

Once upon a time a dominant Woman
named Vickie

allowed her
submissive
male his
once a week

"Quickie!"

Are you going to
wash all my bedding
while I'm at work
today, slave?

A man with dark hair is shown from the waist up, in a crawling or crouching position. He is looking towards the right side of the frame. The background consists of a white wall and a wooden dresser with drawers. The text "Yes Mistress!" is overlaid on the right side of the image.

**Yes
Mistress!**

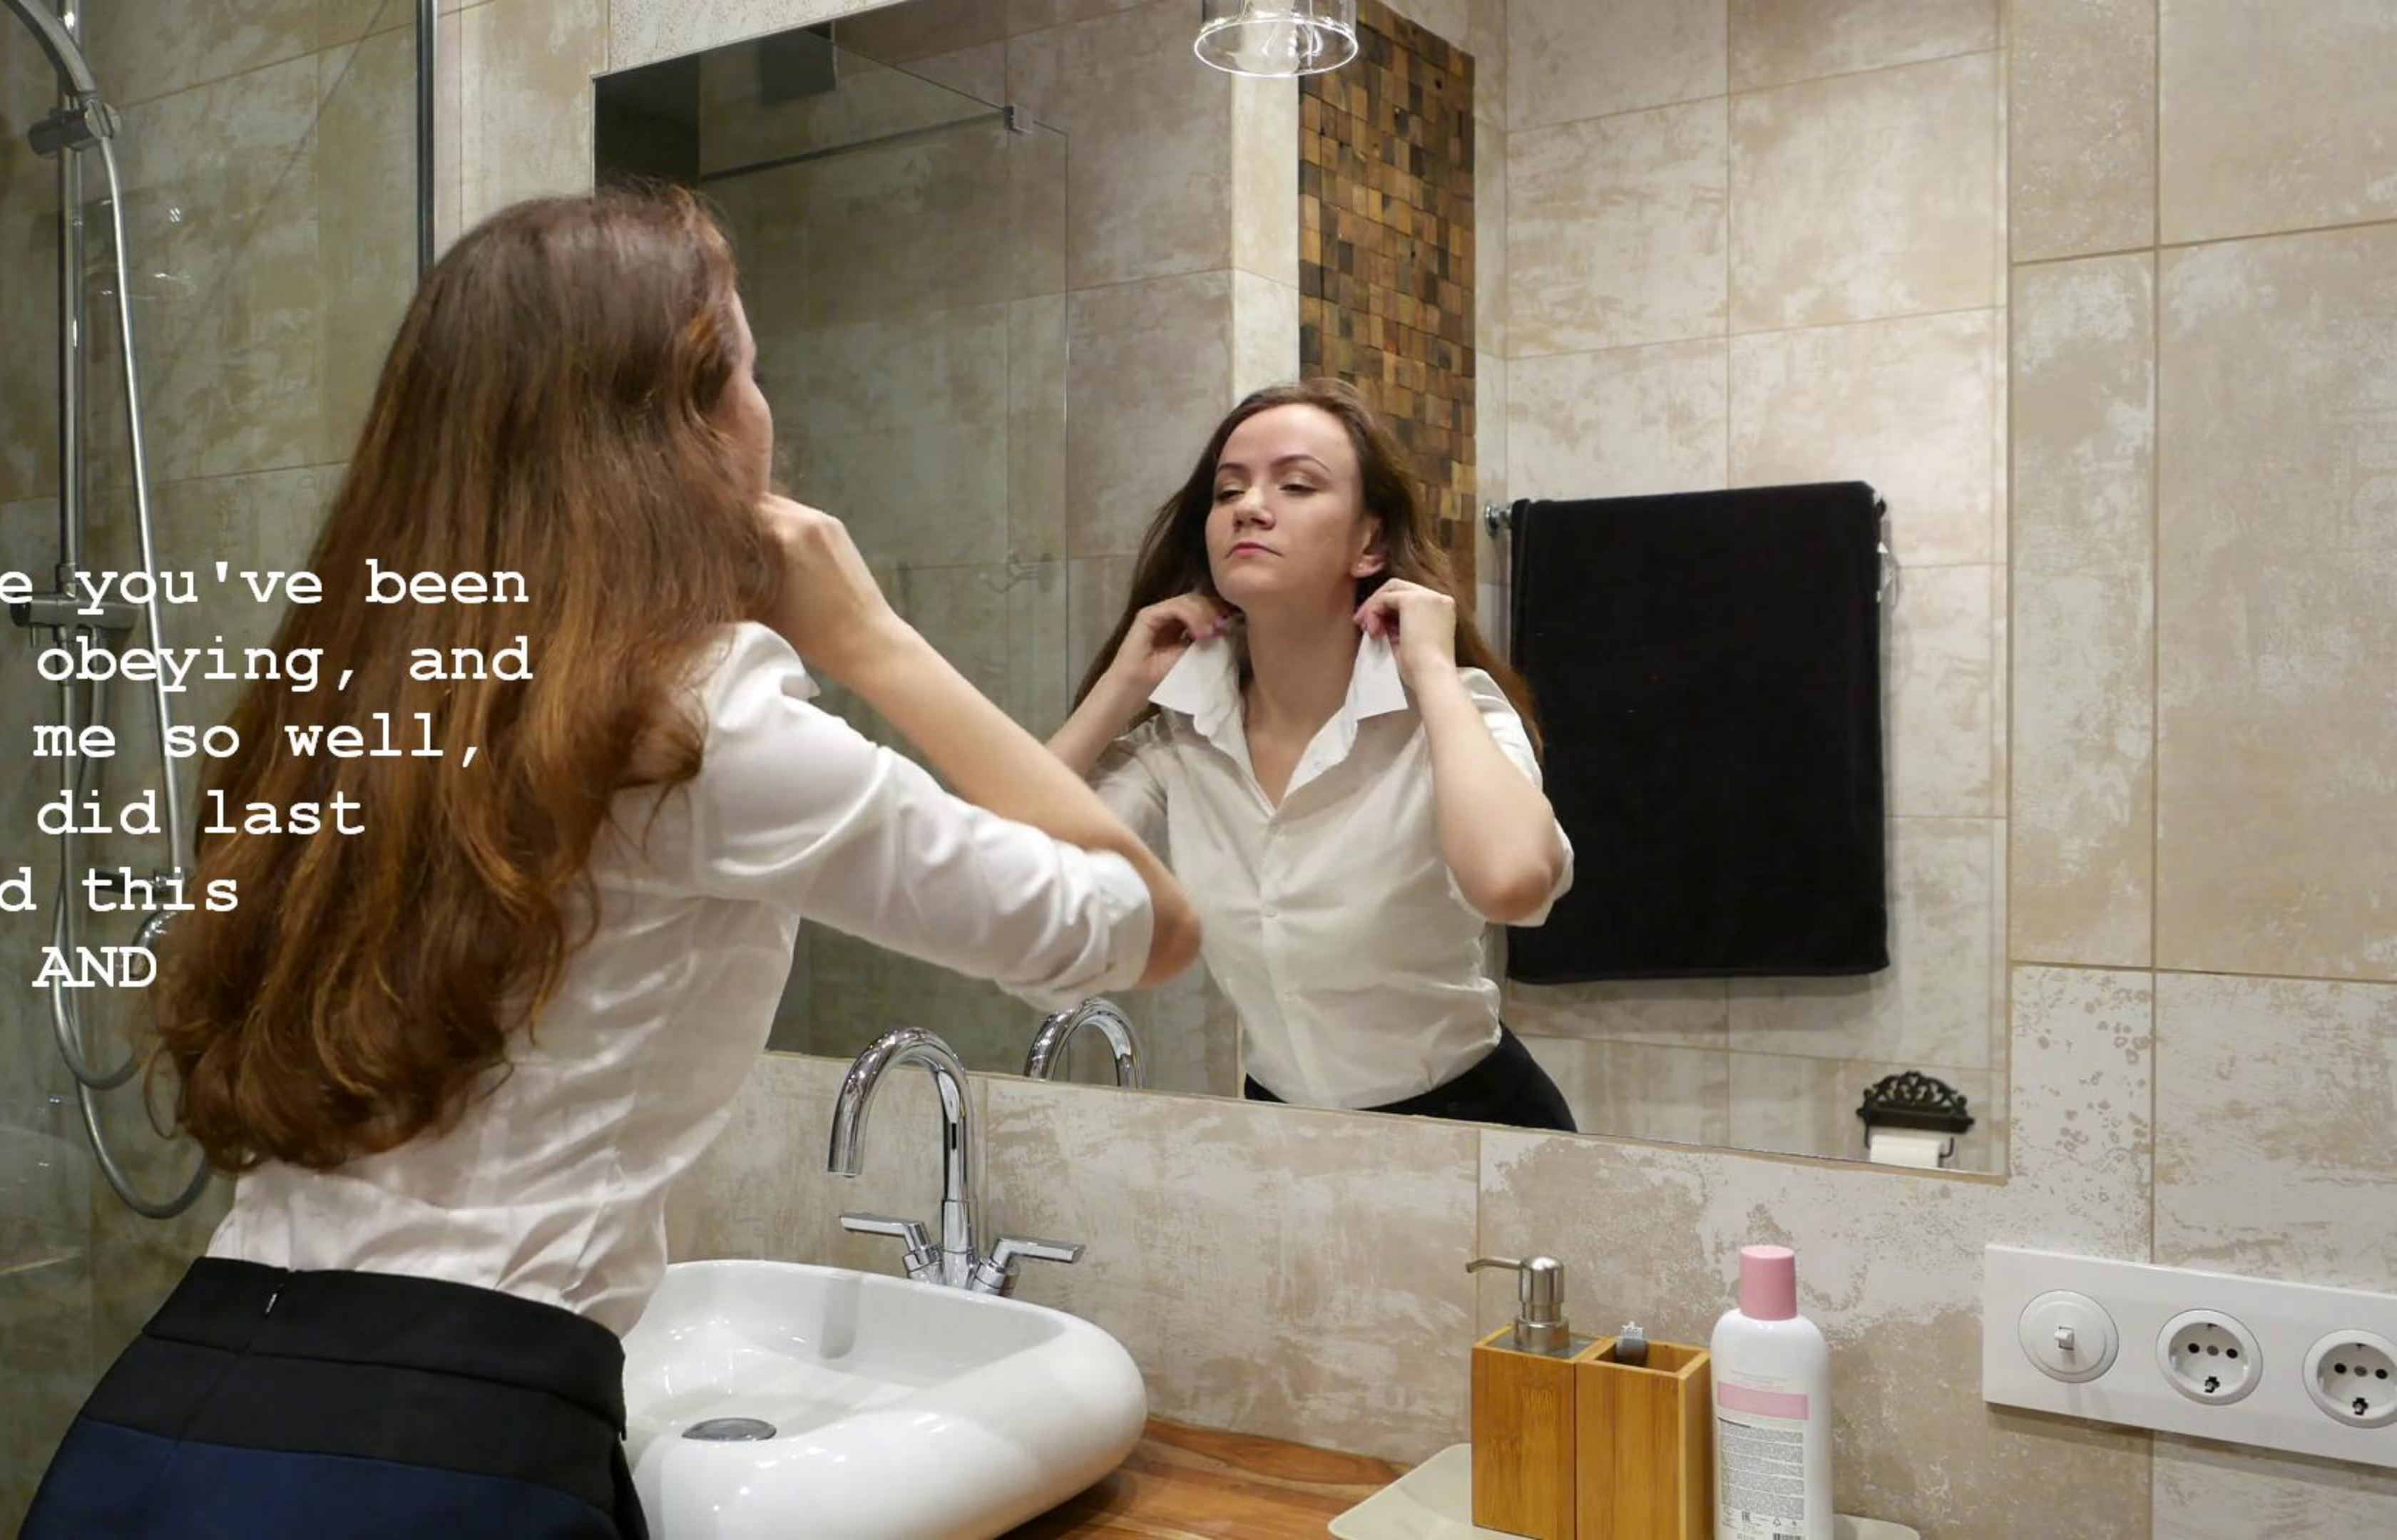

Well, you better
do ALL of it!
Sheets, pillow
cases, blankets,
and do NOT forget
my bedspread!

GOOD!
Now since you've been
serving, obeying, and
PLEASING me so well,
like you did last
night and this
morning, AND

you're going to
be washing all
my bed stuff
ANYWAY,

you may kneel on my
bed and jerk off
for me as you watch
me get ready for
work!

OH GOD!
YES MISTRESS!
THANK YOU
MISTRESS!

You're
welcome!

You may
cum for
me NOW,
slave!

YES MISTRESS!
THANK YOU
MISTRESS!

OH GOD!
THANK YOU!

You're welcome!
Now wash your hands
and go get me my
shoes, my jacket and
my purse and wait
for me at the front
door with them!
I don't want to
be late!

YES MISTRESS!

The End

And though
this weeks
cumming
was quite
quickly
through

and after
waiting
by the
door as
she asked
him to do

as
she was
leaving
for work
he said
"God
I love
you!"
