

Here is a story that we hope will bring
knowledge that the hurt from a paddling
can be MORE than the sting

We went
to the
park

one
warm
summer
day

at the
request
of our
Girlfriend

whose
boyfriend
calls

Mistress May!

And we
stood
watching
ENTRANCED

as she

"Pulled Down His Pants"

and
told
him

Your REAL
punishment's
having THEM

watch me
beat your
ass!

ISN'T
it?

**YES
MISTRESS!**

Now watch
him CRY
Girls!

He's
gonna
do THAT
really
FAST!

The End

And now he
UNDERSTANDS
as we watch

and hear
him BEG
for mercy,

exactly HOW bad

a paddling
CAN be!

DON'T you?

**YES
MISTRESS!**

GOOD !

GOOD !

GOOD !
