

Remember when you'd have to write  
over one hundred times

"I won't chew gum in class!"

or other such lines?

As true as e'er warm'd a woman's ere

GOD, that used  
up SO damn  
much PAPER and  
destroyed TOO  
many TREES,

As true as e'er warm'd a woman's ere

until a very  
ecologically  
FRIENDLY Woman  
named Mistress  
Louise

As true as e'er warm'd a woman's ere

showed us HOW  
we can save  
our forests  
from becoming  
an ecological  
MESS

As true as e'er warm'd a woman's ere

by strict  
Women like US  
taking CHARGE  
and deciding

**"To Go Paperless!"**

One  
HUNDRED  
times!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

I WILL OBEY  
MY MISTRESS  
IMMEDIATELY!

**The End**

And writers  
cramps in his  
fingers became  
a thing of  
the PAST  
when instead  
of pencil  
and PAPER

The farewell Sigh of Mad  
As true as e'er warm'd a woman's breast -

I used THIS  
on his ASS  
fifty times  
while he  
SCREAMED

I WILL ALWAYS  
PAY ATTENTION  
IN MISTRESS  
MARGARETS CLASS!

The farewell sigh of mad  
As true as e'er warm'd a woman's breast -

Ooooooooooh, you  
certainly WILL  
without giving  
me ANY more  
SASS!

The farewell Sigh of Mad  
As true as e'er warm'd a woman's breast -

The farewell Sigh of Mad  
As true as e'er warm'd a woman's breast -

The farewell Sigh of Mad  
As true as e'er warm'd a woman's breast -

The farewell Sigh of Mad  
As true as e'er warm'd a woman's breast -
