

Sometimes a life
of married bliss
begins at moments
just like this

Is THIS
what
happened

do you
suppose,

when Chris
knelt down

and he

"Proposed?"

I asked a
submissive
male named
Chris,

"Is there
something
you would
love to
kiss

while
you're on
your knees
for me
like
this?"

and he
answered
meekly,

Yes
Mistress!

And as his
cock stood
up for me
so tall,

I asked
him

"May I
have your
balls?"

and he
said

Yes
Mistress!

which
was
GREAT,

and I
knew I'd
found

my
perfect
mate!

Now I KEEP
his tongue
between my
legs

and it
makes me
wet each
time he
begs,

"PLEASE Mistress
let me come
this week?"

and I
sternly
deny him
HIS
release!

But I am
not a
cruel,
castrating
cunt,

I let
him
COME

ONE
time
each
month!

Thank You,
Mistress!

You're
welcome,
Honey!

The End

And
now she's
married,

HAPPILY ,

Oh YES
she IS
Girls,

Yesiree!
