

Here's a story for some of you Fem Dom
novices

who still haven't discovered what
"COME" Training is!

YOU are my
slave!

And BECAUSE
you're my
slave,

your cock,
your balls,
and EVERY
drop of
your come,

belong
to ME!

And since
your cock,
your balls
and every
drop of your
come BELONG
to me,

I will
decide IF,
WHEN, and HOW
you will be
allowed ANY
sexual
release!

So to TEACH
you to never
come without
MY permission,

I'm going to
jerk you off

until you come
all OVER my hands!

Then after I
get YOU ready,

I'LL go take
a shower!

And when I'm finished
with my shower,

MY balls
will

"Talk To MY Strap"

about how you're
NOT going to come
all over my hands

without
PERMISSION,

the NEXT
time I do
"Come Training",

AREN'T
they?

**"OH GOD! PLEASE DON'T WHIP
MY BALLS MISTRESS!"**

Answer my
QUESTION,
slave!

Are MY balls
and MY belt
going to meet
and have
a LONG
discussion?

**" YES
MISTRESS ! "**

"OH GOD,
YES!"

You're
God Damned
RIGHT
they are!

The End

And
they'll BE
talking

EVERY
day,

until he
learns
how to
OBEY

and hold
HER come
just like
YOU do,

for at
least
one
hour,

and
SOMETIMES,
two!

You DO
hold her
come for
that long,

DON'T
you?
