

There's one thing about female  
domination you guys,

The first time SHE tries it, you  
may be surprised

how it captures her soul like  
some deadly disease

when she first hears you BEG

"Don't do THAT Mistress! PLEASE?"

This story's  
about a woman  
whos husband  
wanted her to  
"Get INTO"  
female  
domination!

Well, back then  
she thought that  
the idea of her  
husband being  
her SLAVE was  
sick,

so she  
sternly  
told  
him NO!

Needless to  
say, he kept  
BUGGING her,

and  
BEGGING  
her ,

day  
after  
DAY,

week  
after  
WEEK,

for months  
and MONTHS,

which  
became  
YEARS,

**"So She Tried It"**

Did you  
like ME  
being  
on top

and assuming the  
dominant role in  
our love making,  
**SLAVE?**

"Yes Mistress  
Sharon!"

Did you like COMING  
inside of me while I  
was trying to please  
MYSELF on your  
erection, SLAVE?

"Yes Mistress  
Sharon!"

Did you have  
my PERMISSION  
to come, SLAVE?

"NO, Mistress Sharon!"

That's  
right  
SLAVE,

you DIDN'T!

And NOW you're  
going to learn

that I don't  
want you to  
EVER come

WITHOUT  
it!

"OH GOD!  
NO MISTRESS SHARON!"

"PLEASE  
DON'T?"

[illegible]

**The End**

And she  
LOVED it!

Huh?
