

"It's up to his Mistress" she'll tell  
them with ease

When the girls ask her about a mans  
sexual release.

"Make him wait months or make him  
wait days"

"It's up to YOU girls, he'll do what  
you SAY! "

"And if you DO let him come after  
a month or a day"

"Make sure that he thanks you in  
the proper way! "

A blonde woman with long hair is lying on her side on a large, dark brown leather couch. She is wearing a black one-piece bikini and black high-heeled sandals with multiple straps. She is looking towards the camera with a slight smile. The background shows a window with a white frame and some indoor plants.

A submissive male  
should be GRATEFUL  
to his Mistress,

WHENEVER and HOWEVER  
she allows him  
the PRIVELEGE

of sexual  
release!

And after  
WAITING,

and  
waiting,

and WAITING  
for that  
privelege,

A blonde woman with long hair is reclining on a large, dark brown leather couch. She is wearing a black spaghetti-strap bikini top and black high-heeled sandals with multiple straps. She is looking towards the camera with a slight smile. The background shows a window with a white frame and some indoor plants.

We're sure that you  
submissive guys can  
find a SPECIAL  
way to say

**"Thank You"**

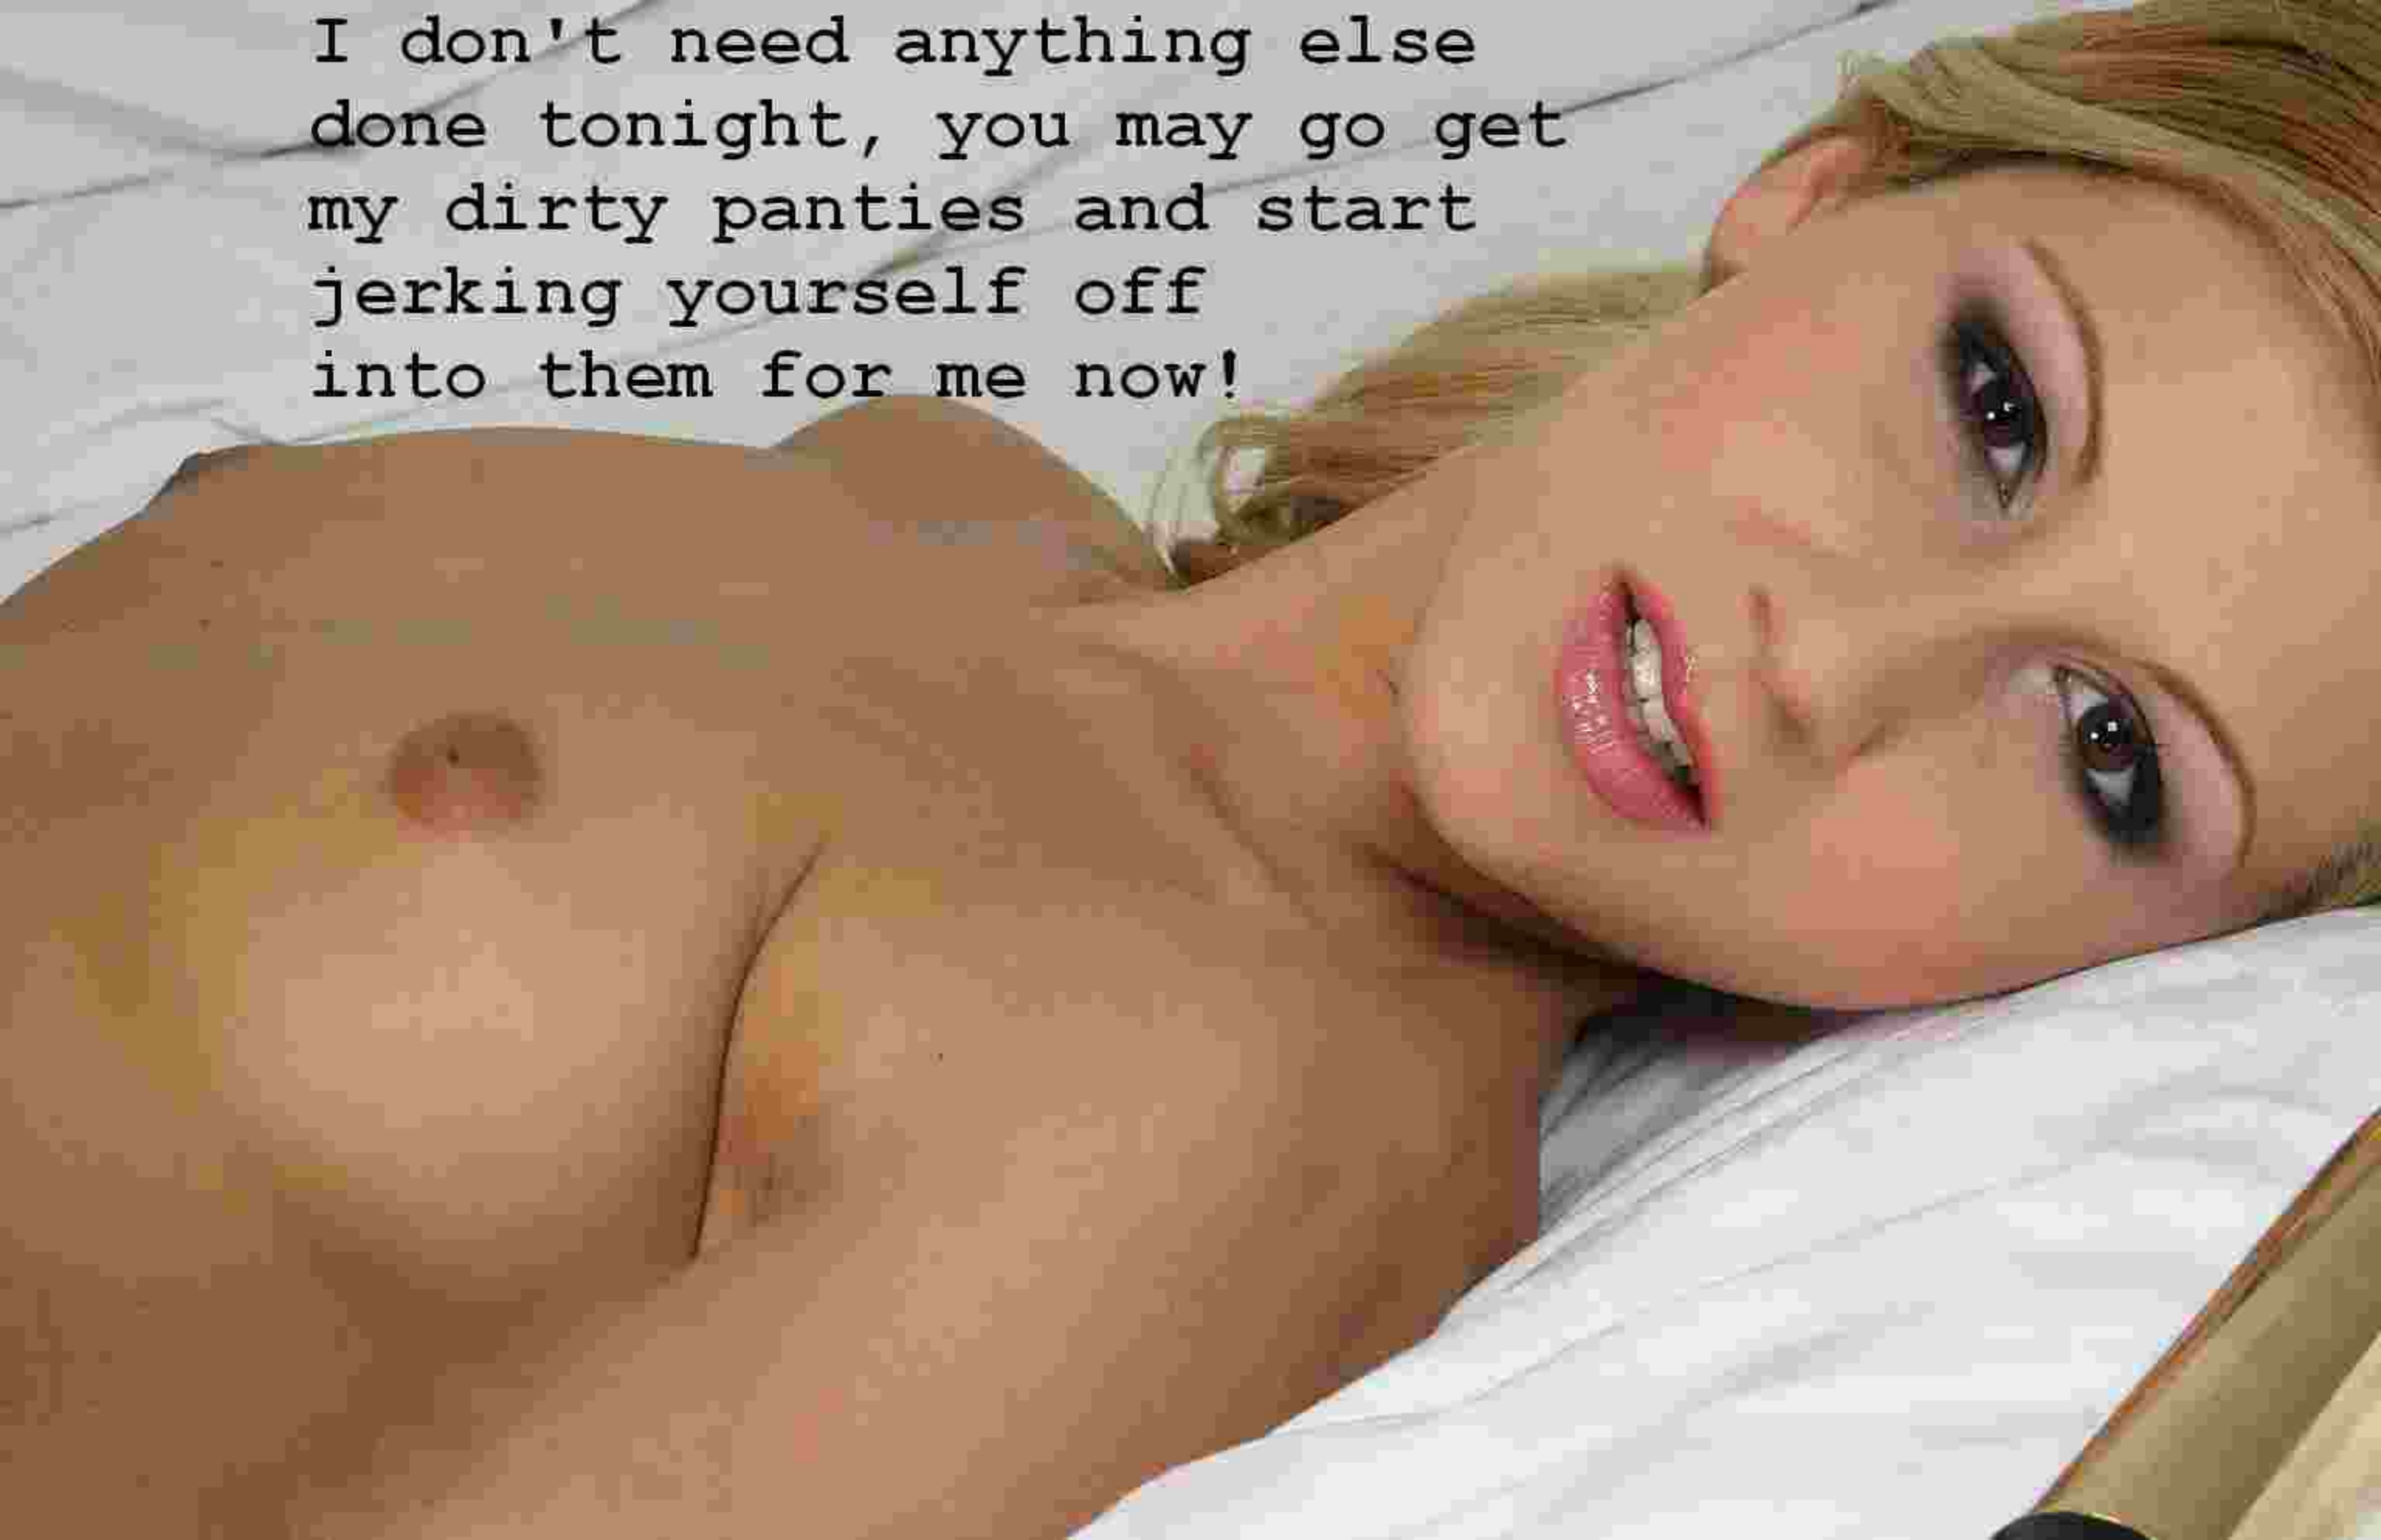

Did you do  
**EVERYTHING** that  
I told you

NEXT week!

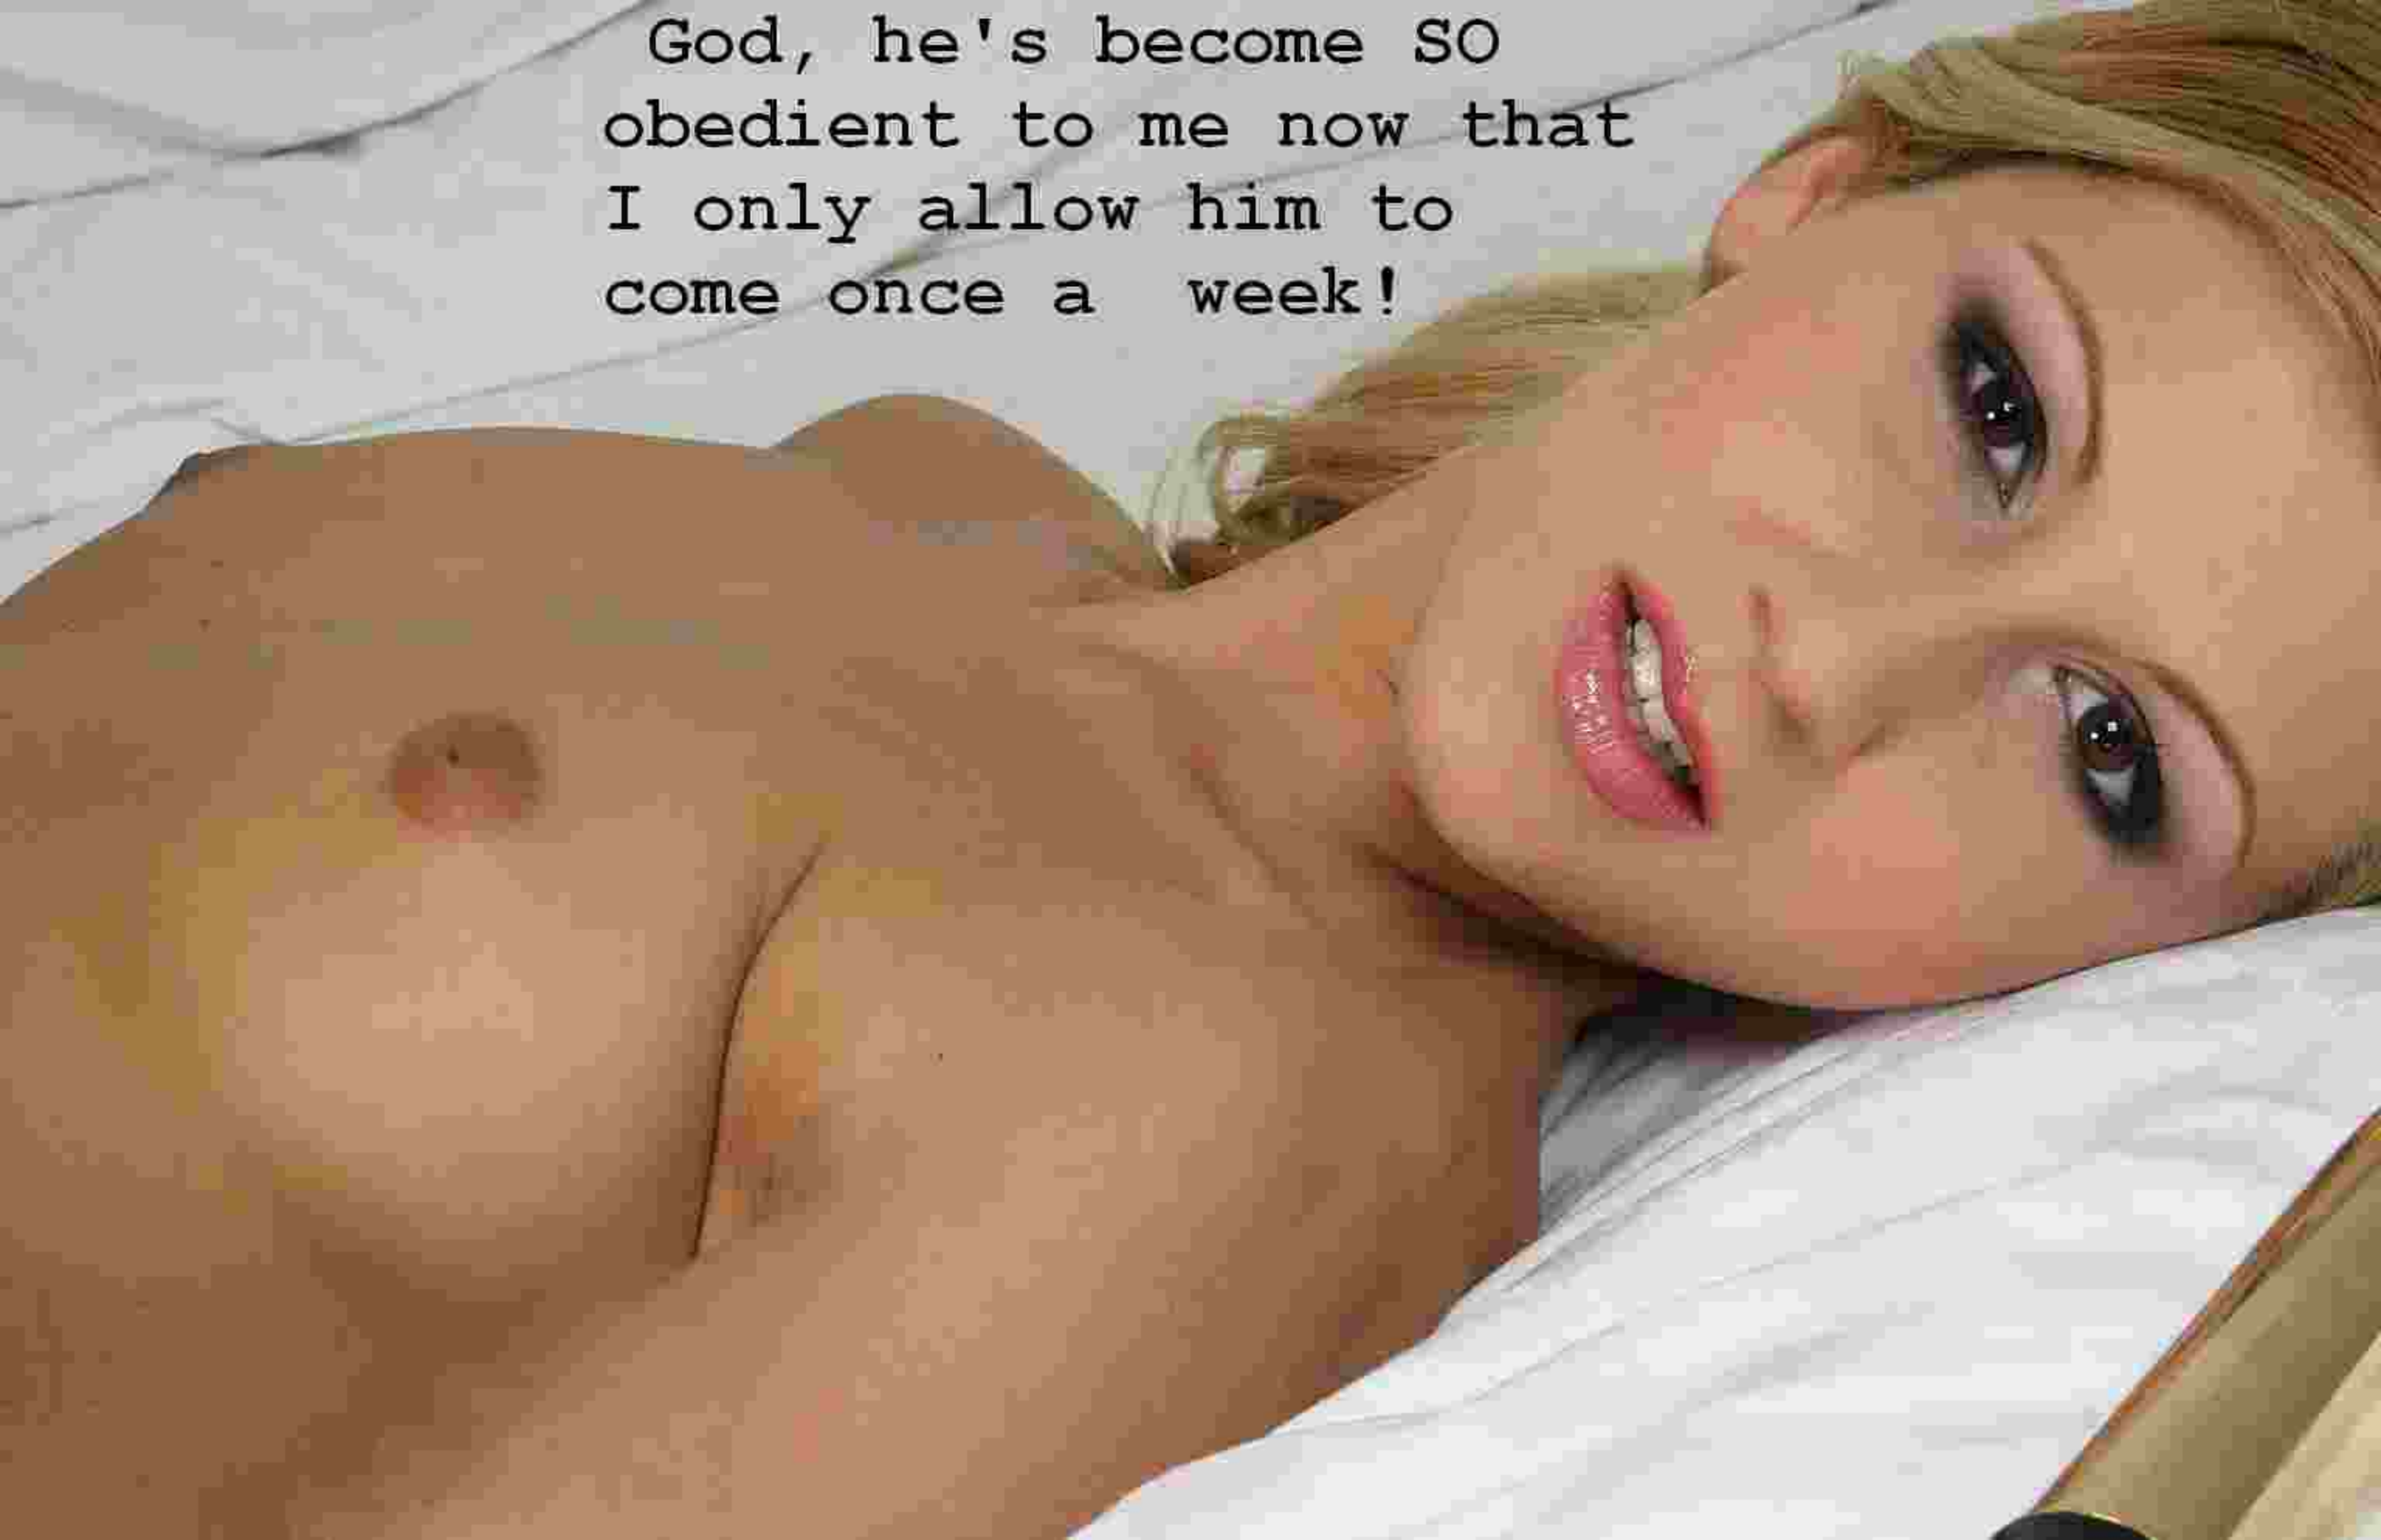

"YES  
MISTRESS!"

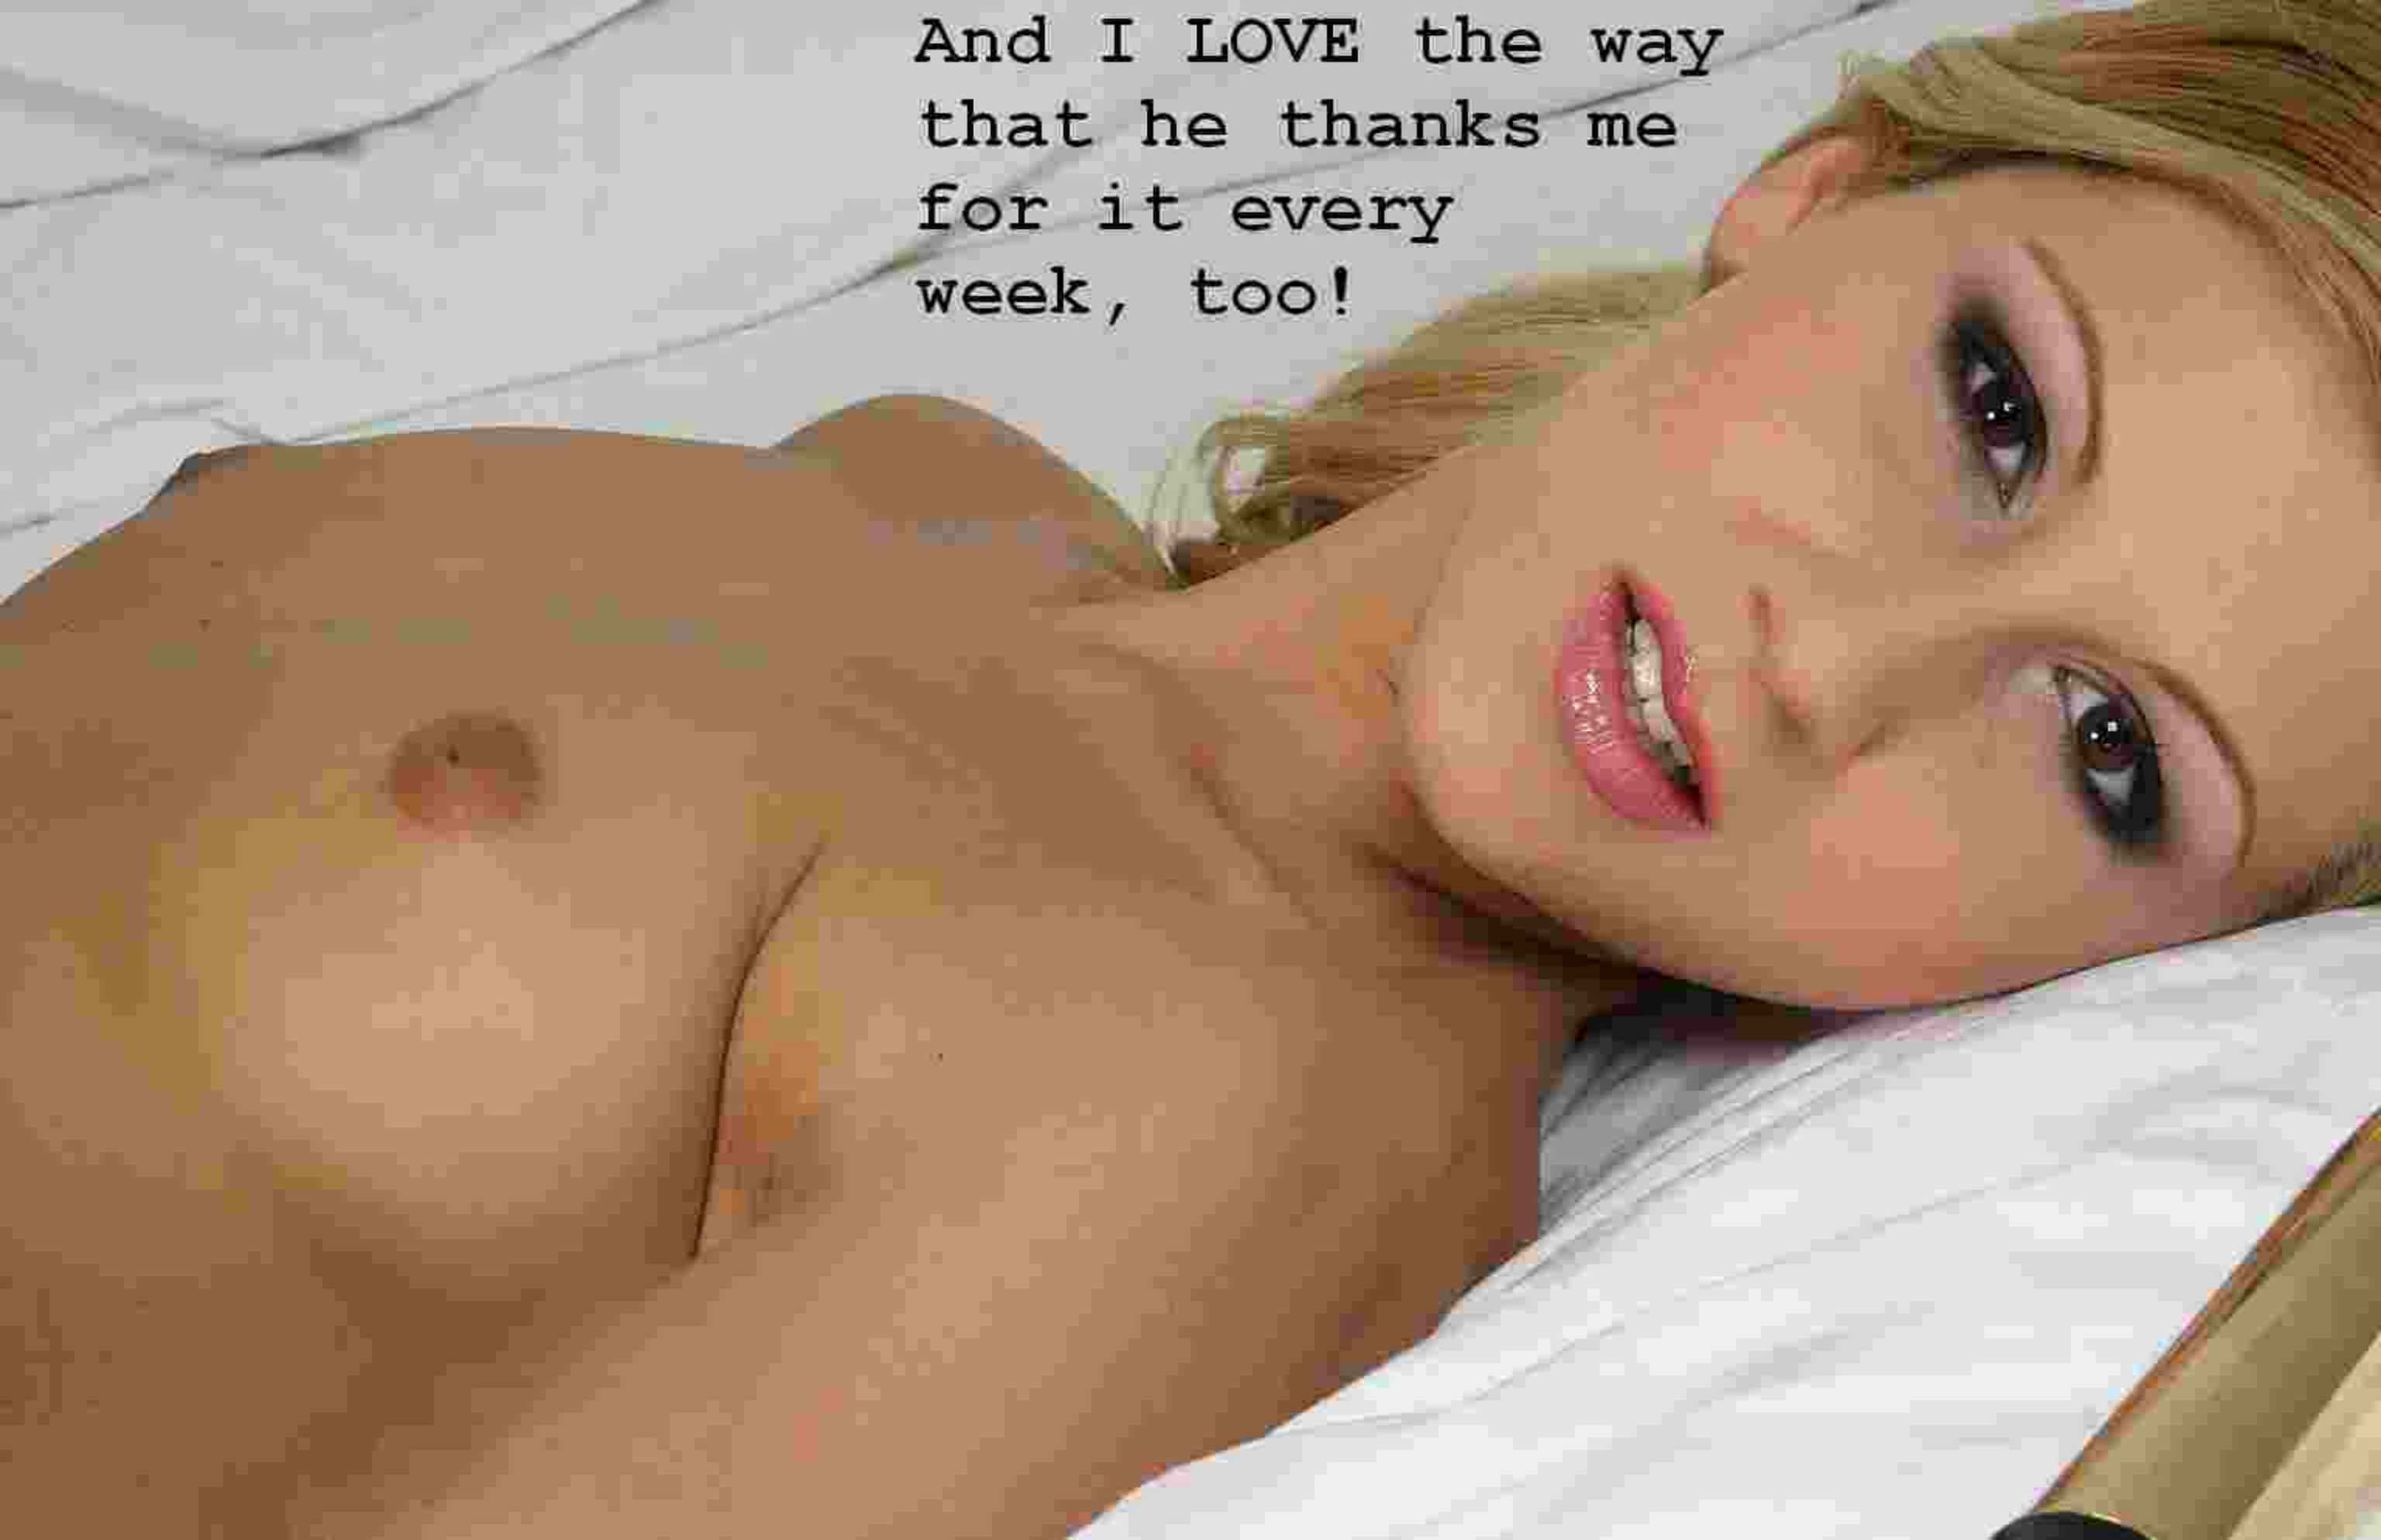

God, he's become SO  
obedient to me now that  
I only allow him to  
come once a week!

And I LOVE the way  
that he thanks me  
for it every  
week, too!

And I DO mean  
**EVERY** week!

DON'T

"YES
