

He was a very poorly attituded
disobedient fool

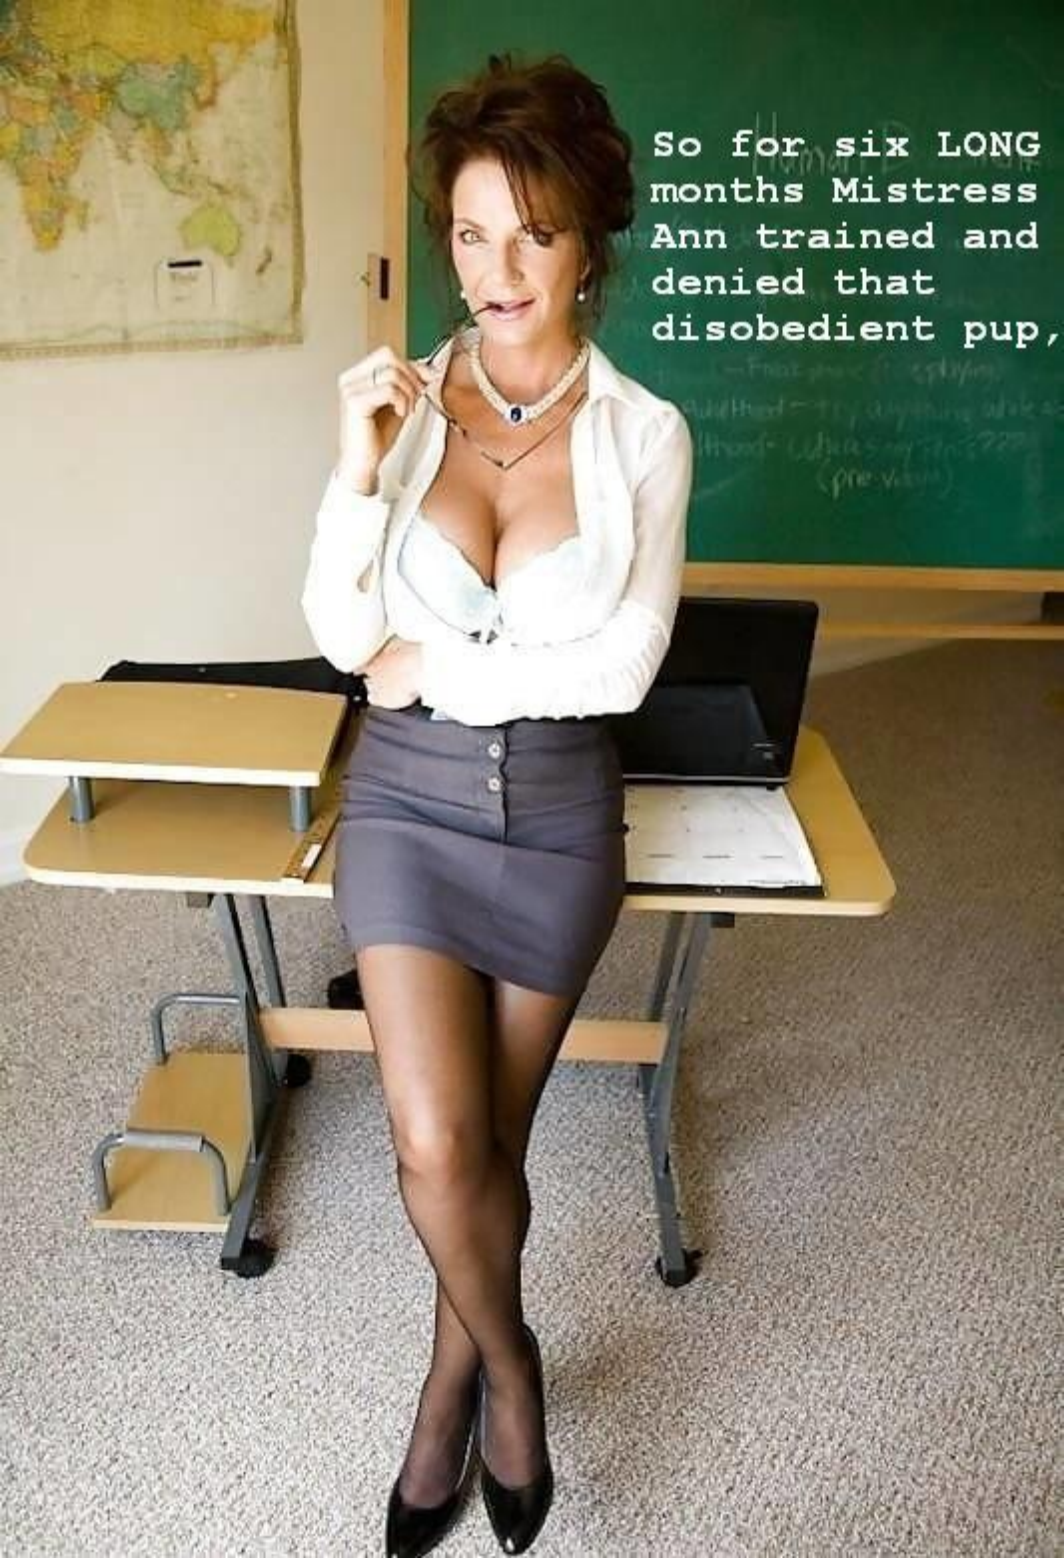

who was VERY happy the day
he finally got out of school

once upon a time a dominant
Woman sent her
disobedient pup

to Mistress Ann
for six months
at our Fem dom
school so she
could straighten
his ATTITUDE up!

So for six LONG
months Mistress
Ann trained and
denied that
disobedient pup,

and this is
what happened
when his
Mistress

"Picked His Very Horny Ass Up!"

**NO
PUPPY!**

NO!

Awww, it's OK
Mistress Ann,
he hasn't seen
me in six
months and
he's VERY happy
to see me!

Aren't
you puppy?

OH GOD
YES MISTRESS!

YES puppy!
You may cum
for me now!

**THANK YOU
MISTRESS!**

You're
welcome
puppy!

The End

And then he
THANKED her with
his lips and his
tongue like
Mistress Ann
taught him,
on his knee
between her
legs, under
her dress,
(pre-view)

before he
proceeded to
very EAGERLY
lick up,
and SWALLOW
his mess!

Yes, he
learned VERY
well at our
school!
He SURE did!
Oooooooh YES!
