

Kneeling naked for her, and doing what SHE may please,

is something that most slaves CAN do, night and day with ease.

And it's easy saying "Yes Mistress", when she gives you a command,

and only coming ONCE a week, by using YOUR own hand.

But the hardest thing he MUST do, I will make this admission,

is to learn that he must NEVER come, without his MISTRESSES permission!

A woman with blonde hair, wearing a dark blue sleeveless top and light blue jeans, is sitting on a brown patterned couch. She is looking towards the camera with a slight smile. To her left is a dark wood side table with a white sculpture on top. The background is a plain white wall.

And WHY should a  
male slave never  
come without his  
Mistresses permission?

Huh?

Because  
SHE  
said so!

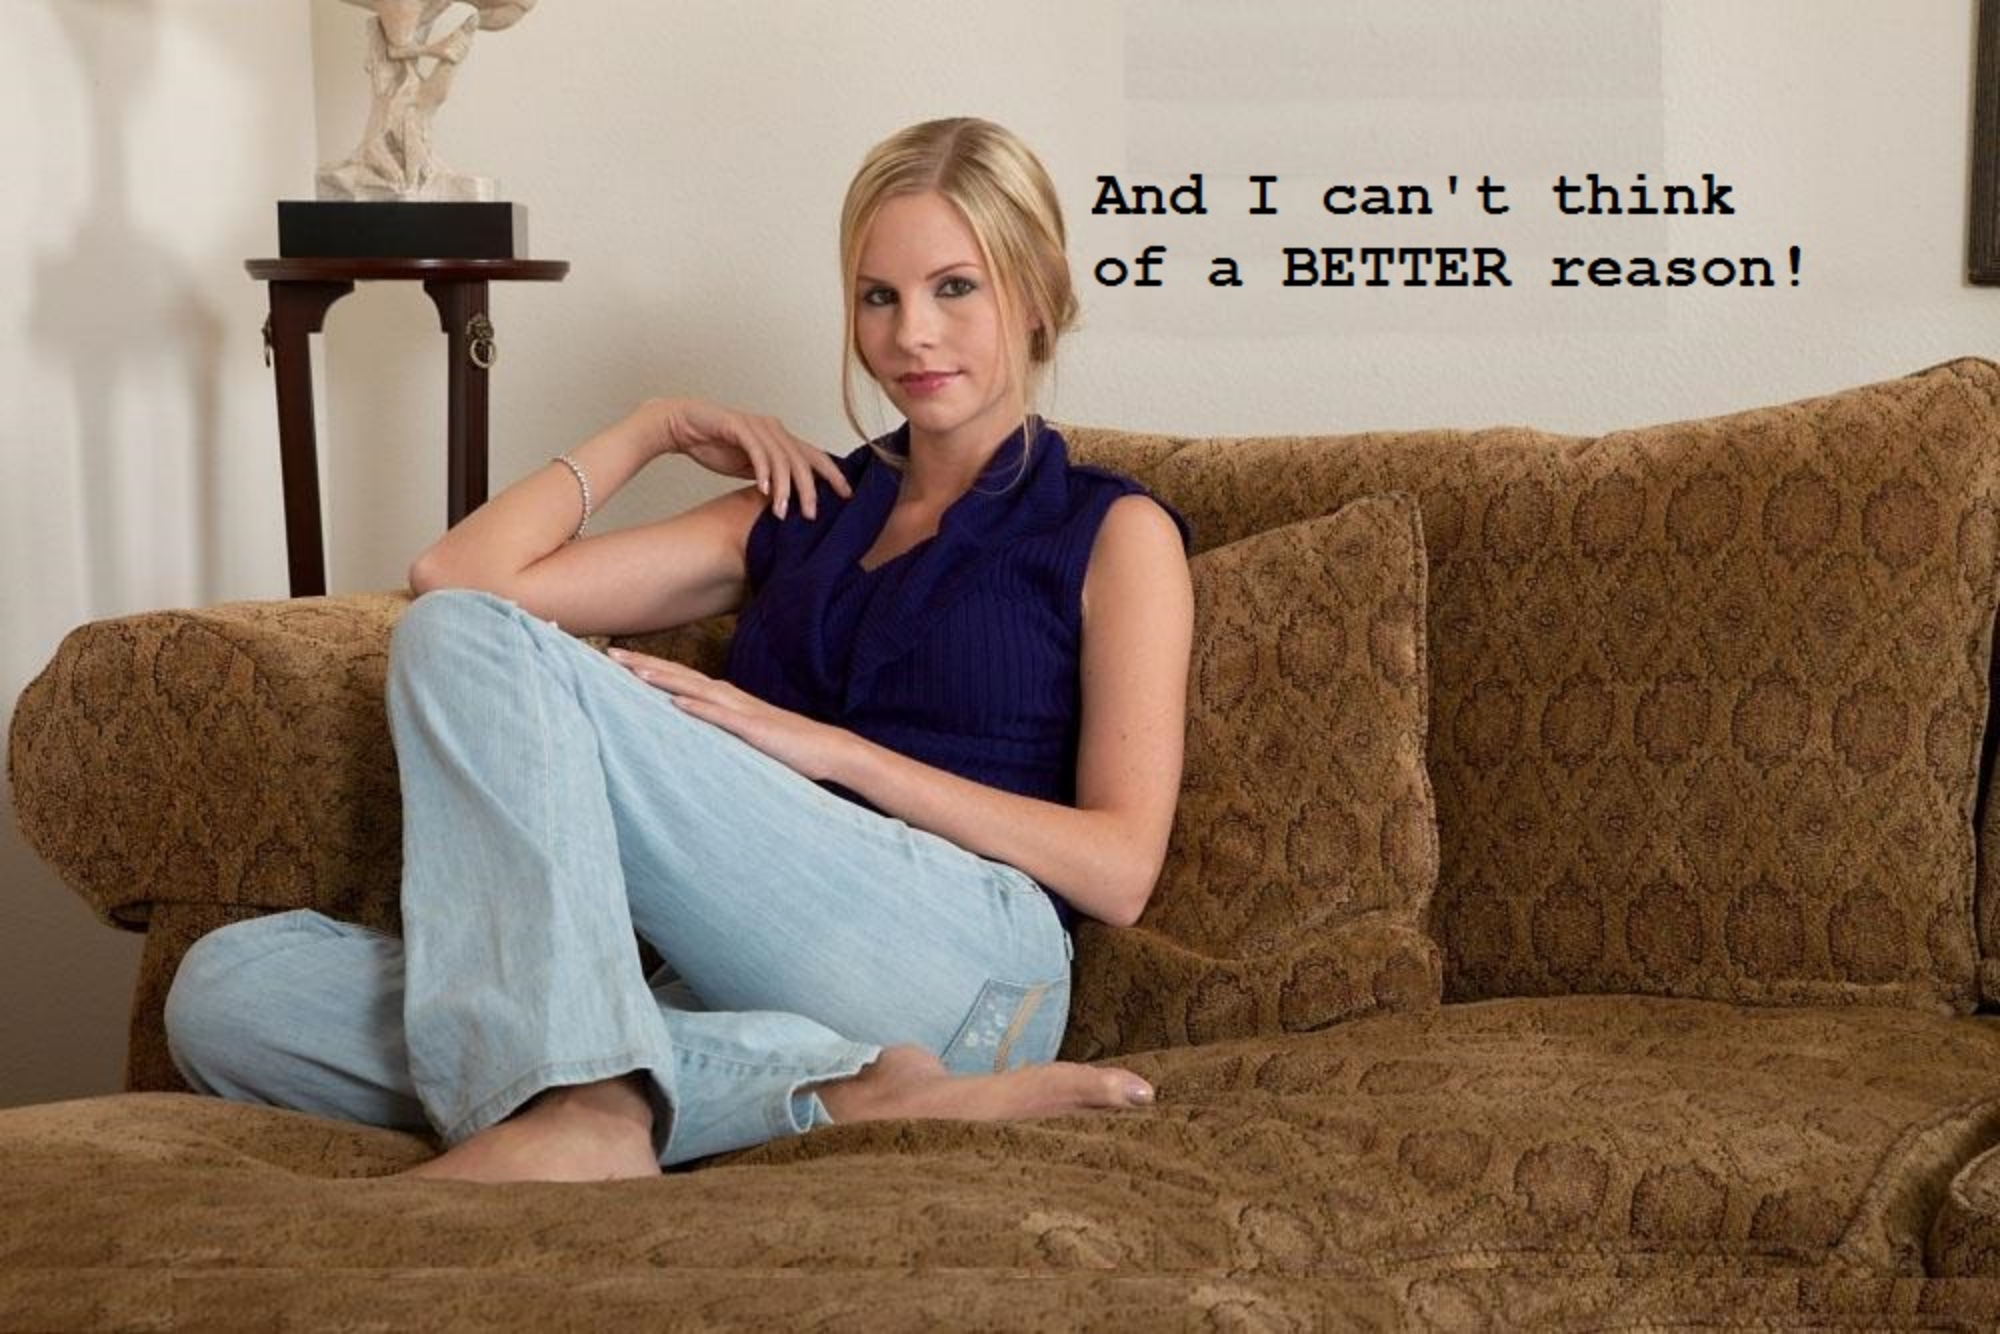

**YEP!**

And I can't think  
of a **BETTER** reason!

Can  
YOU?

**NOPE !**

**"That's The BEST Reason"**

"Why did you put  
your belt on the  
bed, Mistress?"

A woman with blonde hair styled in a messy ponytail is shown in profile, looking out a window with white blinds. She is wearing a black zip-up jacket. The scene is lit with warm, natural light from the window. A green cactus is visible in the lower right corner.

Because  
I'm going  
to start  
"Come  
Training"  
you!

"What's  
"Come Training"  
Mistress?"

Well,  
SOME guys  
will tell  
you that  
it's,

"Pure  
unadulterated  
TORTURE!"

"A trip  
to HELL!"

A slaves
