

We spend so much time on our knees  
BEGGING Mistress for release.

We cry and plead and beg SO much  
that she usually has to PUNISH us  
for bothering her with such aplomb  
just because WE want to come.

But all our begging it will cease,  
when she starts to SCHEDULE our release!

You know  
how you bug  
the CRAP out  
of me to  
let you  
come every  
couple of  
weeks?

"Yes  
Mistress!"

and how I  
always  
punish you  
just for  
ASKING me  
to let  
you come?

"Yes  
Mistress!"

Well,  
after  
reading  
this  
story,

I think  
we'd BOTH  
enjoy YOU  
having a

degrading  
as possible  
for you!

And if you  
don't LIKE  
that,  
you can  
SUFFER!

Do you want  
to forgo

Why? Do  
you LIKE  
being

by a  
woman?

"Yes Mistress  
Michelle!  
I LOVE it  
when you  
fuck me!"

Well?  
Then drop  
your pants  
and assume  
the

slave!

"Yes  
Mistress  
Michelle!"

"Thank You  
Mistress  
Michelle!"

You're

licking up  
the MESS  
that he  
left all  
over her

will he be  
using his

Will it be  
to THANK
