

Once upon a time a young submissive
male

was forbidden to cum for a month in
this tale

and since his usual one a week orgasm
he did so terribly miss

he swallowed the last of his pride
and knelt before her like this

And I said
"Slave,
I haven't
allowed
you your
weekly cum
squirts

and I KNOW it's
been torture
and just how
BADLY it hurts,

but I KNOW how
humiliating
this is going
to be,

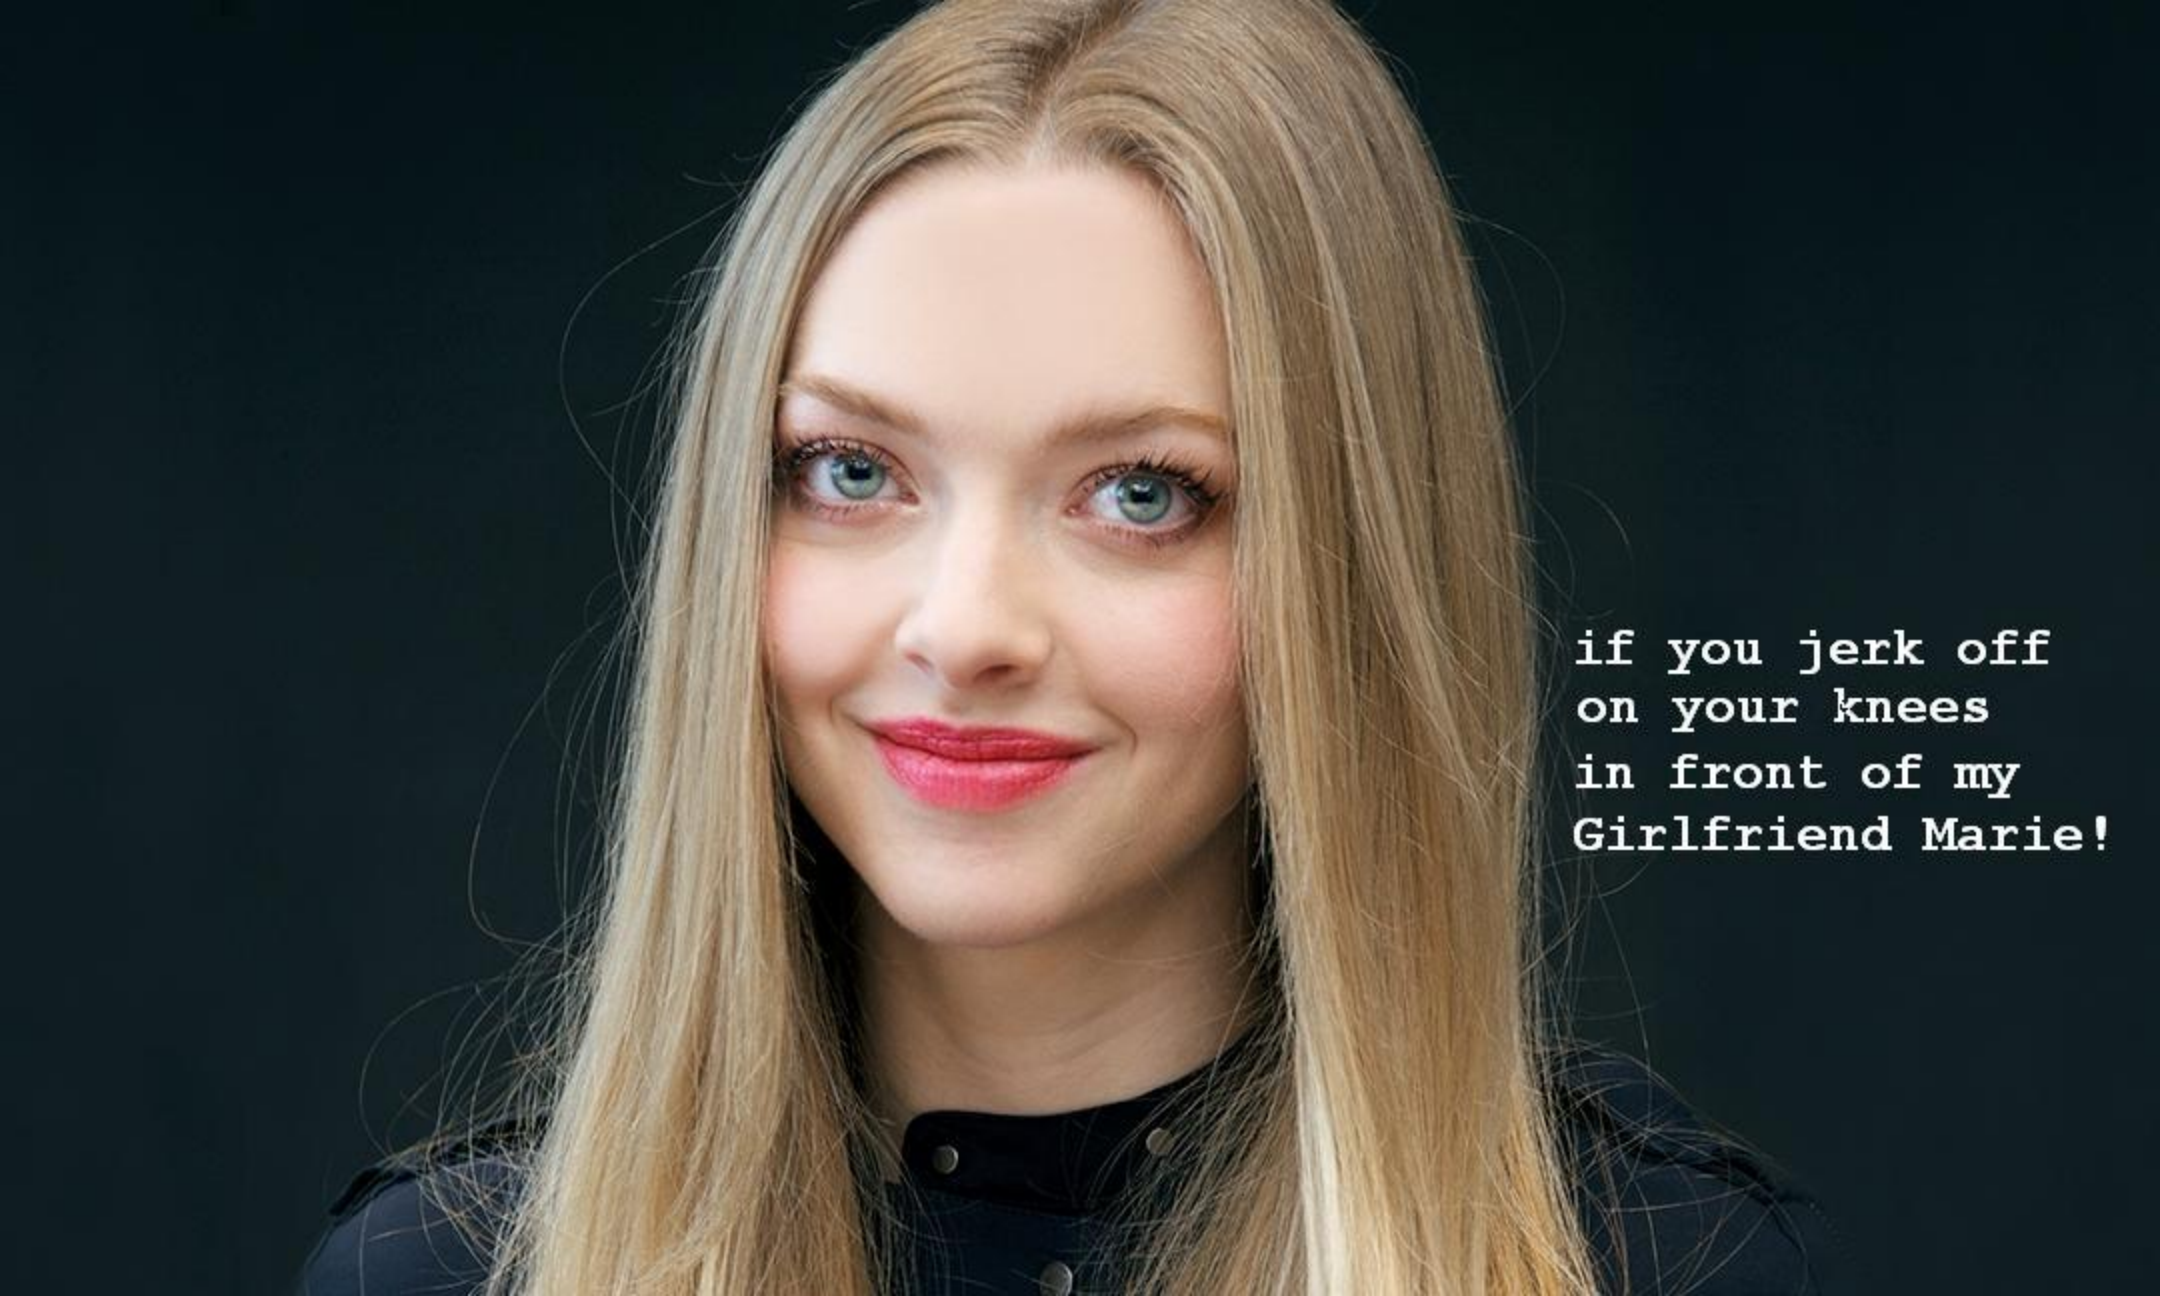

so I used it to
help you WANT

"To Do This For Me!"

It's something I
WANT and I'll be
PLEASED as can be,

if you jerk off
on your knees
in front of my
Girlfriend Marie!

Now be a GOOD
slave and go DO
that for me!

**YES
MISTRESS!**

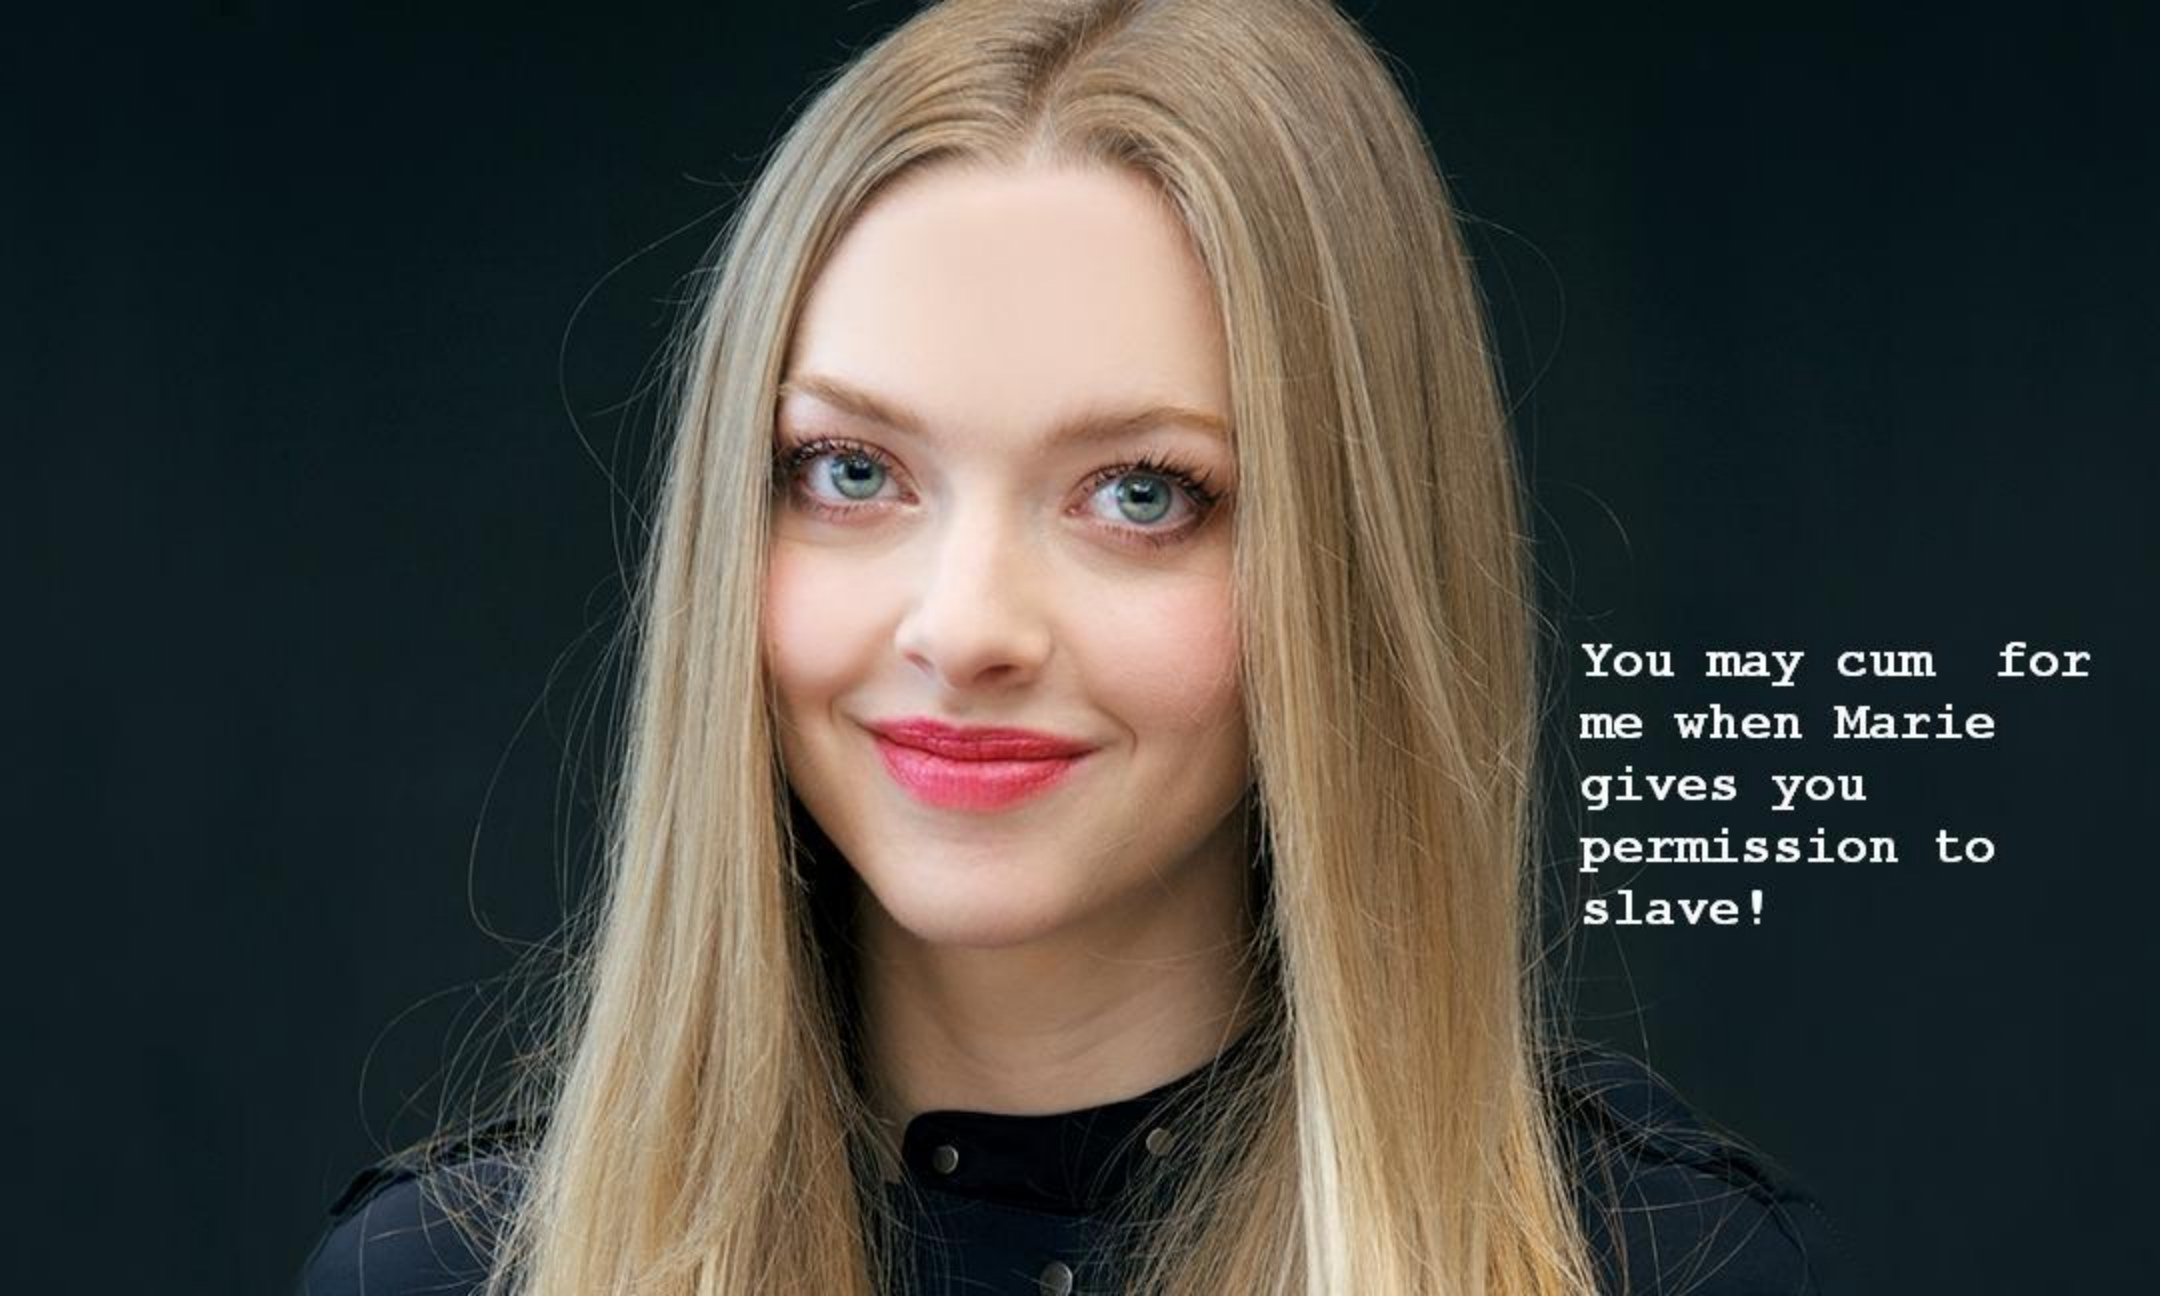

You may cum for
me when Marie
gives you
permission to
slave!

**YES
MISTRESS!
THANK YOU
MISTRESS!**

**You may cum
on FIVE
slave!**

ONE!

TWO !

THREE !

FOUR!

FIVE!
CUM SLAVE!

YES
MISTRESS!
THANK YOU
MISTRESS!

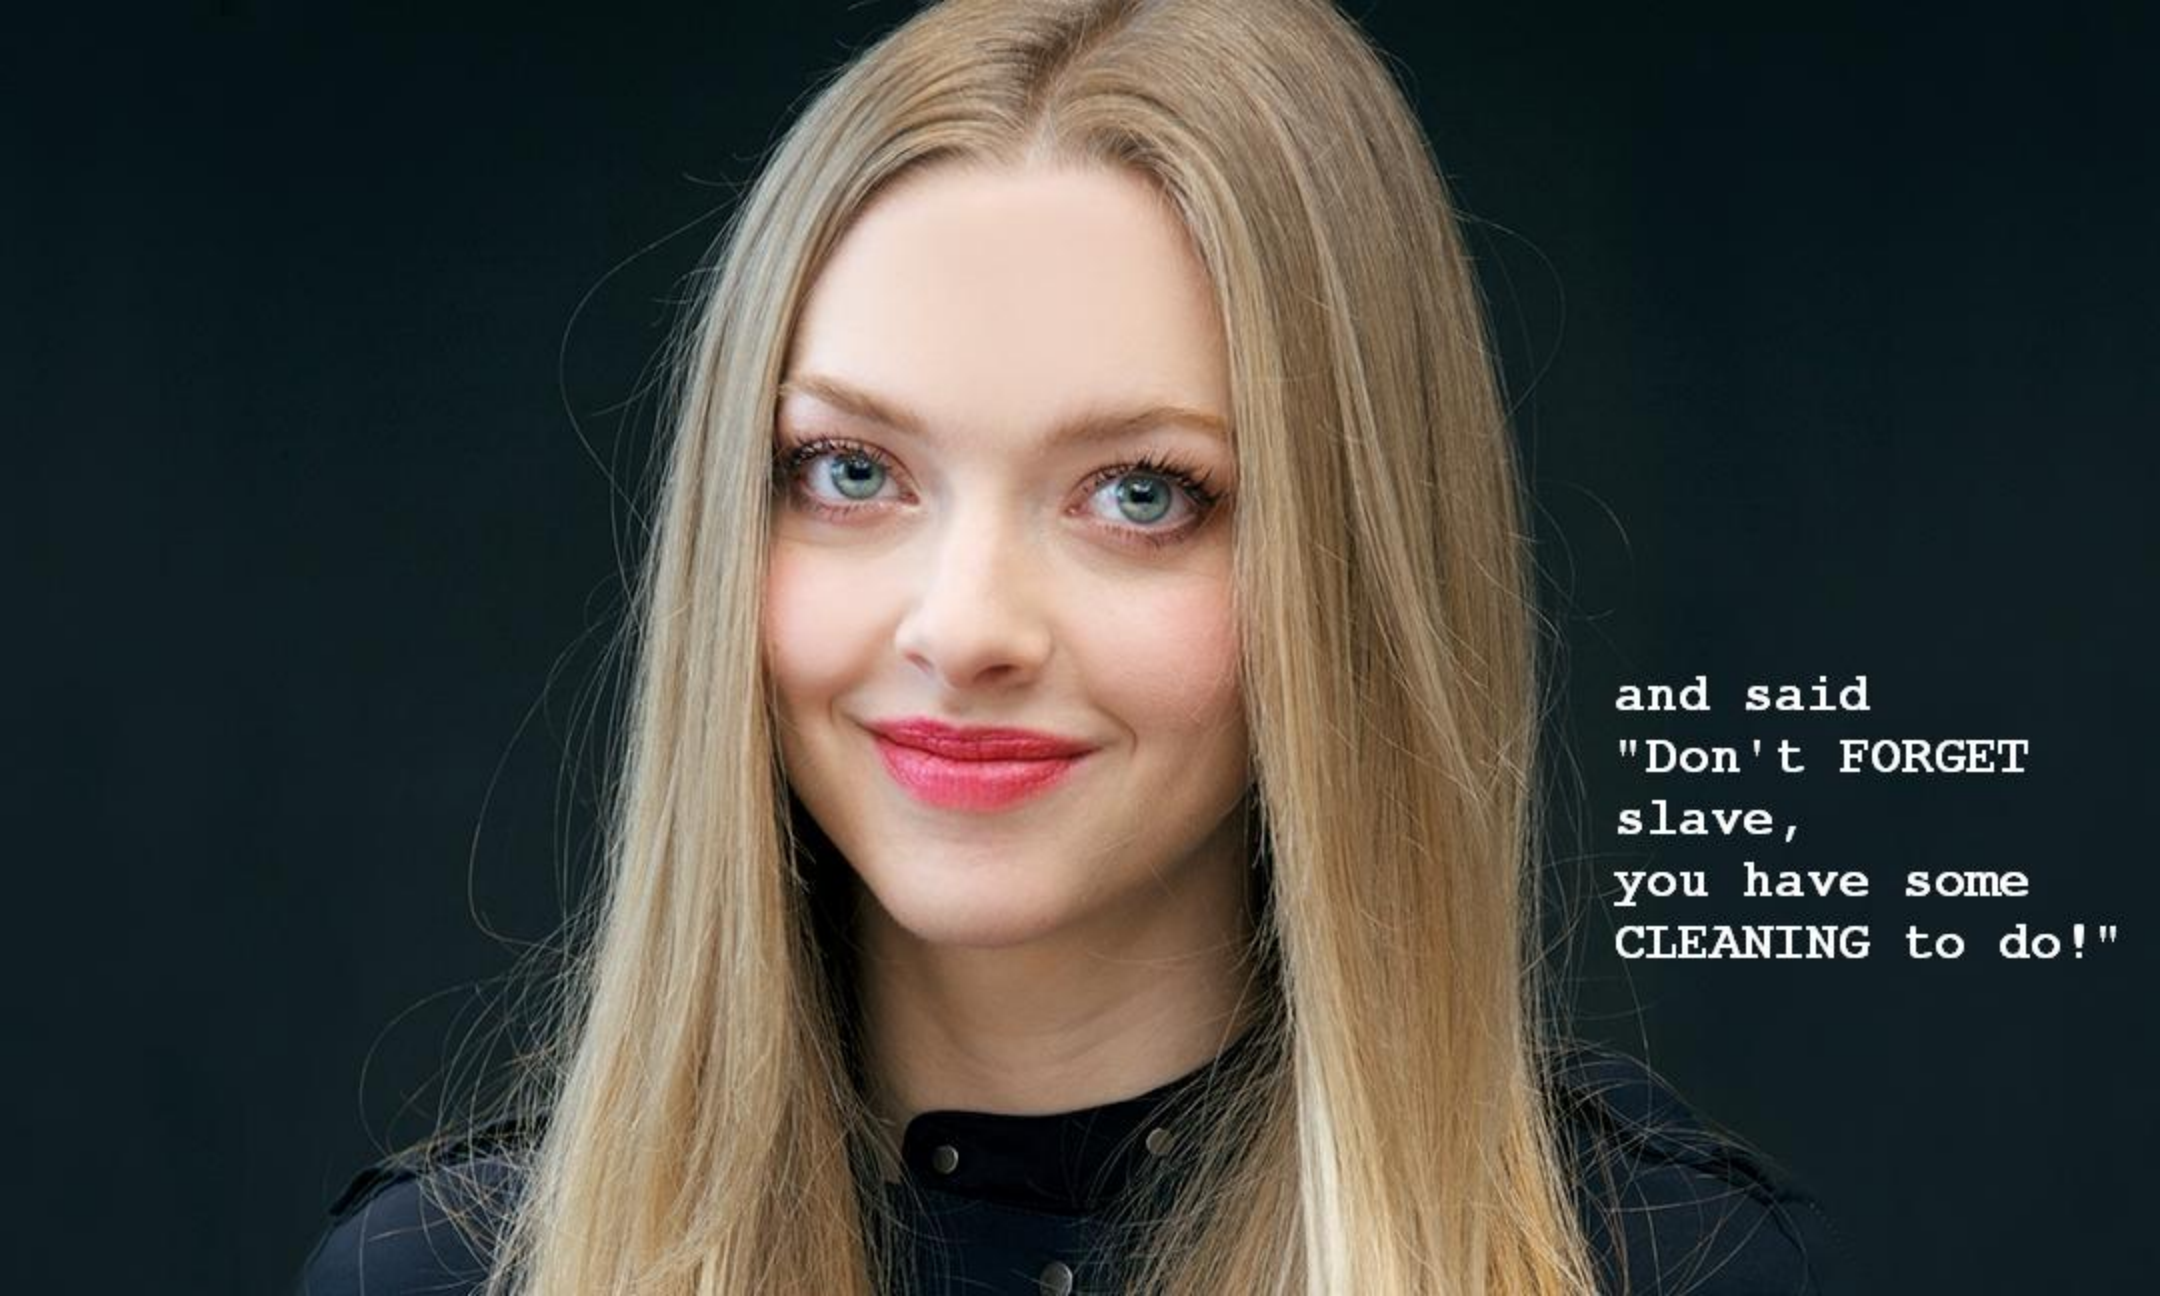

The End

And then just
when I thought
my humiliation
was through

my Mistress
pointed at the
floor

and said
"Don't FORGET
slave,
you have some
CLEANING to do!"

And I had to OBEY
and put ASIDE all
that shame and
humiliation of
mine

or she wouldn't
let me cum AGAIN
for a VERY long
time!
