

Before you bare your soul to her and
tell her your life long fantasy

and explain what for her you want
so badly to be

you may want to think REALLY hard
after you read this story with me!

Once upon a
time there was
a Woman named
Ann who didn't
regard her
slave as a
MAN!

and this SURE
isn't the
response this
NEW slave
expects

after she
hasn't let him
come for a
month and he
finally gets
up the courage

"To Ask Her For Sex!"

I said NO!
YOU are now
my SLAVE and
a SLAVE is
not WORTHY
of being
being
allowed to
cum inside
of a
Woman!

THAT is for men
who have BALLS!
YOU do not HAVE
balls anymore,
you gave YOURS
to ME when you
became my
SLAVE!

And since you
have no balls
and you're my
SLAVE, you
will cum only
IF, WHEN, and
HOW I may
be kind
enough to
ALLOW it,

and I don't
care HOW
embarrassing
or how
HUMILIATING it
IS for you!

Sooooooooo
SLAVE,

If you want to
cum as badly
as you SAY you
do after not
cumming for a
month, you'll
walk your ass
OVER to that
bed and
you'll
DO it,

AND you will
not cum ONE
fucking DROP
until I give
you PERMISSION
to!

So decide if
you want to
FINALLY be
allowed to
CUM, slave!

**Yes
Mistress!**

You may
cum NOW
slave!

**YES MISTRESS!
THANK YOU MISTRESS!**

OH MY GOD
THANK YOU!

The End

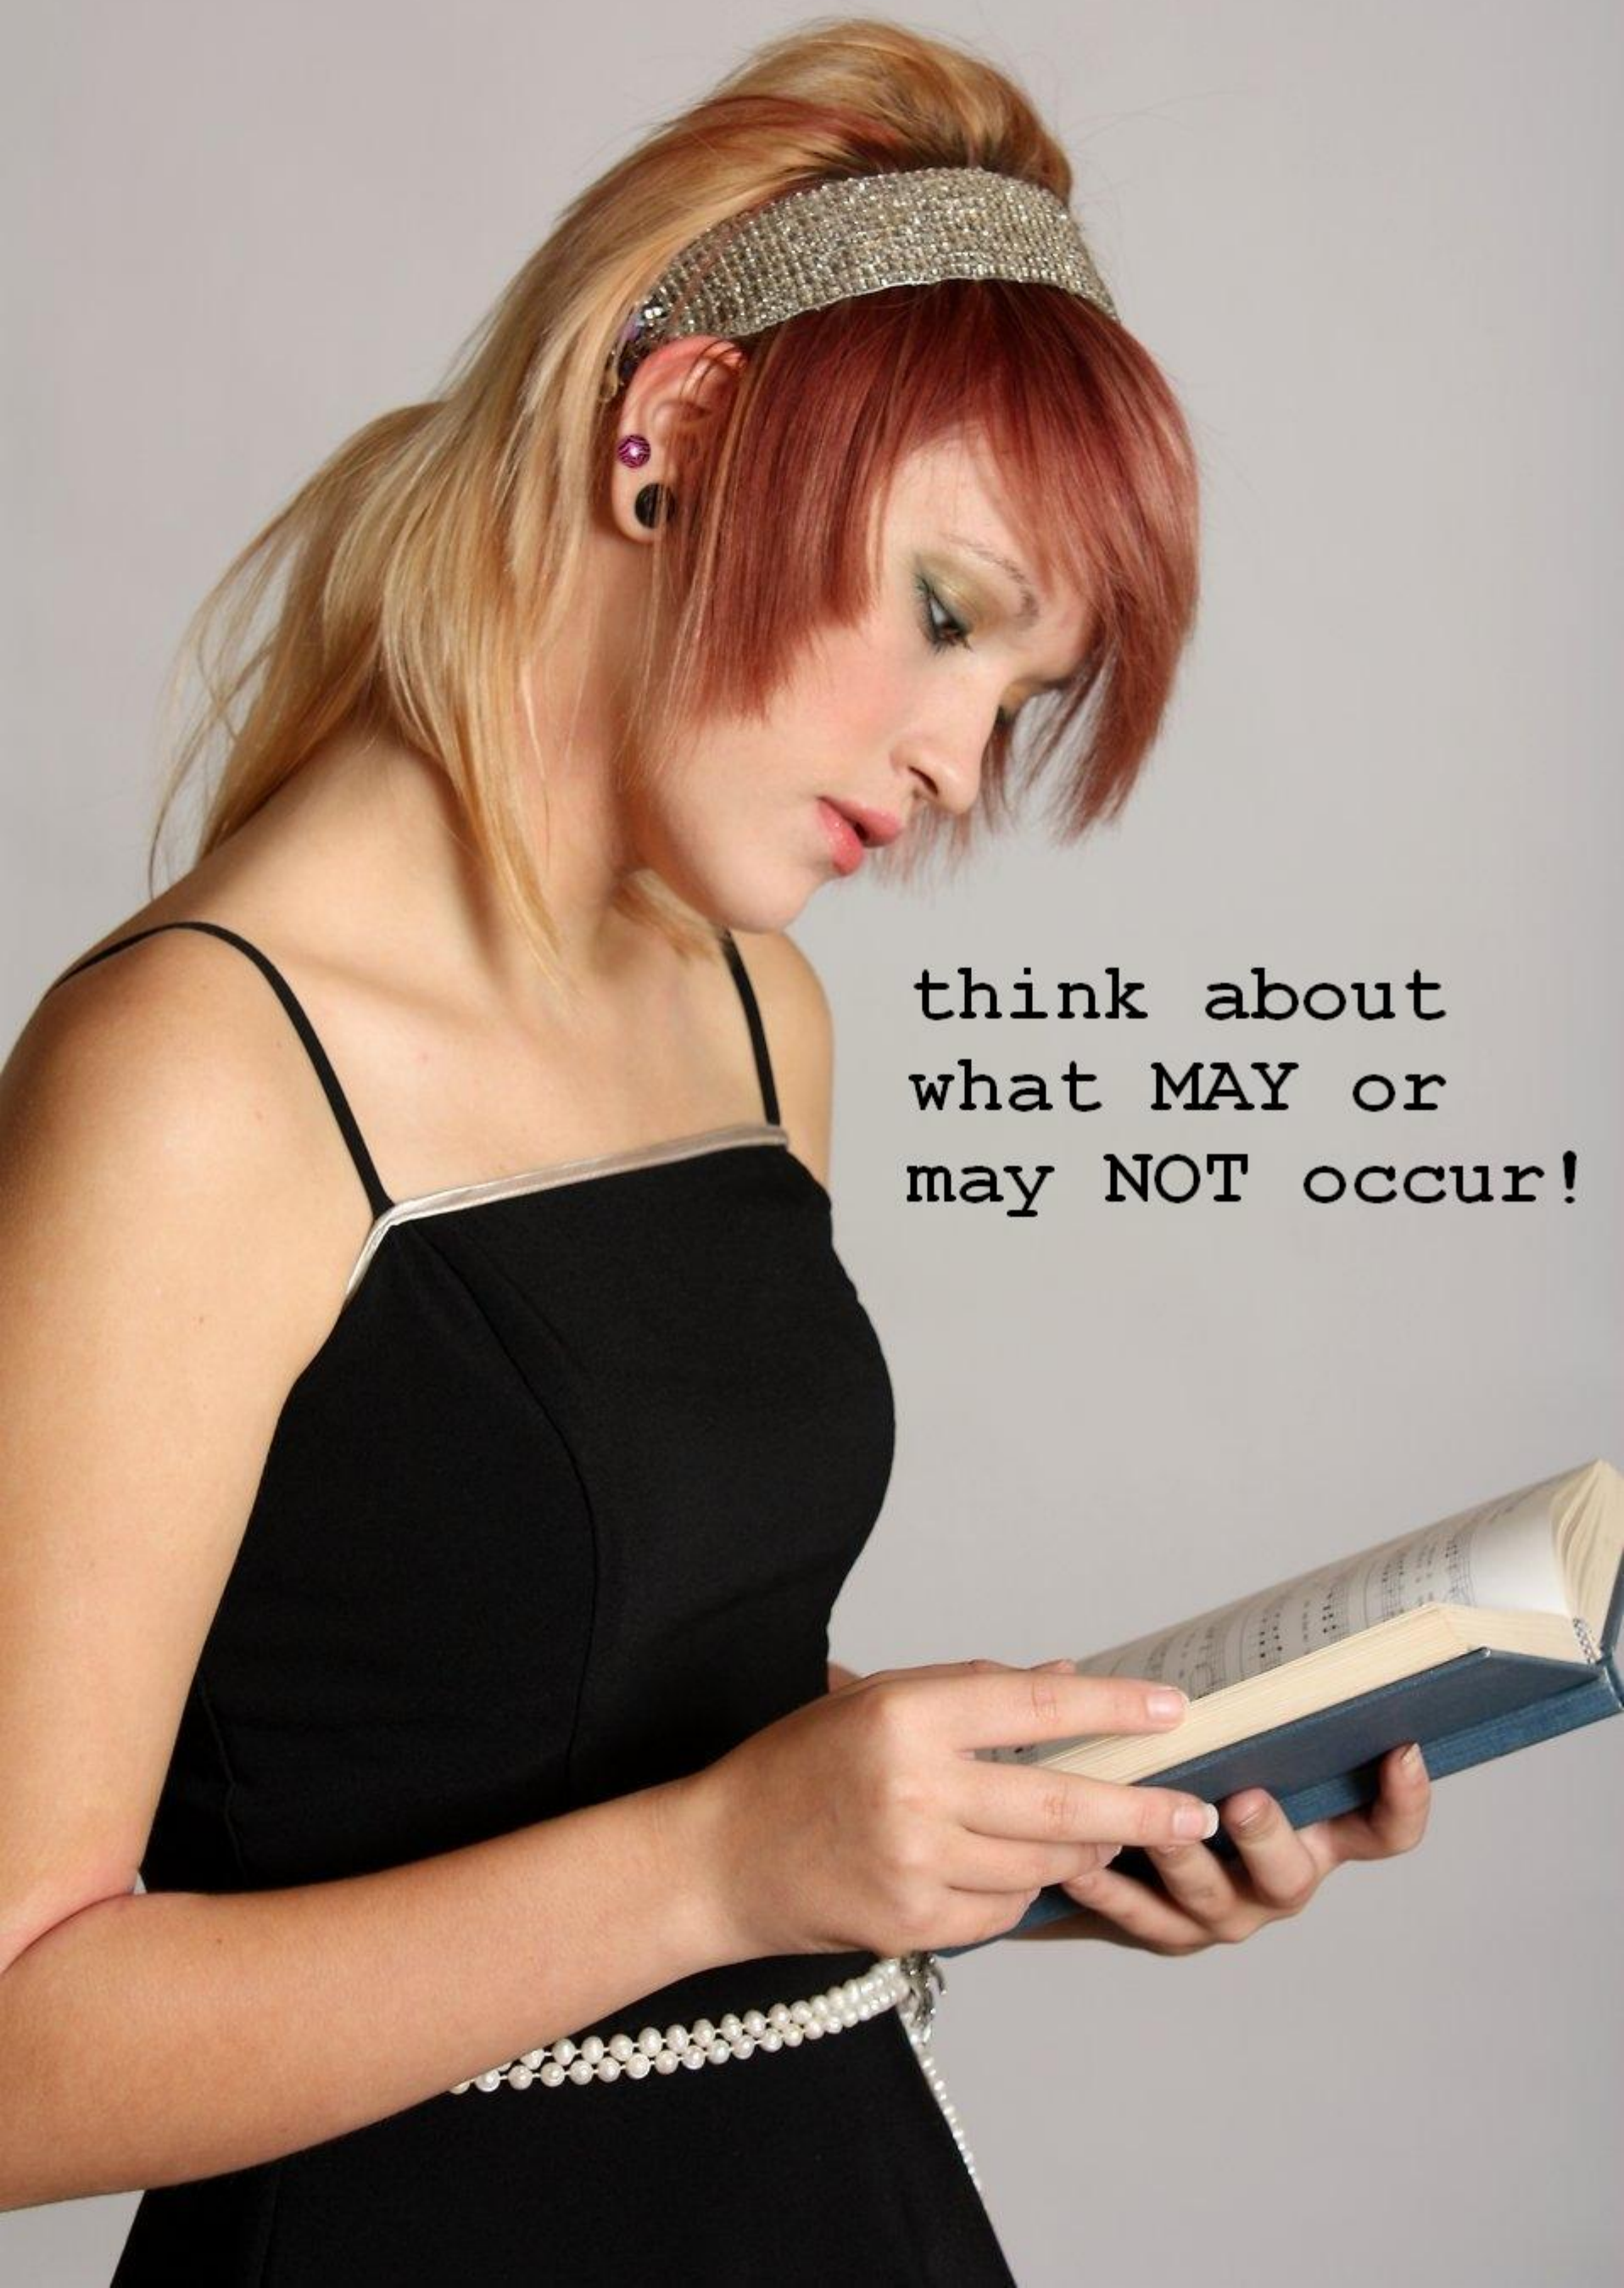

And that's just
ONE of the
changes which
occurred in
his life

after actually
BECOMING a
slave to his
dominant Wife!

So before you
beg "Please make
me your slave"
as you're
kneeling naked
for her

think about
what MAY or
may NOT occur!

CAREFULLY !

VERY
carefully!
