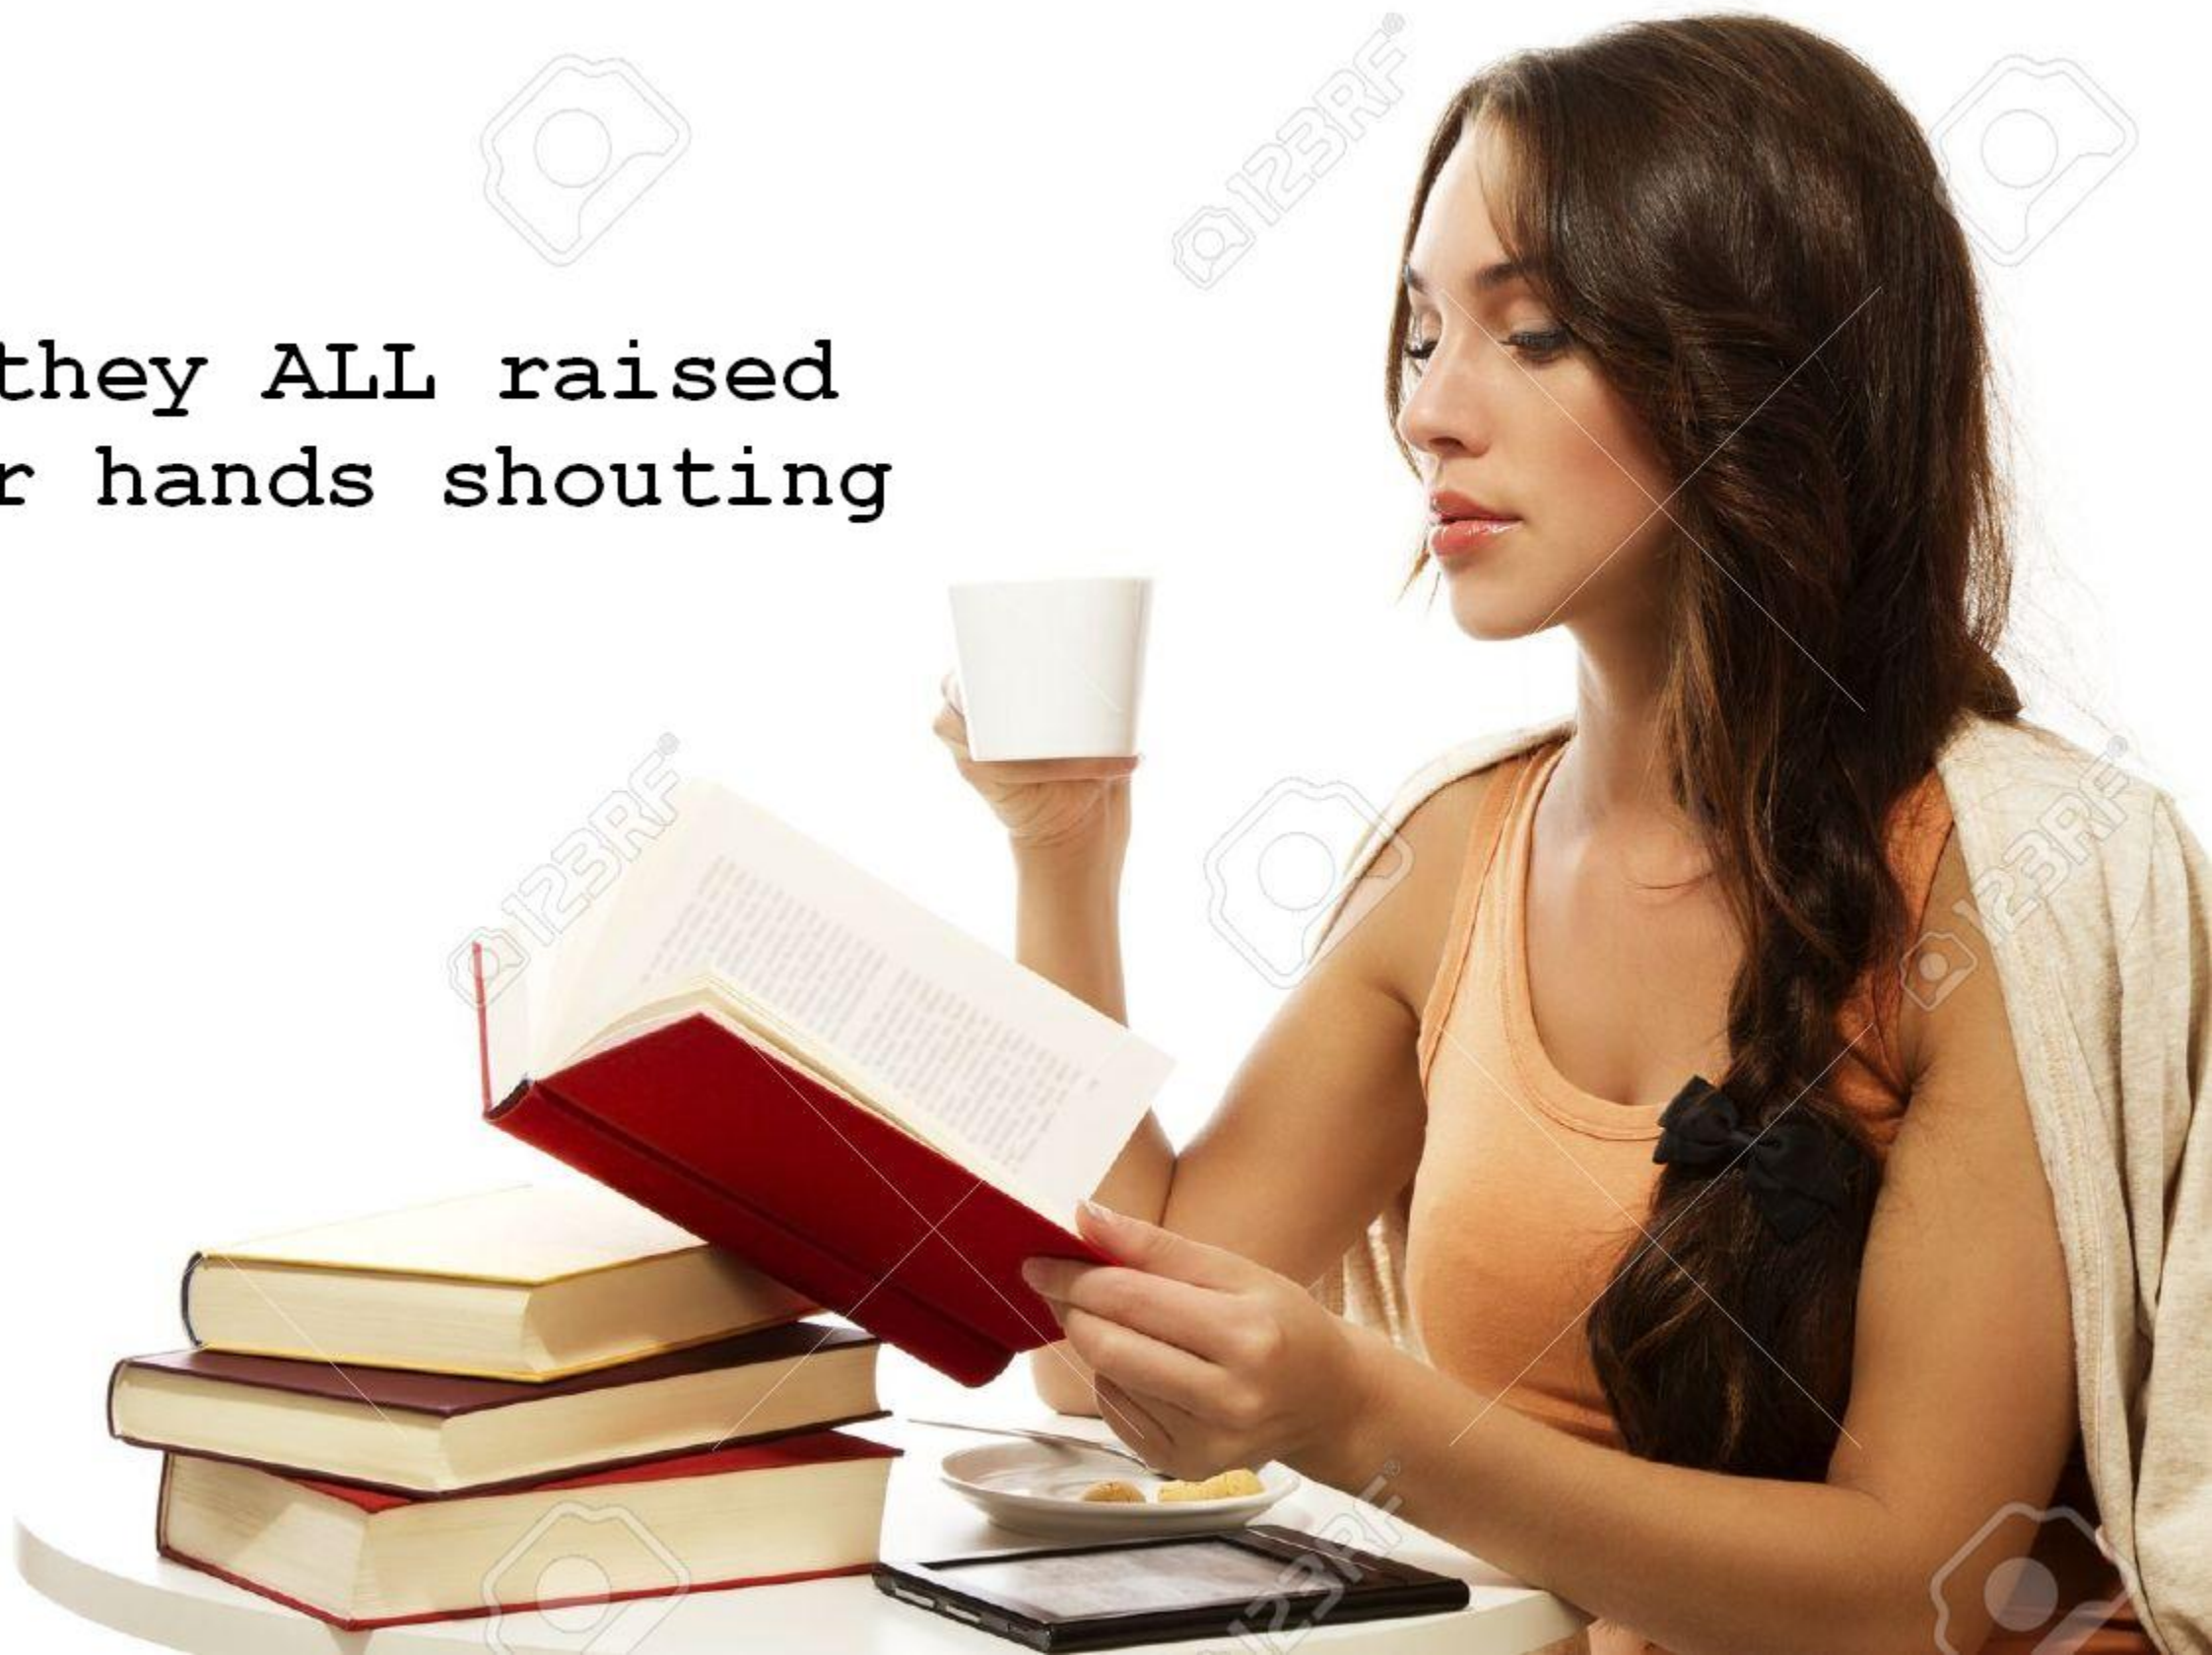

**"On The Blackboard!"**

If you need a  
good, hard  
spanking...

Please raise  
your hand.

And they ALL raised  
their hands shouting

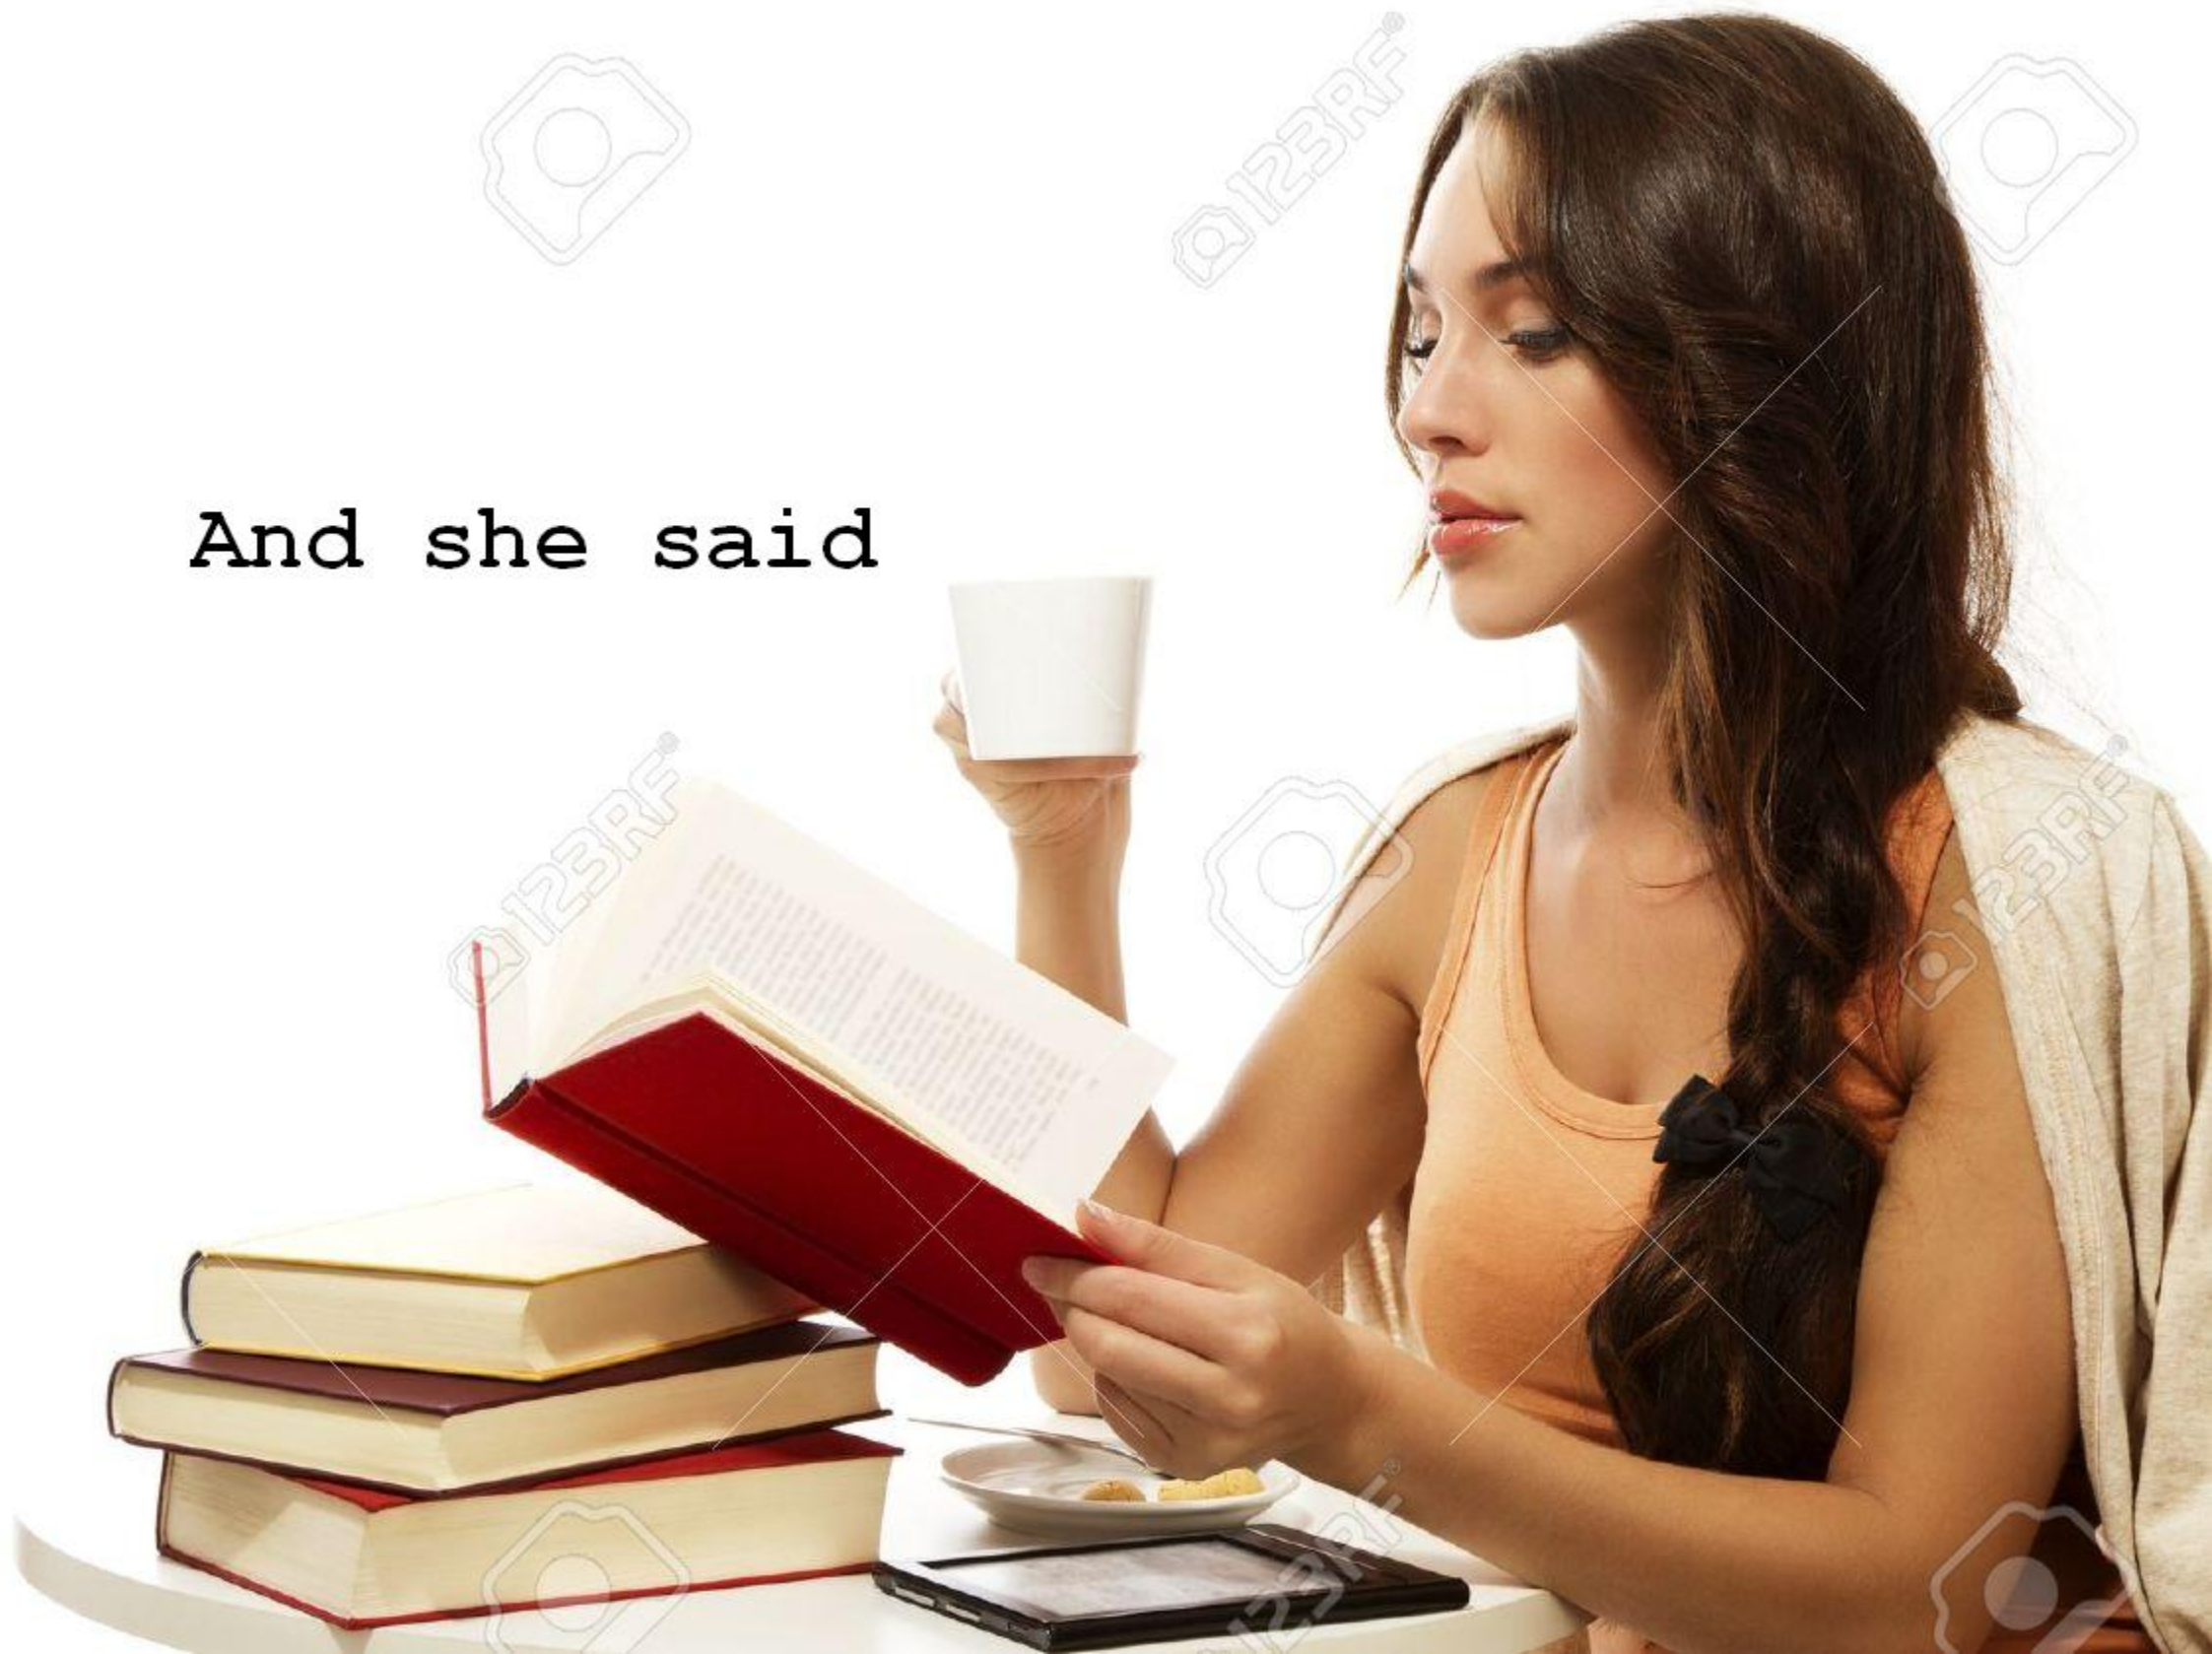

If you need a  
good, hard  
spanking...

Please raise  
your hand.

**I DO MISTRESS !**

And she said

If you need a  
good, hard  
spanking...

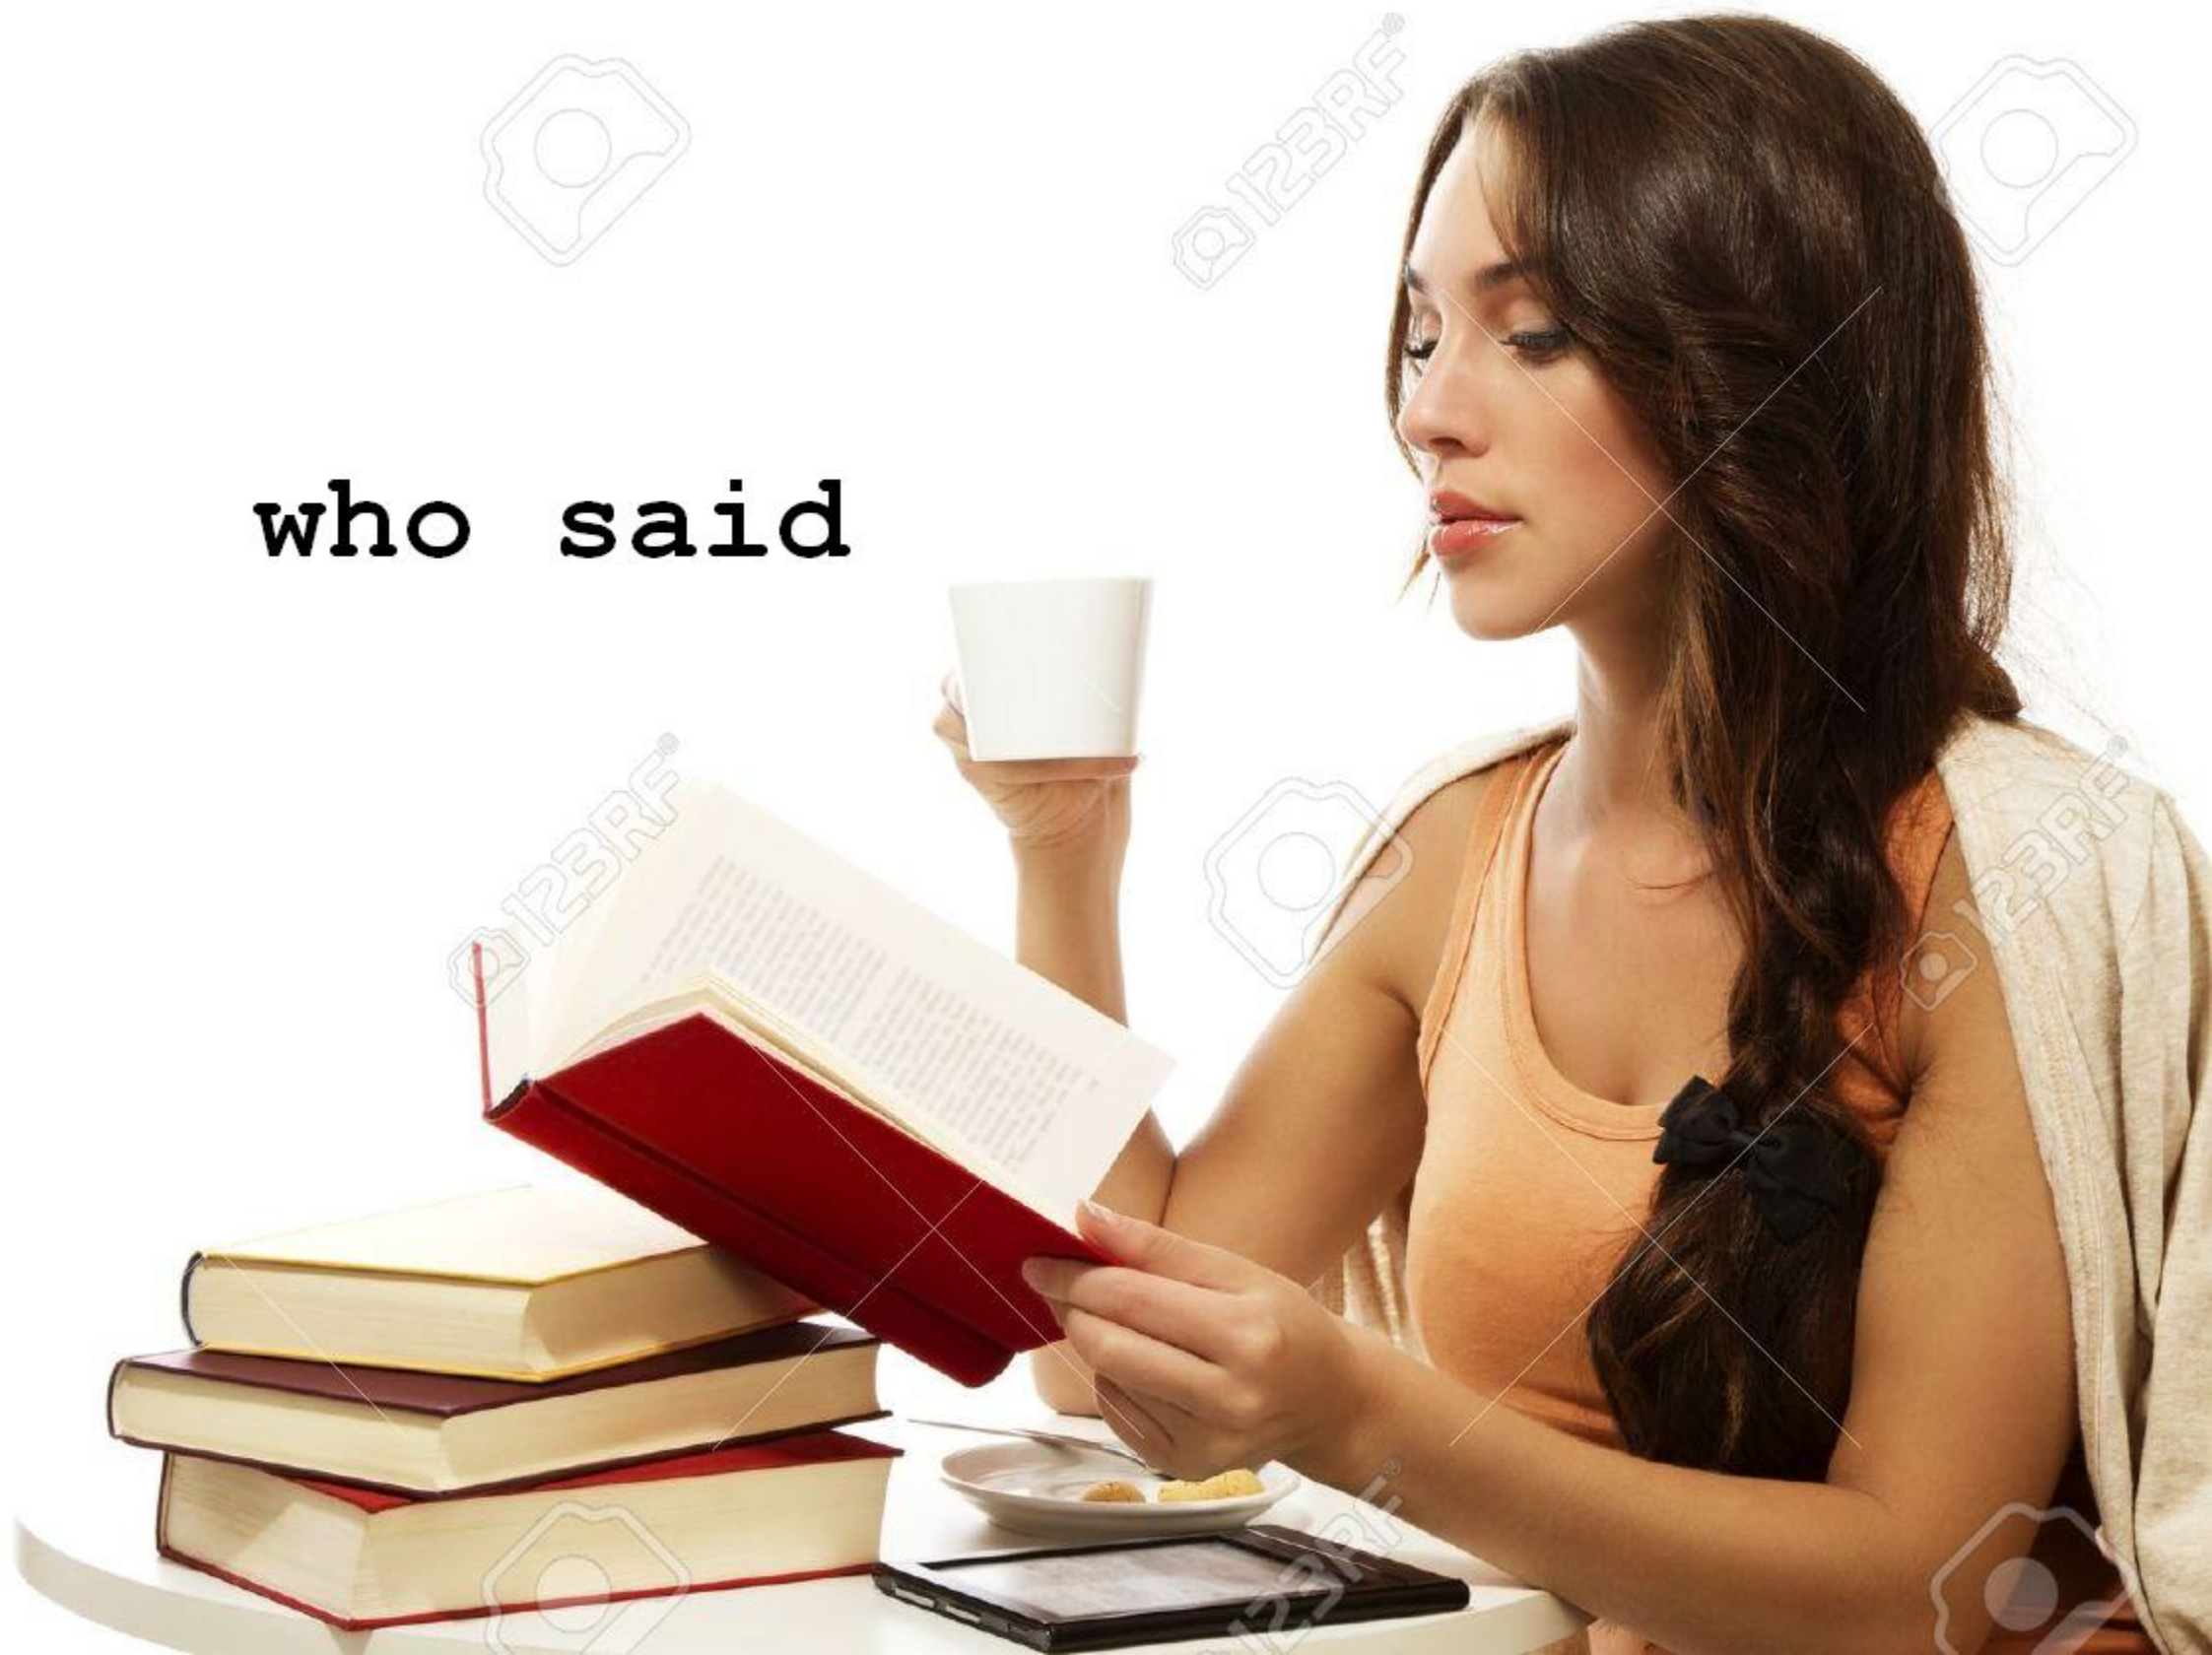

Please raise  
your hand.

Then  
you'll ALL  
spend the  
next HOUR  
with my  
friend  
Mistress  
Chris!

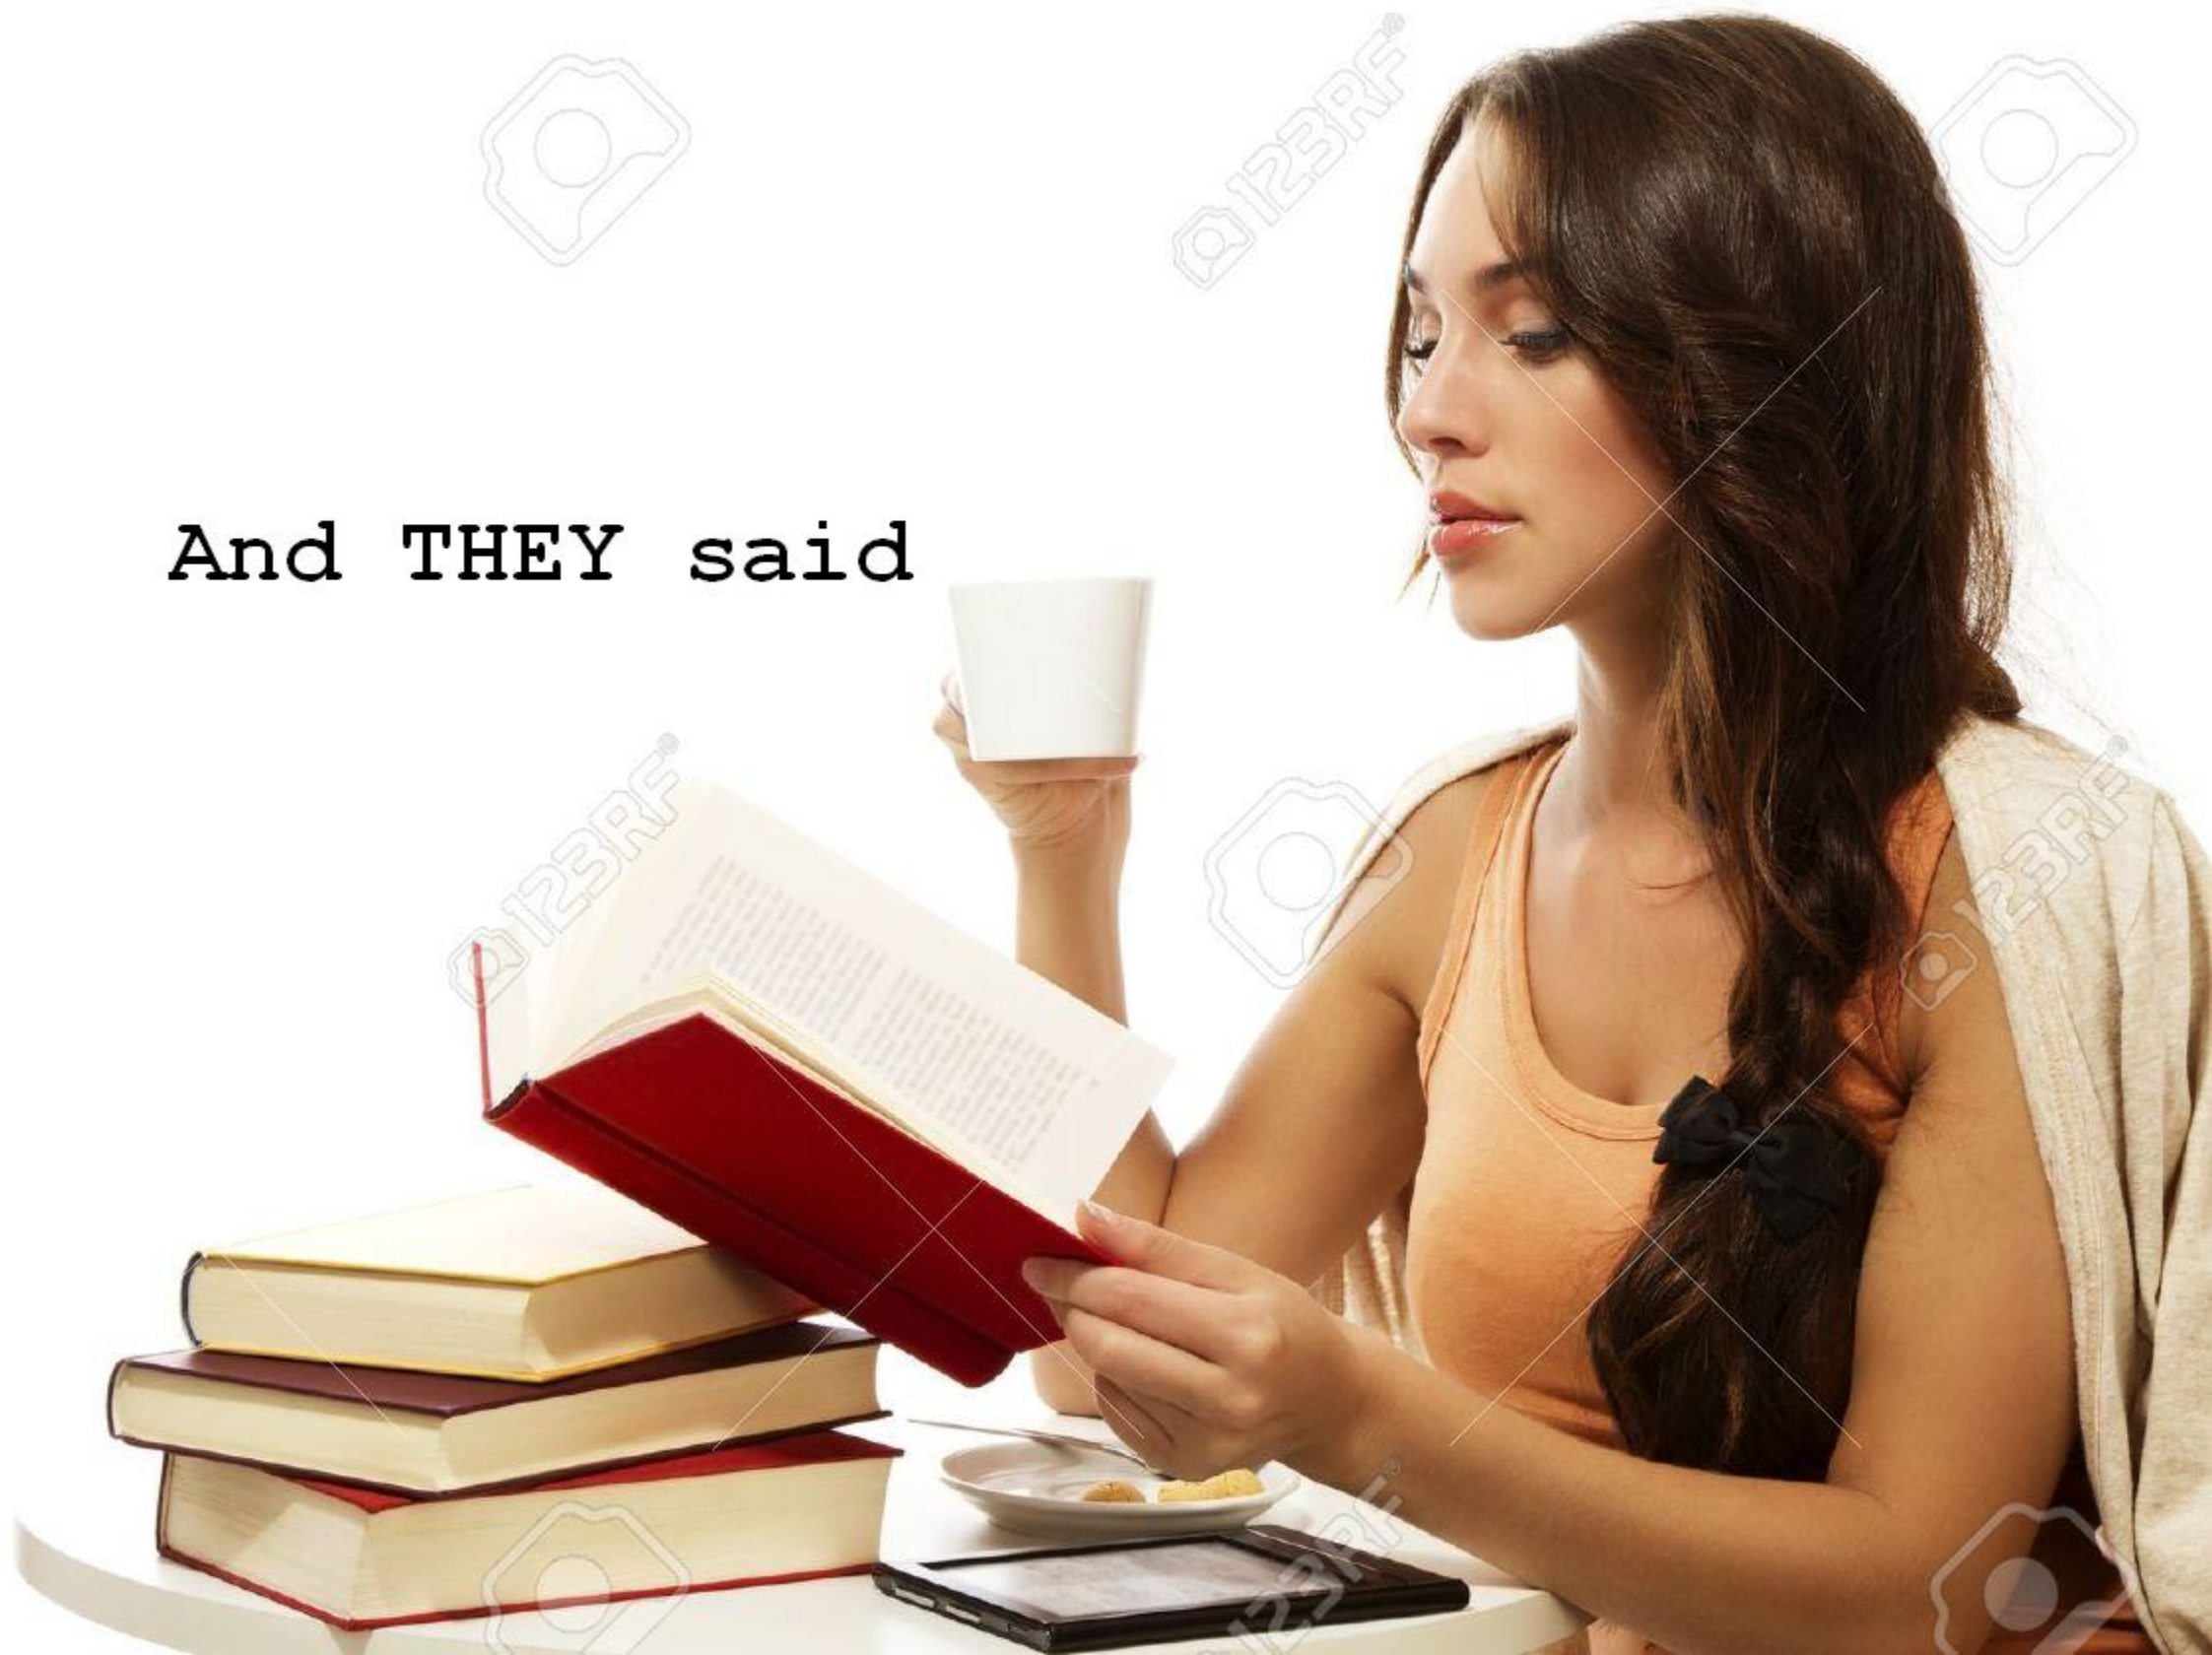

who said

Assume the  
POSITION  
boys!

And THEY said

YES  
MISTRESS!

YES  
MISTRESS!

YES  
MISTRESS!

YES  
MISTRESS!

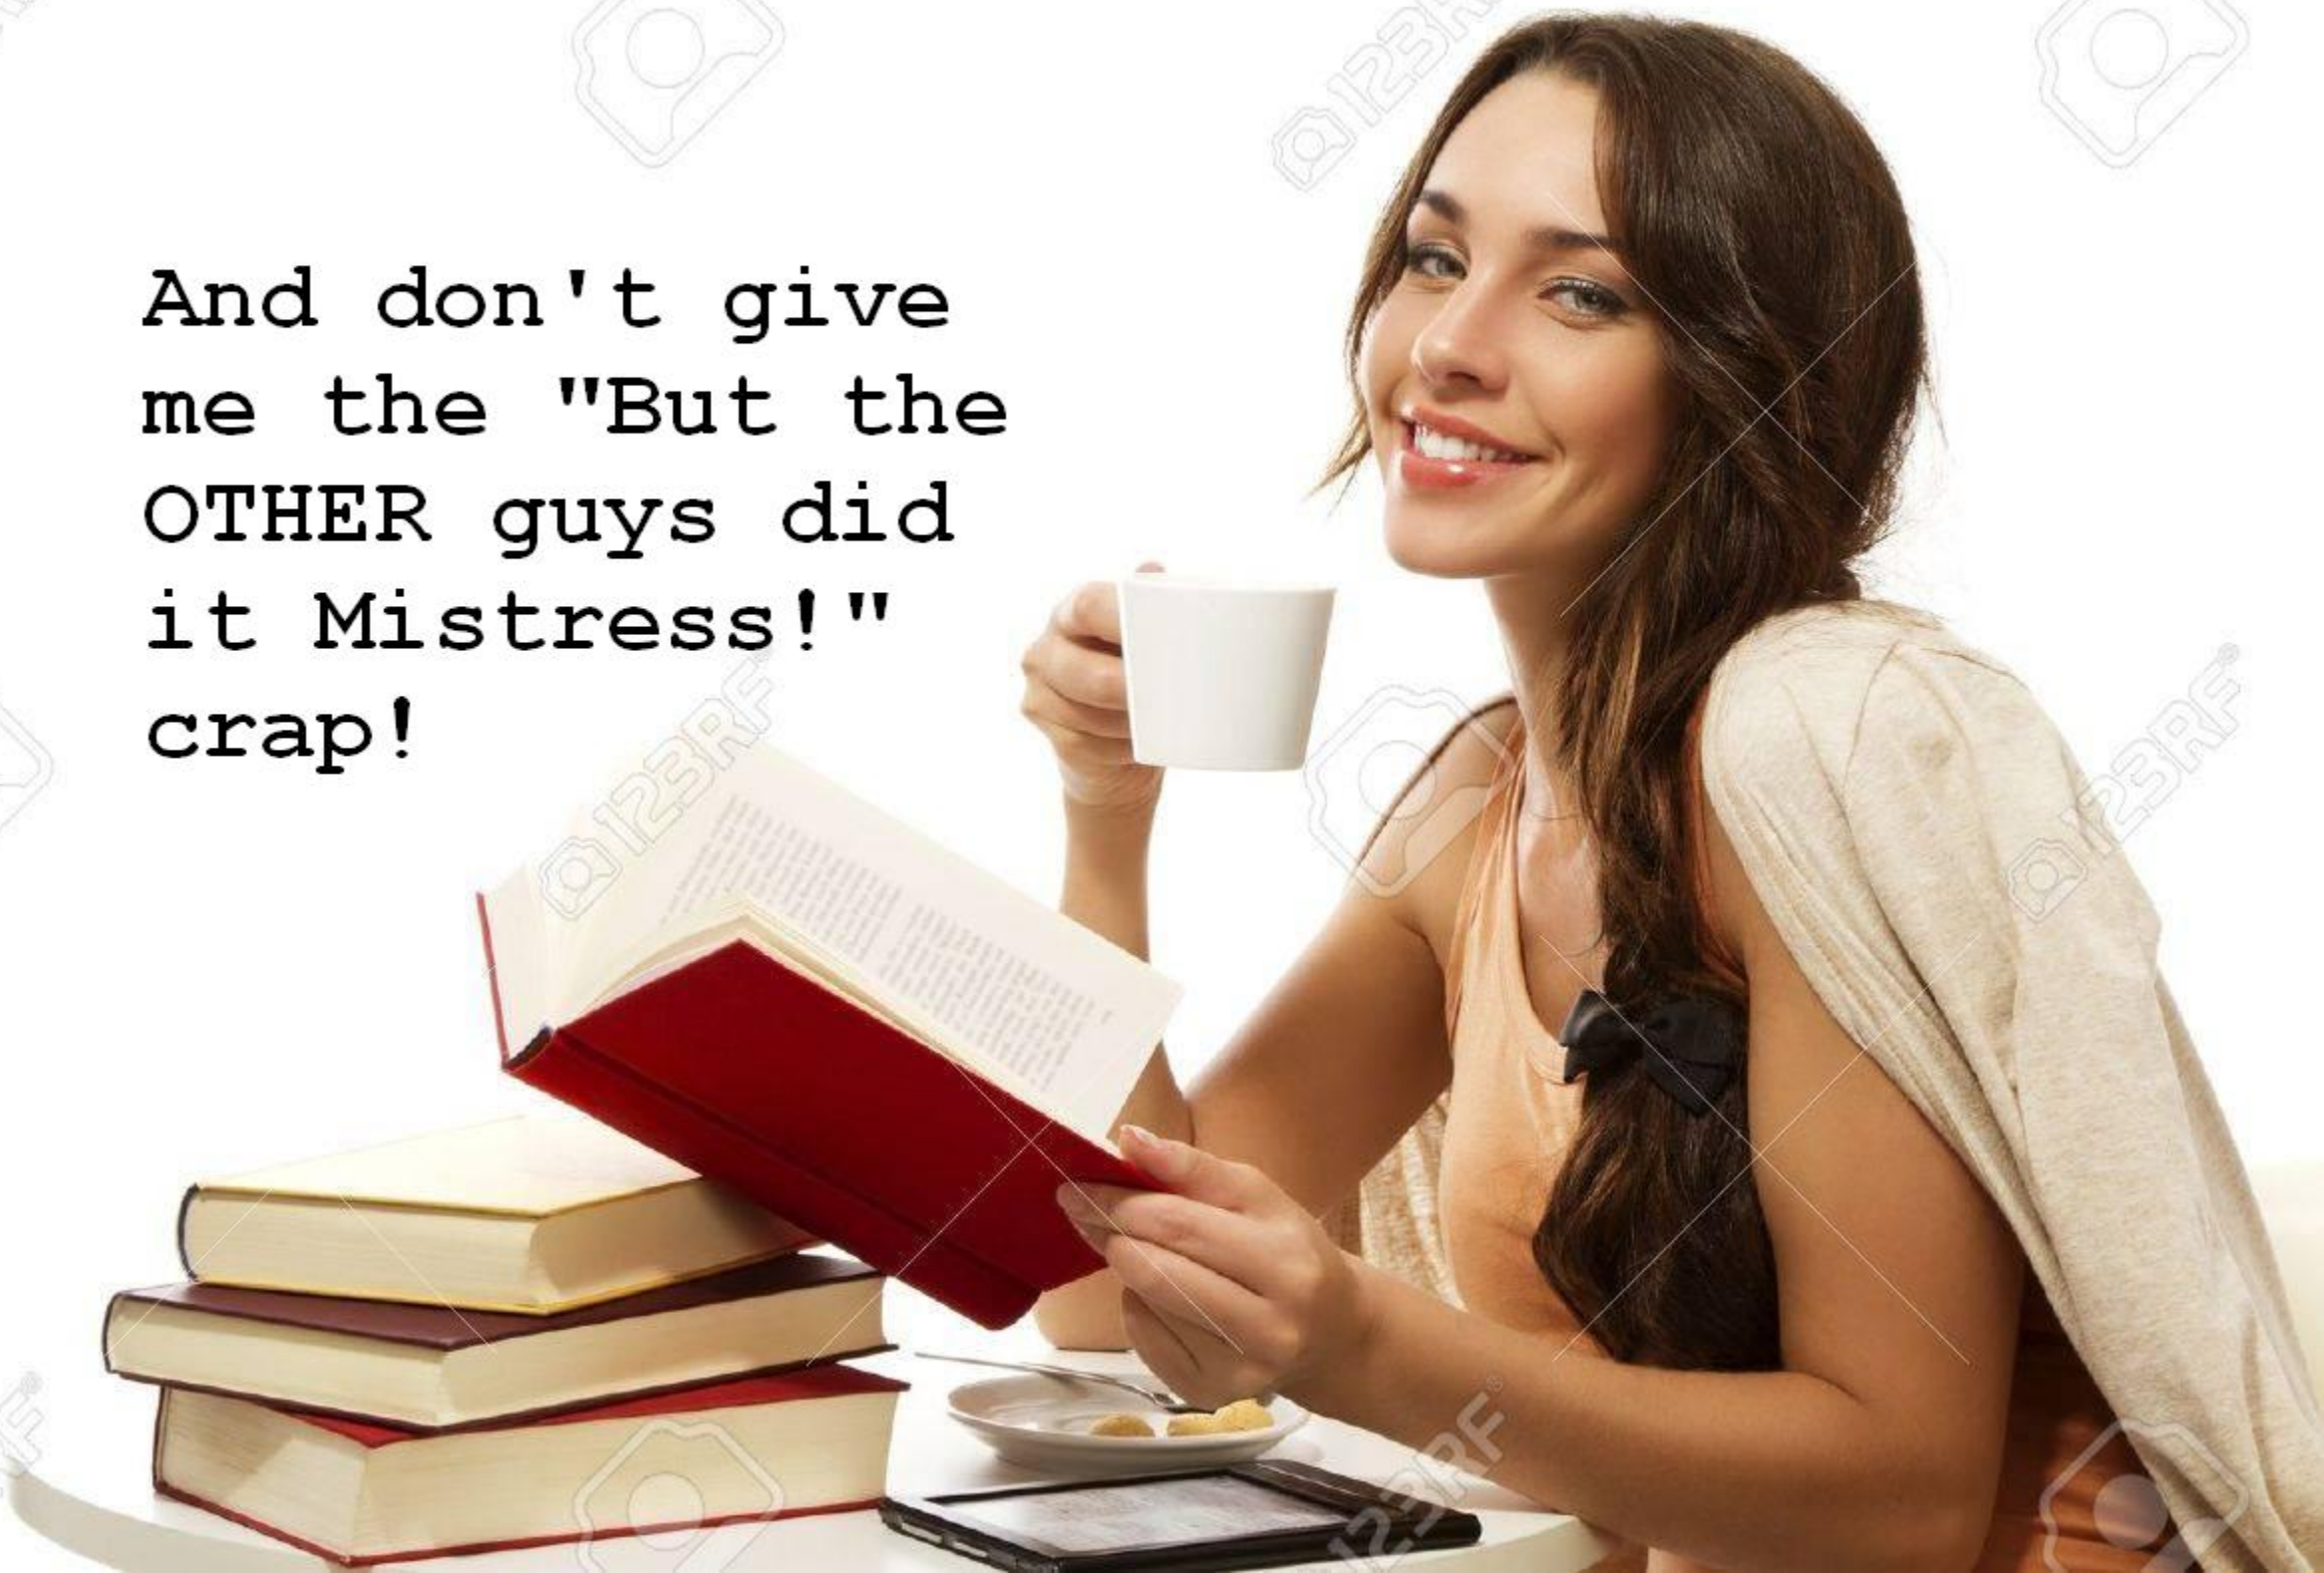

**The End**

And YOU raised  
your hand!

And don't give  
me the "But the  
OTHER guys did  
it Mistress!"  
crap!

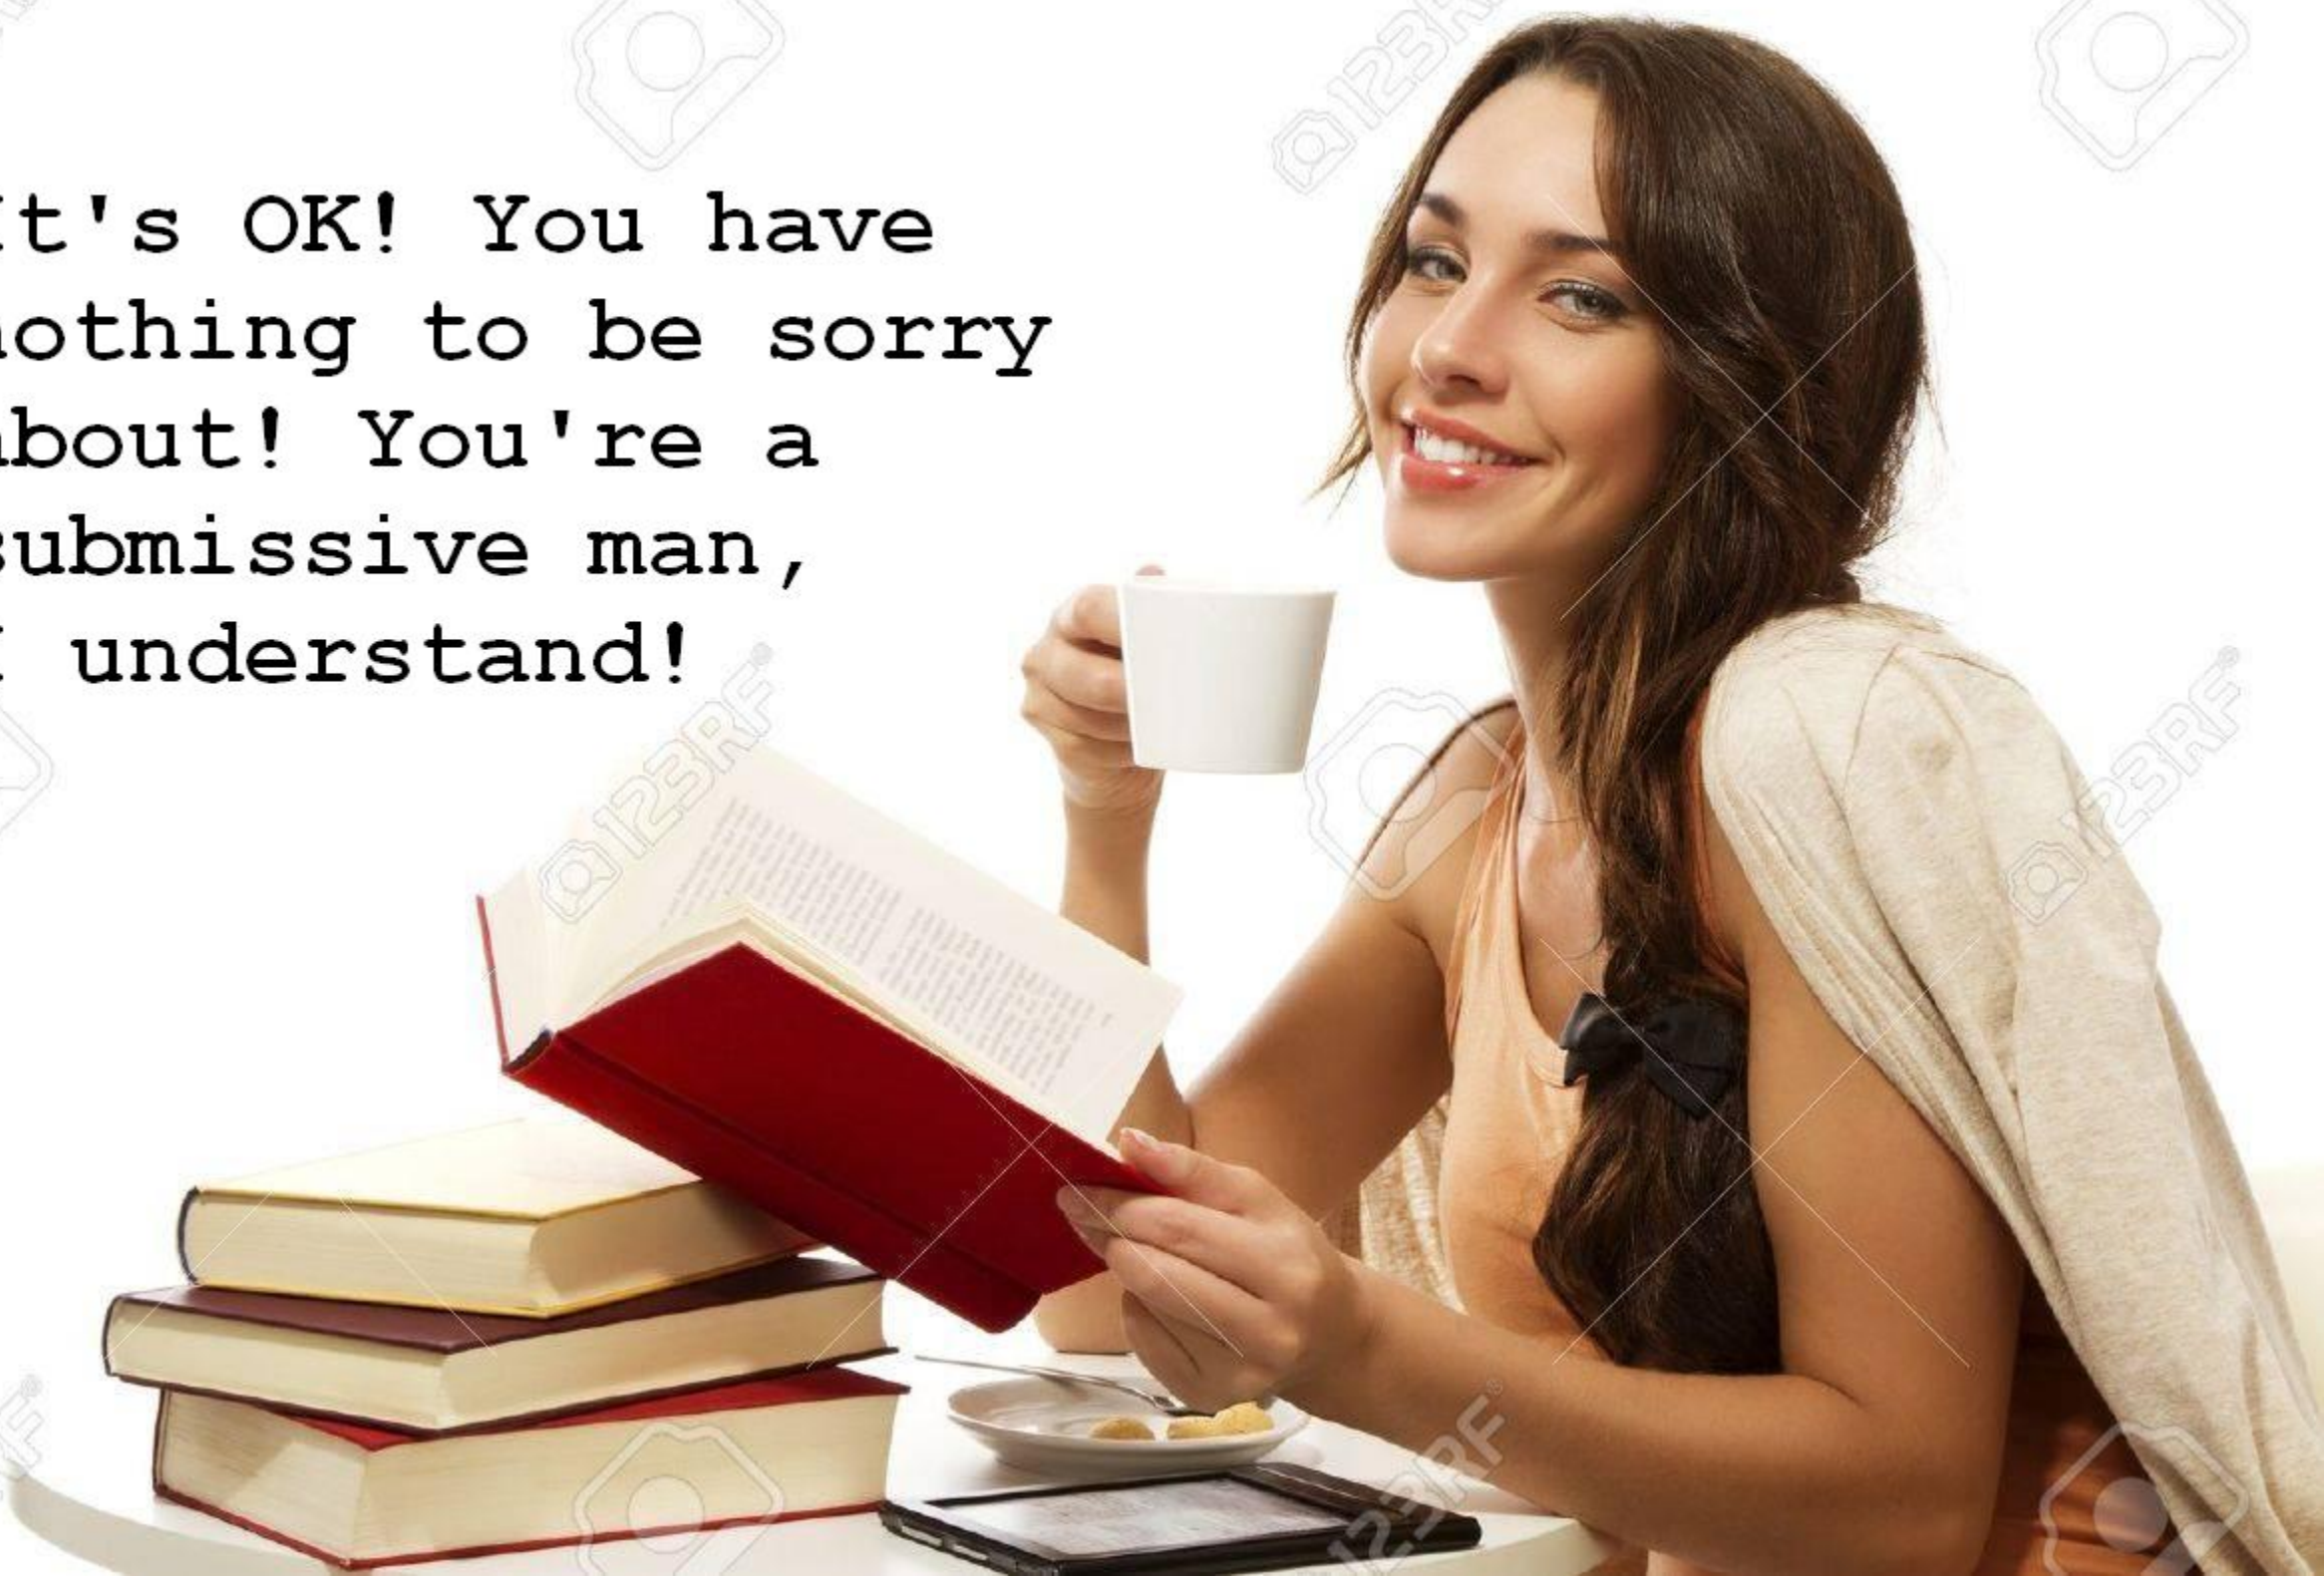

You actually WANTED  
and you NEEDED so  
badly to HAVE a good  
hard spanking from  
Mistress Chris!  
DIDN'T you?

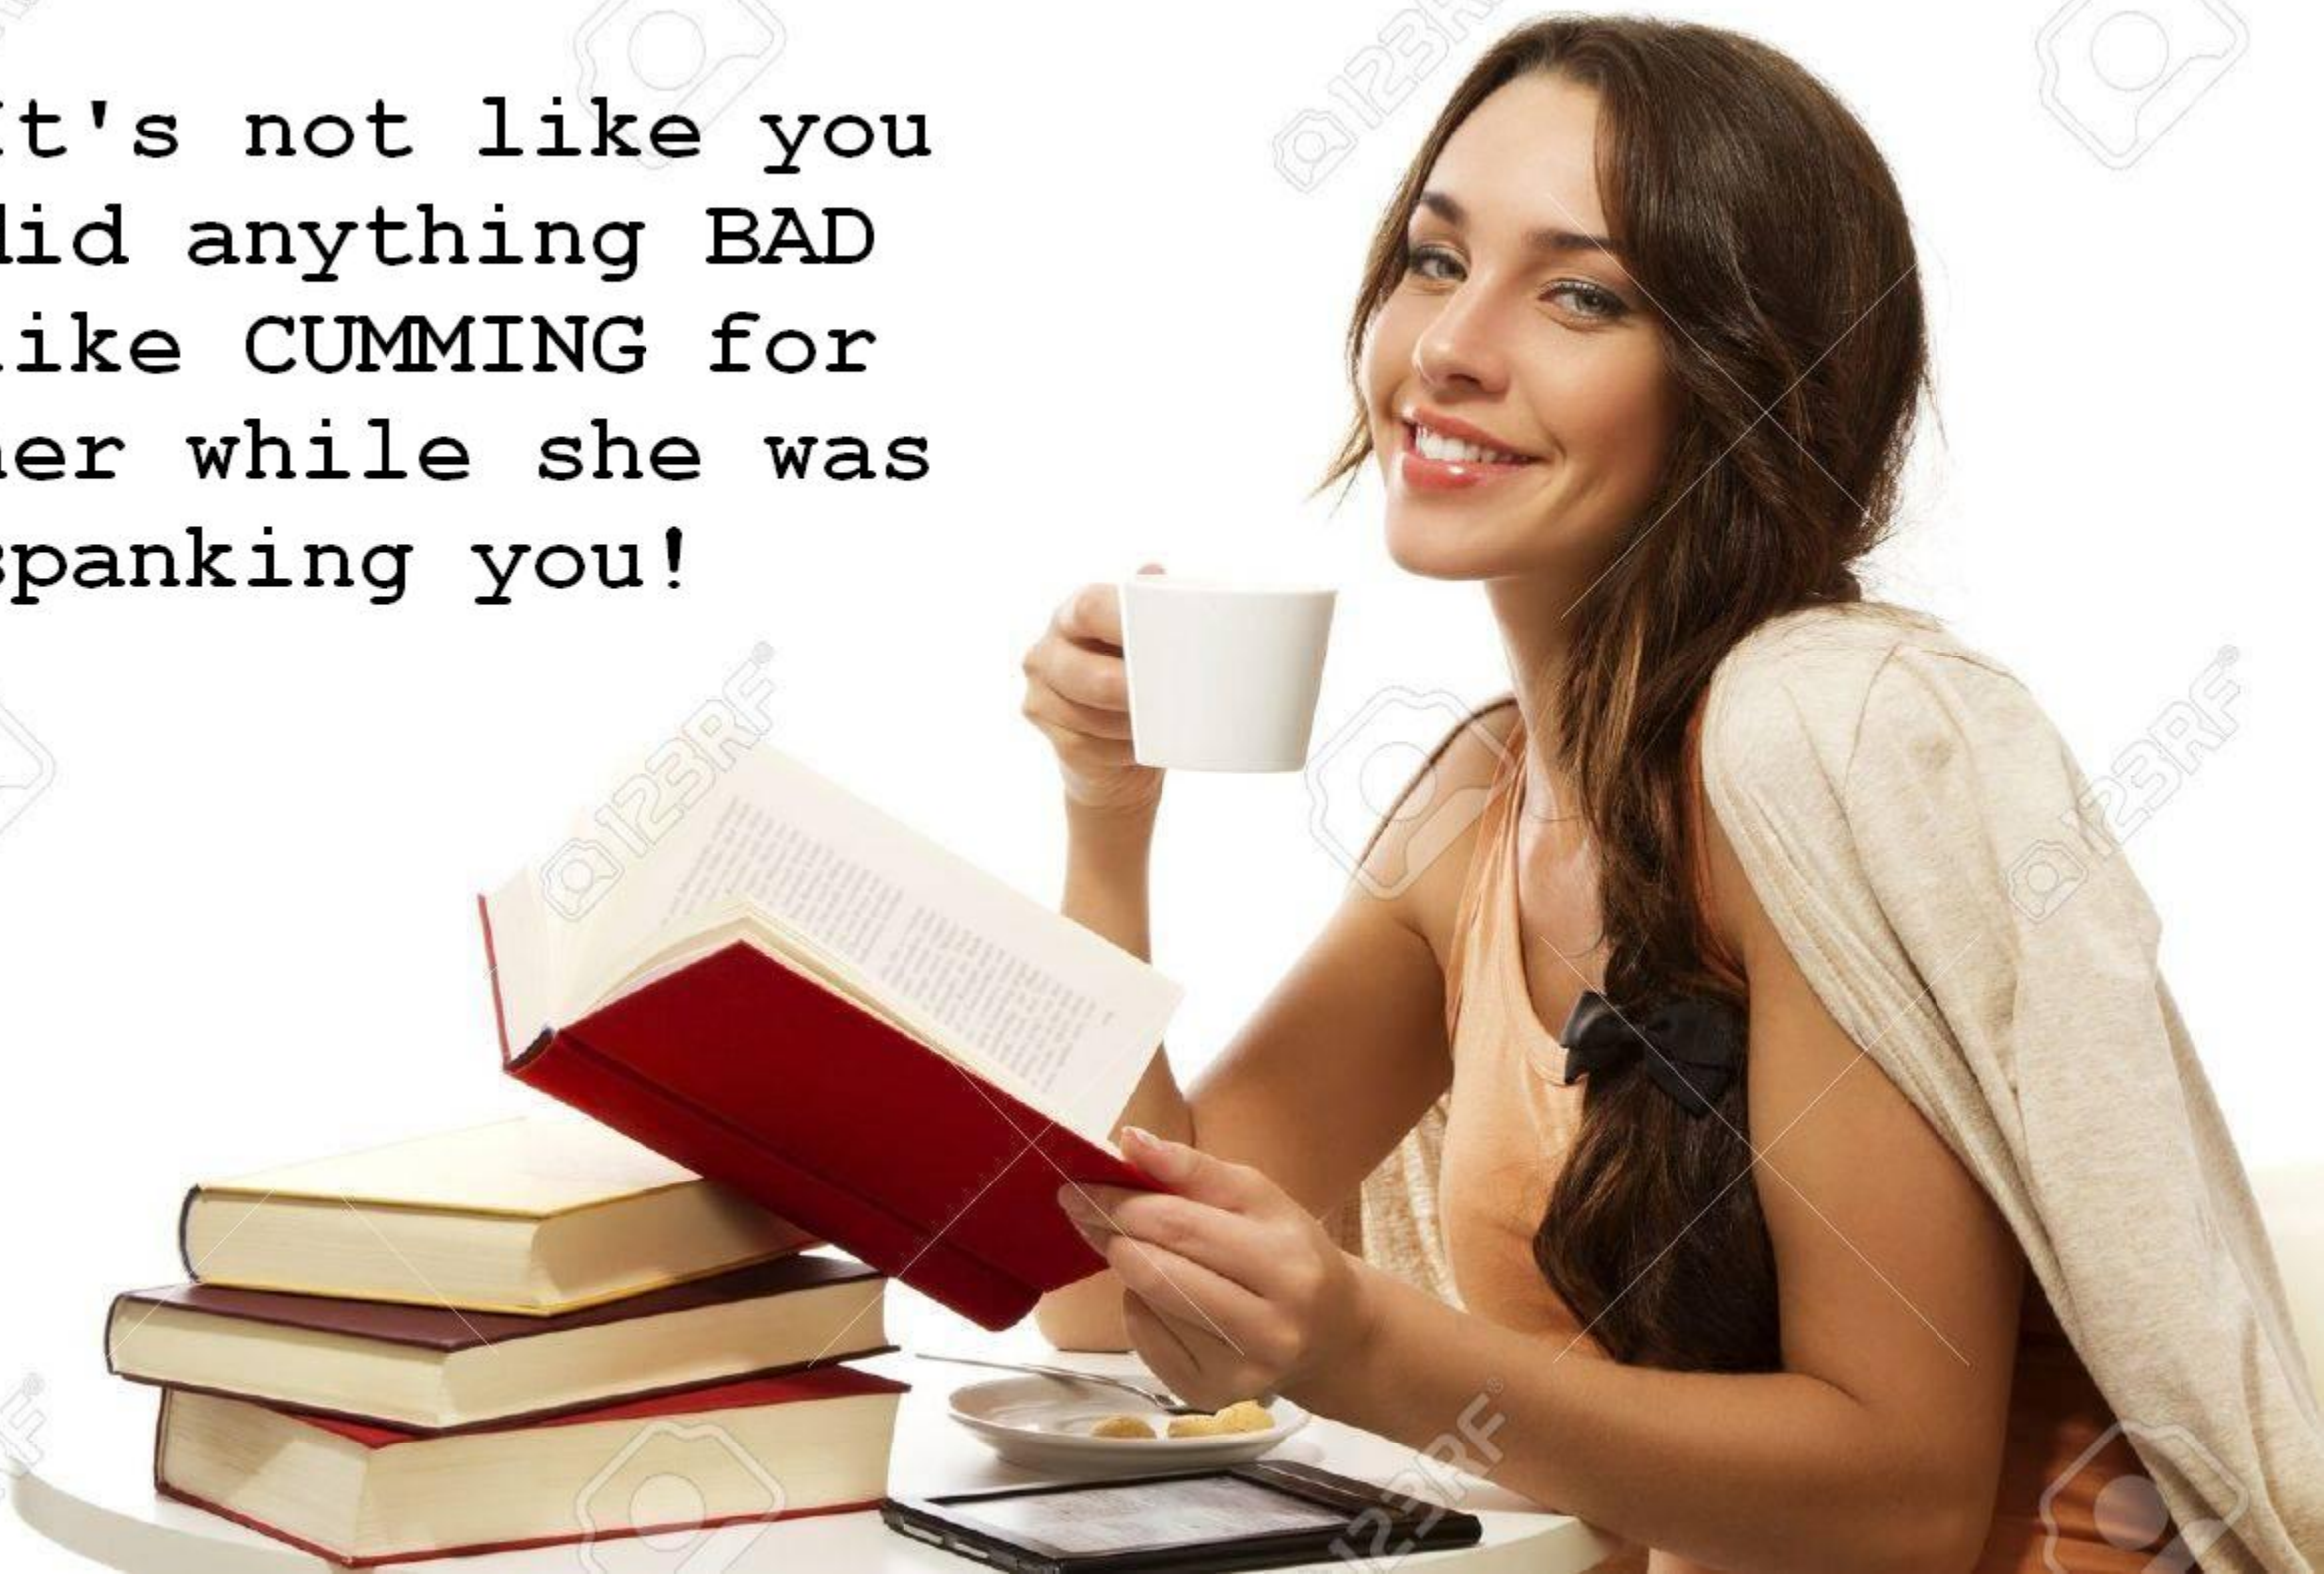

YES MISTRESS!  
I'M SORRY  
MISTRESS!

It's OK! You have  
nothing to be sorry  
about! You're a  
submissive man,  
I understand!

It's not like you  
did anything BAD  
like CUMMING for  
her while she was  
spanking you!

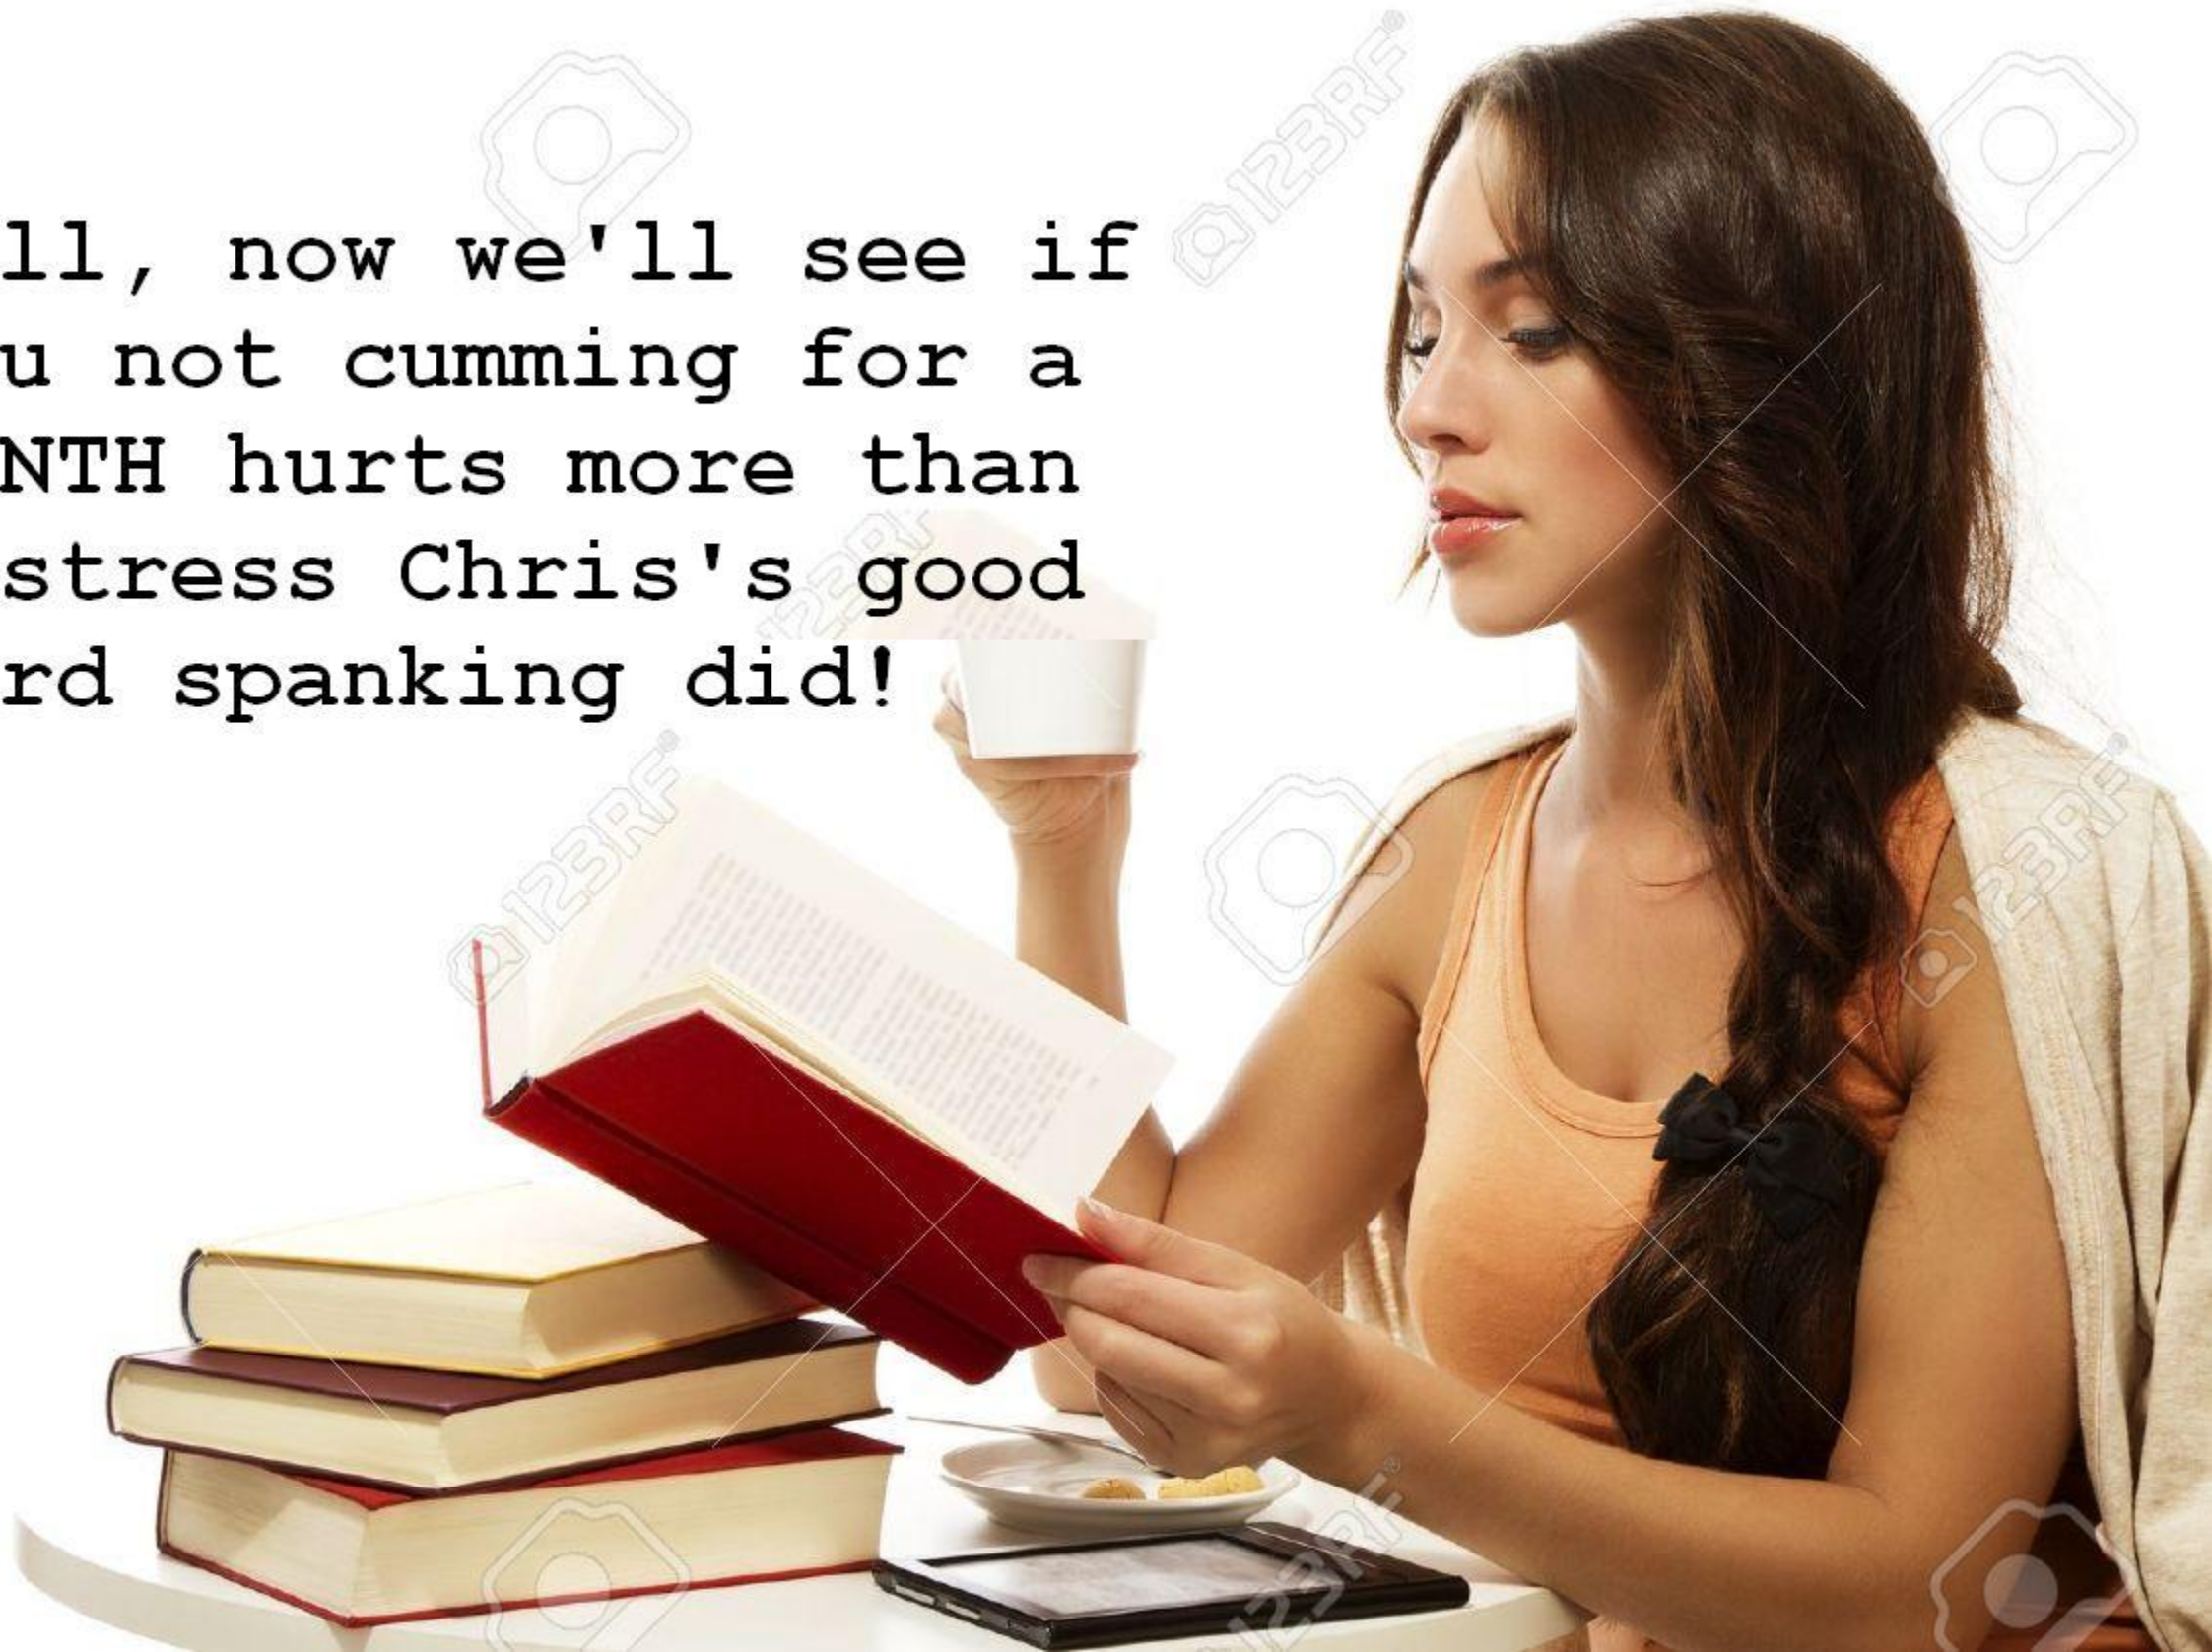

Yes Honey, your  
teacher told me how  
good you were!  
Did it HURT?

YES MISTRESS!

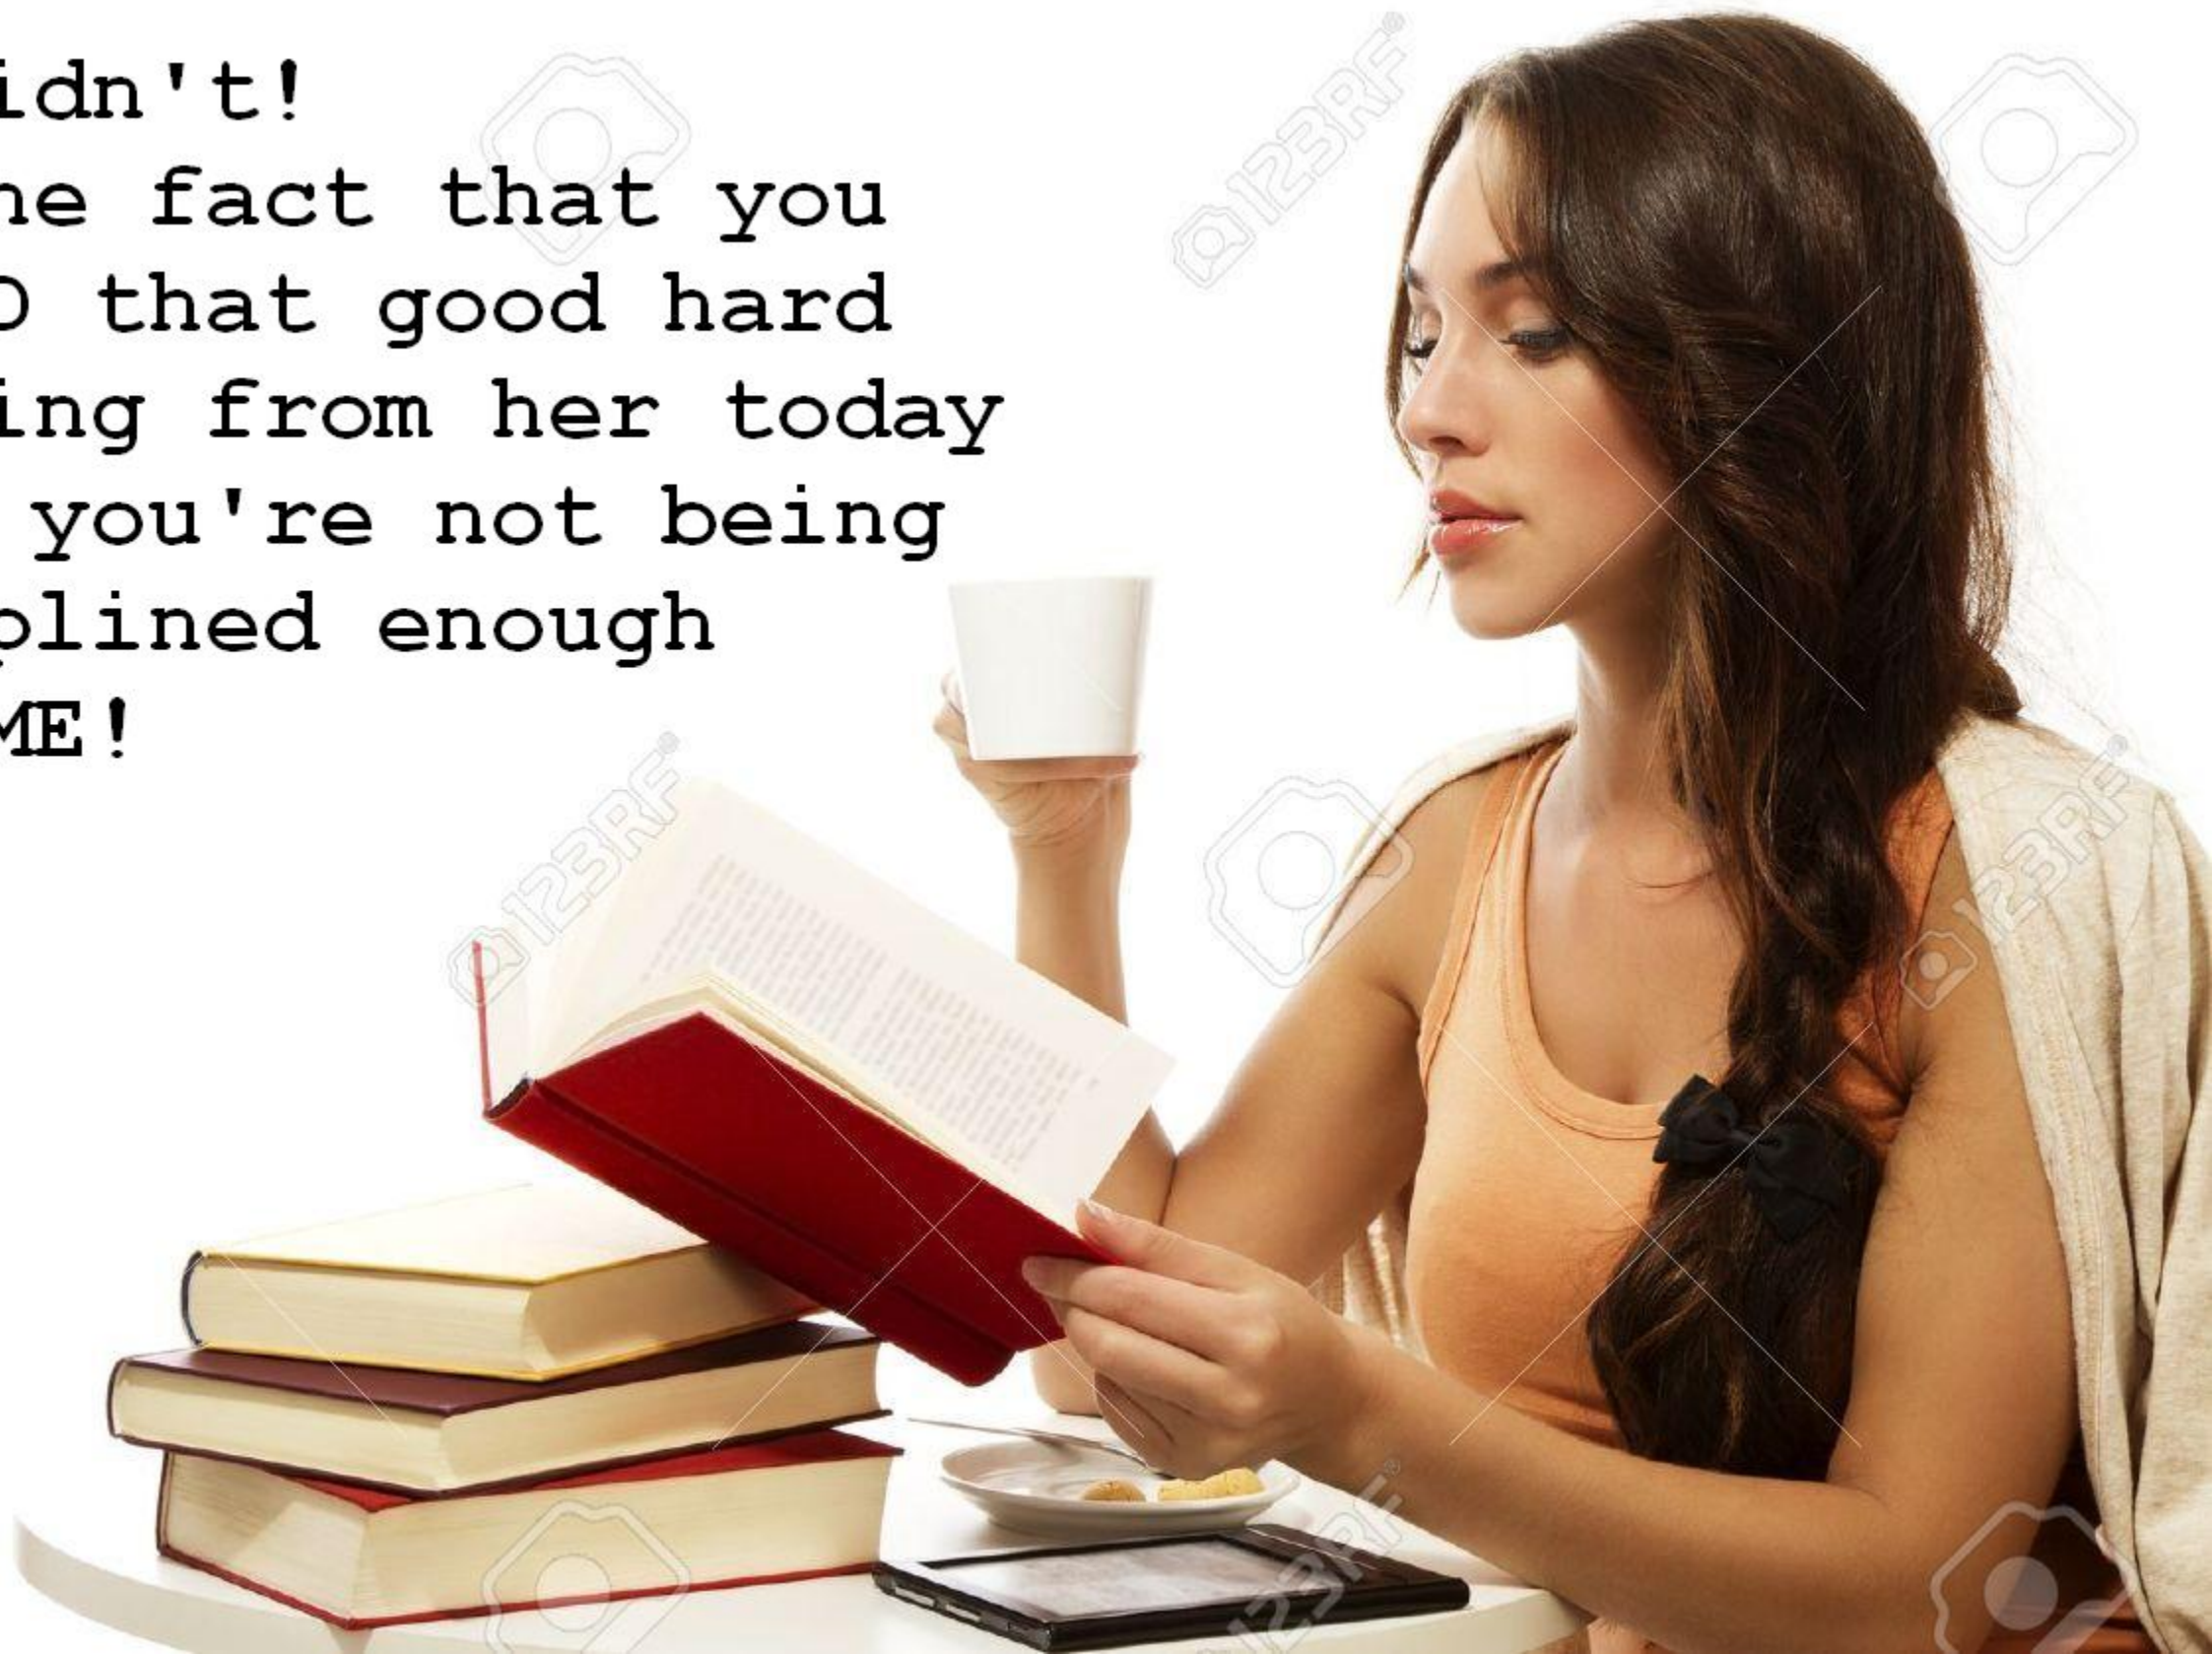

Well, now we'll see if  
you not cumming for a  
MONTH hurts more than  
Mistress Chris's good  
hard spanking did!

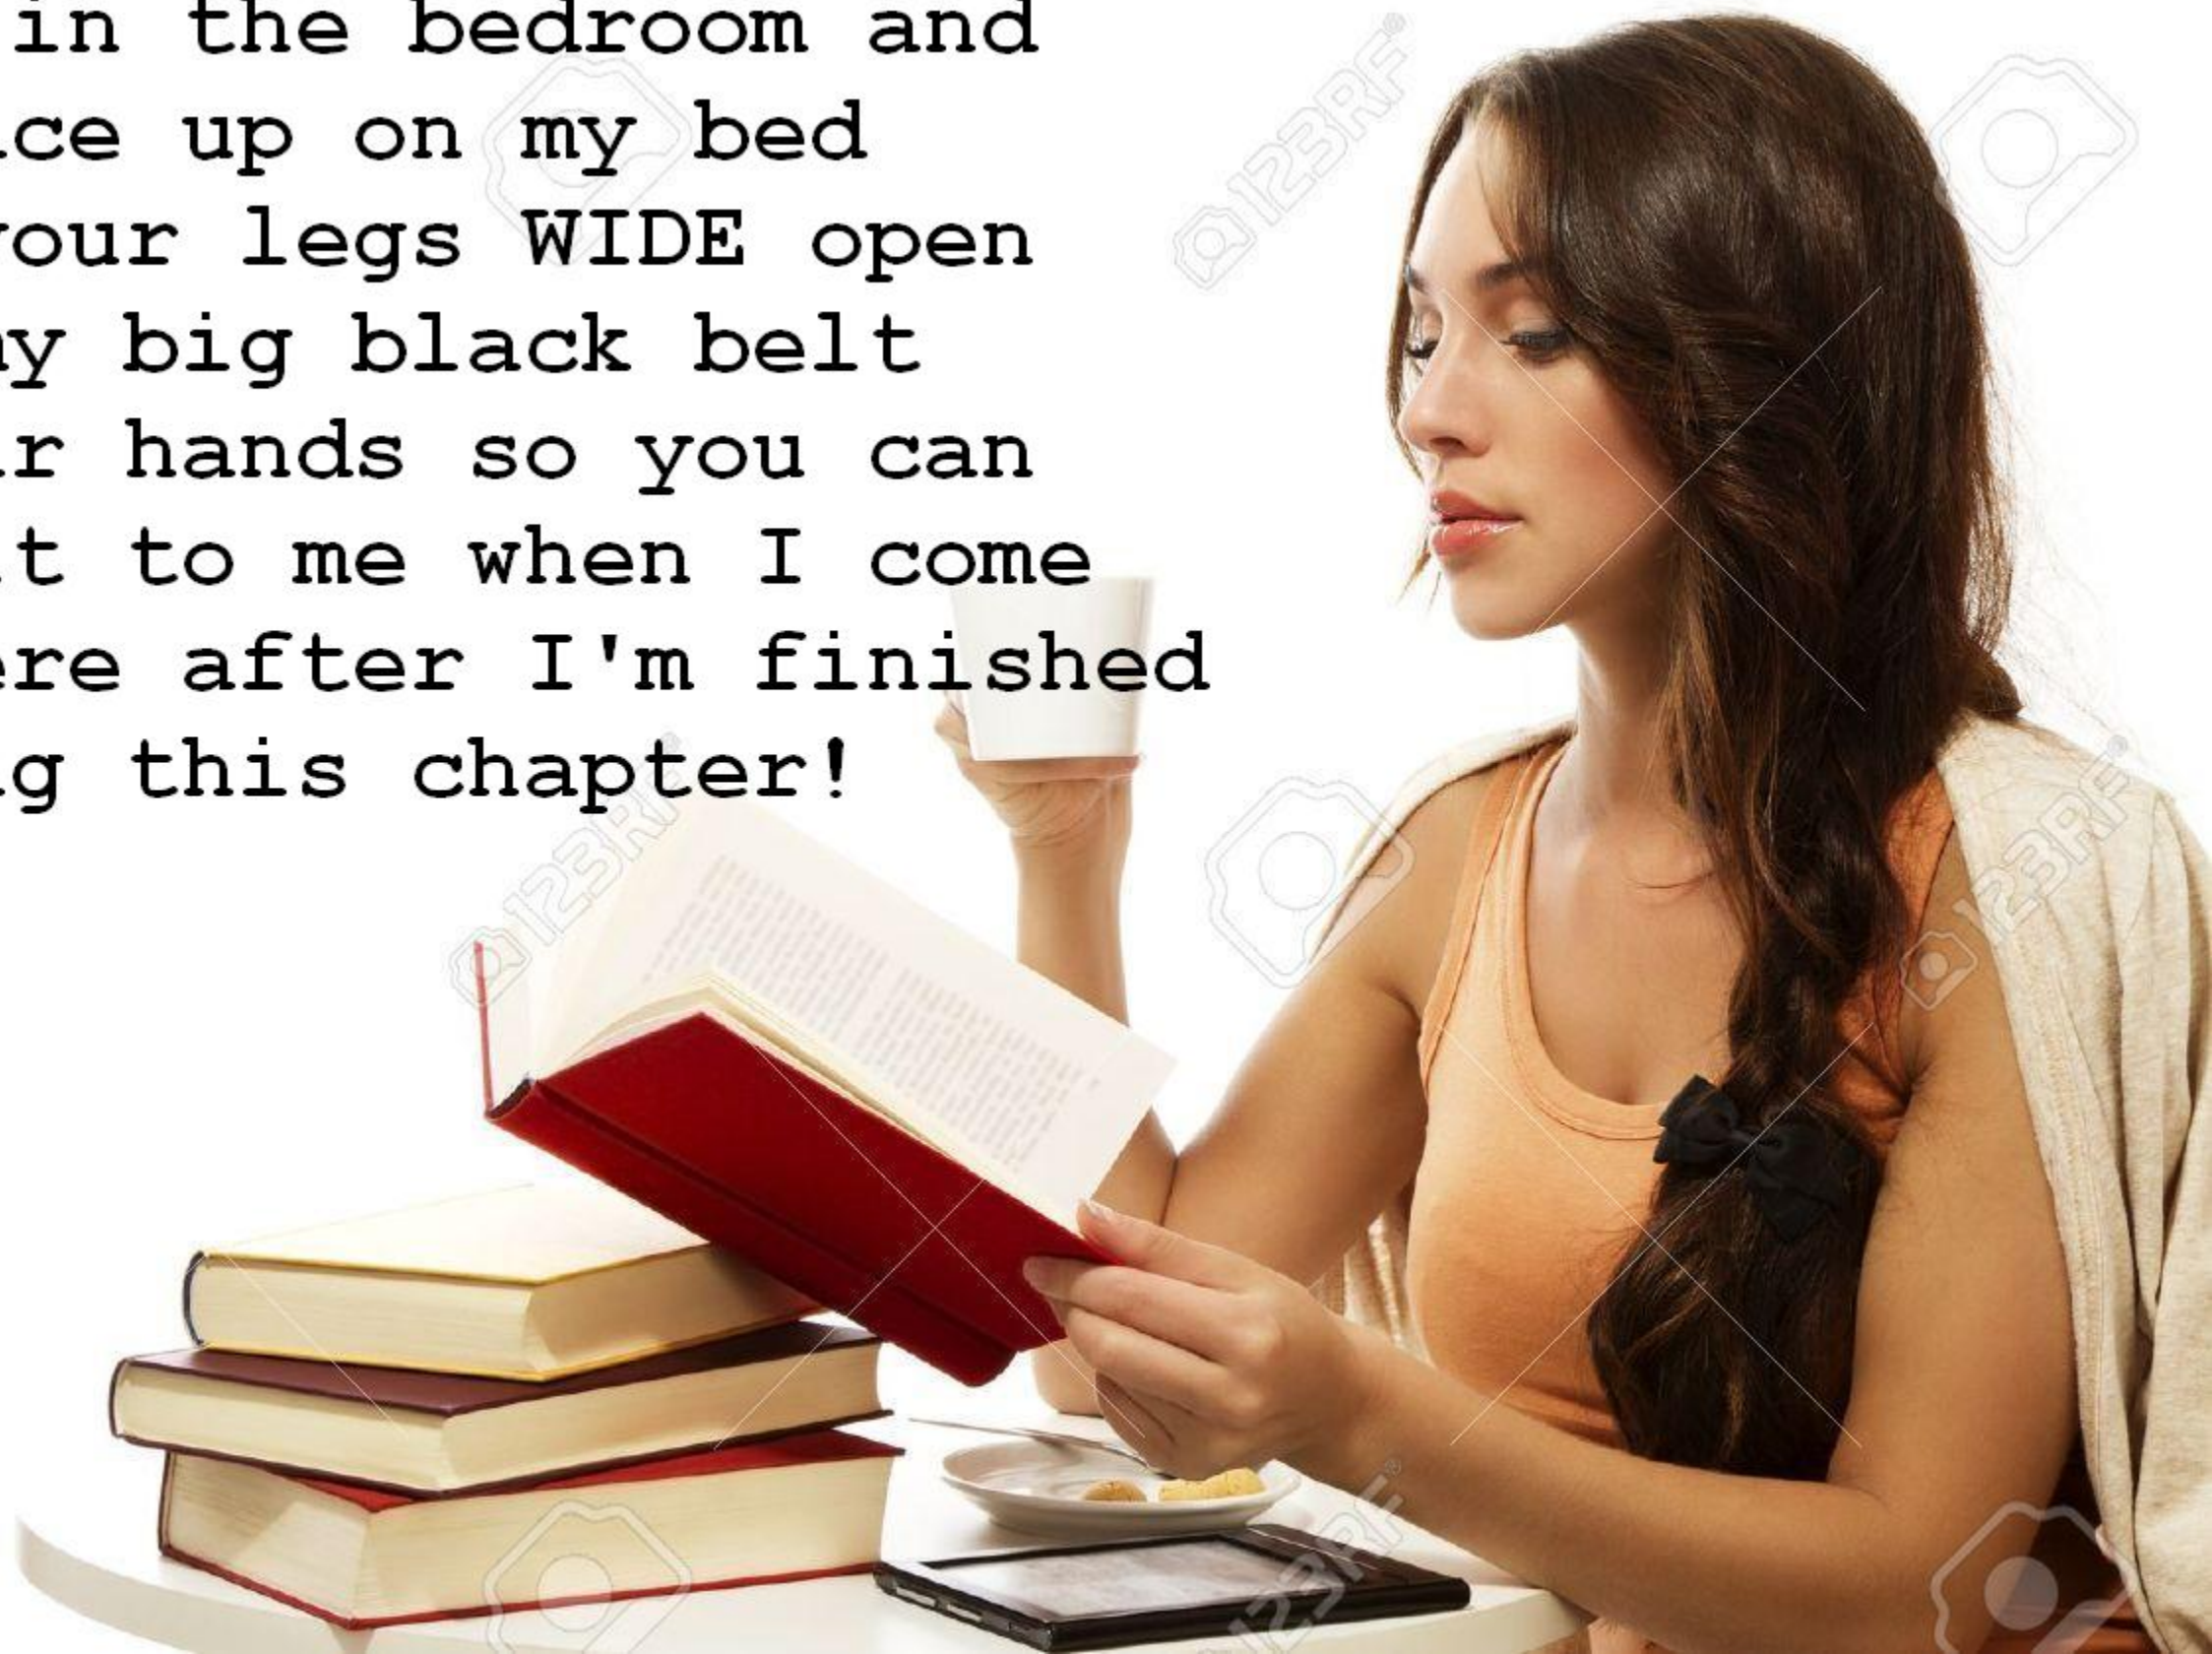

BUT YOU SAID  
I DIDN'T DO  
ANYTHING  
WRONG  
MISTRESS!

You didn't!  
But the fact that you  
NEEDED that good hard  
spanking from her today  
means you're not being  
disciplined enough  
at HOME!

So go in the bedroom and  
lay face up on my bed  
with your legs WIDE open  
with my big black belt  
in your hands so you can  
hand it to me when I come  
in there after I'm finished  
reading this chapter!

YES MISTRESS!

AND DON'T FORGET TO  
CLOSE THE WINDOW IN  
THERE!

I DON'T WANT THE  
NEIGHBORS CALLING  
THE POLICE AGAIN!
