

This story's about a Woman with no
desire to use a dust rag or mop

instead she LOVES building things
downstairs in her shop

things that she uses on HER slave
obedient and meek

and the slaves of her Girlfriends
when they visit each week

And THIS week she
finished building
a brand NEW machine

so Saturday night
she had over

Mistress
Susan

Mistress

And
Mistress

And they got their
slaves IN it, standing
ALL in a ROW

And I

And the Nutcracker went
ON for a few hours MORE

and the Girls didn't
CARE if their slaves
could not TAKE anymore!

DID they
my slave?

No, Mistress
Lenore!

Oh NO, they ENJOYED
watching their slaves

just like I'M gonna do
when it's OUR turn to go

Now fill up my wine

by jerking off for me
without CUMMING!

Yes Mistress
