

You've dreamt about it a LONG
time, haven't you Son?

maybe your dream will come
true if SHE reads this one!

SHOW it to her Son, give in
to your fears

perhaps it will give her a
few good ideas!

If you've always fantasized about
being like this

in total command of a man who says
"Yes Mistress!"

then I think as a Wife or a
Girlfriend

you may want to read this

A woman with dark hair and bangs, wearing a black, shiny, low-cut dress and black high-heeled sandals, is sitting on a patterned couch. She is holding the head of a shirtless man who is lying face down on the couch. The man's head is resting on the woman's lap. The background shows a window with horizontal blinds. The text "Once upon a time in my earlier life" is overlaid on the image.

Once upon a
time in my
earlier life

A woman with dark hair and bangs, wearing a black latex dress and high-heeled sandals, is sitting on a patterned couch. She is holding the head of a shirtless man who is lying face down on the couch. The man has a small tattoo on his neck. The background shows a window with horizontal blinds.

I REFUSED to
be submissive
to my very
dominant Wife!

But she tied
me to her bed,

I didn't
waste ANY
time,

taking HOLD
of his SOUL

and
everything
ELSE

"That Is MINE!"

The End

And we lived
HAPPILY ever
after!

A woman with dark hair and bangs, wearing a black dress and high-heeled sandals, is sitting on a patterned couch. She is holding the head of a shirtless man who is lying down. The man's face is partially visible, and he appears to be resting or sleeping. The background shows a window with horizontal blinds.

**VERY
happily!**
