

When stories like these meet our eyes
we just can't help but fantasize
and leave our humdrum world behind
and say "Yes Mistress" in our mind.

Then deep inside that world we'll
roam

in sweet dreams that are ours alone.

I know
that you
LIKE
reading
these
stories,

SLAVE,

and
I ALSO
know

what
effect
these
stories
HAVE

on a
submissive
guy like
YOU!

So as
you're
reading
THIS
story,

REMEMBER,

**"They COULD Be Talking"
about YOU!**

Wow,
look
at him
Linda,

he's looking
at US
and his
dick is
getting
hard!

WOW!
It sure
IS, Beth!

I bet that's
because
he's been
reading
these
stories,
Huh?

YEP!

Let's let
him look
at our
TITS and
see what
happens!

OK!

WOW!

My GOD
Beth,
he's
getting
HARDER!

He's PROBABLY
fantasizing about
being our
slave.

Yeah, that's
probably why
he's kneeling
there now, jerking
off to these
pictures of
us,

fantasizing that he
isn't allowed to
come until WE
give him
PERMISSION
to, and

Oh My GOD,
he's
COMING,

and
COMING,

and STILL
coming,

all OVER
the floor,

for
US!

Huh,
Linda?

I think
SO, Beth!

I hope that he
fantasizes about
THANKING us for
letting him come
when he's
finished,
Linda!

Oh, don't
worry,
he WILL,
Beth!

He
WILL!

The End

Well,

SLAVE,

You know
what I
think?

I think,

that
Linda's
RIGHT!

Isn't
she?
