

Those of us who live the life

of Fem Dom husband and Fem Dom  
wife,

know deep inside the reason why

we WANT this life until we die.

Female Domination  
is NOT all about  
whips and chains  
at all!

IS it,  
Honey?

"No  
Mistress!"

**NOPE !**

It's about

**"This"**

"Your shower  
has been  
started,  
Mistress!"

Did you put  
my nightgown  
and a clean  
pair of  
panties  
in there  
for me?

**"Yes  
Mistress!"**

God!  
Being my  
slave DOE'S  
make you  
hornier  
than hell!

Huh?

**"Yes  
Mistress!"**

That's GOOD,  
because like  
my Mom  
always  
said,

"a HORNY male  
is an  
OBEDIENT  
male" !

And YOU are  
going to  
STAY a  
horny male

because you  
won't EVER  
come unless  
I give you  
PERMISSION  
to,

and THAT sure  
as hell  
is NOT going  
to be  
tonight,

IS it,  
slave?

**"No  
Mistress!"**

And it won't be  
tomorrow night  
either unless  
you obey me  
**PERFECTLY**  
all day,

and I feel  
that you've  
EARNED the  
privelege!

You may pick  
up my clothes  
and put them  
where they  
belong while  
I'm taking my  
shower.

Then get your  
ass in the  
bathroom,

A nude woman with long, dark, straight hair is seated on a black leather armchair. She is looking down and to her right, with her left hand raised behind her head. Her legs are crossed at the ankles. The background is a plain white wall with a white door frame visible on the right. The lighting is soft and even.

so you could  
be waiting  
on your knees  
by the shower  
door,

to hand me my  
towels and to  
help dry me  
off and get  
dressed when  
I'm finished!

Now get out  
of my way,  
I'm going  
to go take  
my shower!

**"Yes  
Mistress!"**

**The End**

**YEP!**

**THATS** what  
it's about!

Well,

It IS!

ISN'T  
it?
