

There's pain and there's pleasure
she may bestow upon you
and sometimes there's real
suffering too

This story's
about REAL

"Suffering"

my SLAVE,
locked up six
months now
for me,

A woman with long brown hair and red lipstick is lying on a couch, holding a large purple eggplant. She is wearing a blue bikini top and red bikini bottoms. The background is a red wall and a brown fringed blanket. The text "cause you're gonna stand there and watch THIS thing" is overlaid on the right side of the image.

cause you're gonna
stand there and
watch THIS thing

pleasuring me!

The End

And as we watch him
we're thinking,
"DEAR GOD!" and
"YIKES!",

and PRAY she didn't
lock him in the one
with the spikes!

Huh?
