

One thing you'll learn quickly  
in the Fem Dom life once you live it  
is sometimes a Woman doesn't TAKE  
what she wants  
she prefers that you GIVE it

I WANT  
these,  
slave!

And I WANT  
them in a jar  
on my DRESSER!

Can I HAVE  
them, slave?

"NO  
MISTRESS!"

"OH GOD! PLEASE  
DON'T TAKE THEM  
MISTRESS!"

"PLEASE?"

But,  
SLAVE,

I WANT  
them

in a JAR  
on my  
DRESSER!

And THIS

is NOT  
the typical  
story of a  
castrating  
Mistress

**"TAKING What She Wants!"**

Ooooooooooh  
NO, Honey!

THIS is the  
story of a  
submissive  
male

VERY  
willingly

GIVING his  
castrating  
Mistress  
what she  
wants,

because I

am going  
to TIE  
these  
balls

A woman with long dark hair, wearing a black corset and long black gloves, is holding a man's buttocks against a vertical pole. The man's buttocks are marked with red and purple bruises. The woman is looking at the man's buttocks with a focused expression. The background is a plain, light-colored wall.

just as  
TIGHT  
as I  
CAN

before  
I STAND  
up

and whip  
the SHIT  
out of  
them

until  
YOU  
decide

to GIVE  
them  
to me!

"OH MY GOD  
MISTRESS!"

"NOOOOOO!"

**The End**

so,

HONEY,

IS having  
to be in  
THAT thing

**FOREVER**

and only  
being allowed  
out for ten  
minutes each  
month

IF you've  
obeyed me  
properly  
ALL month,

to jerk  
yourself  
off and  
come for  
me,

**REALLY**  
so bad?

Hmmmmmm?

"No  
Mistress!"

"I'm sorry for  
complaining,  
Mistress!"

**GOOD !**

Now go get  
my brush  
and brush  
my hair!

"Yes  
Mistress!"
