

Yes she keeps you inside all
night and all day

as her naked slave cause she WANTS you
that way

doing laundry, and cleaning her
house EVERY day

and ironing her clothes before you put
them away

Yes she keeps you inside doing
her nails

or using your tongue till in
orgasm she wails

And you better not EVER go
singing the blues

or she'll take you to spend
the summer at Sue's!

"Please don't do
this Mistress?
PLEASE?"

Shut
up!

I TOLD you
what I'd
do if you
kept on
complaining!

DIDN'T
I?

"Yes
Mistress!"

Maybe a
summer at
Sue's house
will help
your
attitude!

"Summer At Sue's"

THIS slave
NEVER complains
that I keep
him in the
house all the
time serving
my needs,

and that I
don't take him
out or DO
things with
him,

ANYMORE !

because
I DO take
him
out,

"Please
don't
Mistress?"

and I DO
do things
with him!

"I'm
BEGGING
you!"

And if you
don't
believe
ME,

" PLEASE? "

then just
ask my
NEIGHBORS!

THEY see me
doing ALOT
of things
with him
out here,

and they
LOVE to
WATCH!

DON'T they
Honey?

"OH GOD!
YES
MISTRESS!"

Ten LONG

HUMILIATING

minutes
LATER,

And when I'm **FINISHED** doing
things with him, I let
him go for a swim to cool
off while I get dressed,

before I
put him
back,

in his
cage,

where he
BELONGS !

Get back in the
cage slave,

NOW!

"YES MISTRESS!"

So if your slave EVER
complains that you never
let him OUT,

or that you don't DO
things with him,

then make him
read this
story,

or spend the
summer at MY
house,

and he'll never
complain AGAIN!

A woman with long dark hair, wearing a colorful rainbow bikini top and light blue denim shorts, stands on a stone patio. She is posing with one leg raised and bent, resting her foot on the top of a black wire cage. Inside the cage, a shirtless man is lying down, looking down with a dejected expression. The background features a swimming pool, an orange outdoor sofa, and a wooden fence with trees behind it. The sky is overcast.

**WILL he,
Honey?**

**"NO
MISTRESS!"**

Nope ,

NEVER!

The End

So, did you
enjoy spending
the summer at
Sue's house,
Honey?

"NO
MISTRESS!"

Good, you
weren't
supposed
to!

Besides keeping
you in a cage
and humiliating
you in front of
her neighbors
all summer,

she told me that
she didn't allow
you ANY sexual
release all
summer either.

Is that
TRUE,
Honey?

"YES
MISTRESS!"

Well, then I
guess that you
won't complain
about spending
this long Labor
Day weekend on
your knees
between my
legs,

using your
tongue to take
care of the
sexual needs
that I'VE had
to suppress
all summer,
WILL you?

"NO
MISTRESS!"

And you won't
complain when I
forbid YOU to
come until
after
CHRISTMAS
either,
Huh?

"NO
MISTRESS!"

What about doing
nothing else
with your life
but serving MY
needs and being
at my beck and
call twenty four
hours a day,
EVERY day?

Are you going
to complain
about THAT?

"NO
MISTRESS!"

That's good,
because summer
will be here
again before
you KNOW it,
Honey!

WON'T
it?

"YES
MISTRESS!"

Good,
now get your face
between my legs
and use that
mouth of yours
for something
besides saying
"Yes Mistress"
to me!

A woman with blonde hair is sitting on a black cloth-covered surface. She is wearing a black bodysuit with white polka dots, a white lace collar, and multiple strands of pearls. She is also wearing a pearl bracelet and a ring. She is looking directly at the camera with a serious expression. The background features a red curtain and a pink wall.

"YES
MISTRESS!"
