

Oh Yes a woman HAS her ways
to get her male slave to behave
And guys beware, your worst
nightmare
is tied around her flowing hair.

slave,

we KNOW
that you
don't like
to be
punished,

but you have
to learn
to OBEY us!

and you WILL
learn to
obey us

because we
DO have
our ways

"To HELP You Learn!"

"May I speak,
Mistress?"

Yes,
you MAY,
slave!

"Please give me
fifty lashes with
your belt INSTEAD,
Mistress?"

"PLEASE?"

NO!

"Then give me a
HUNDRED hard ones
Mistress!"

"Oh God, PLEASE?
I'm BEGGING you,
Mistress!"

NO!

"But WHY,
Mistress?"

WHY?

Because
when I
punish
you with
my belt,

your ass
hurts
while I'm
doing it,

and then
slowly
feels
better
after
I'm
done!

But,

if I tie
your balls
really
tight in
this
ribbon,

they
won't
hurt too
much at
FIRST,

but
they'll
hurt
worse and
worse
after
I'm
done!

THAT'S
why!

Now shut
the Hell
UP!

"Yes
Mistress!"

"How long are you
going to leave
them tied,
Mistress?"

I TOLD
you to
shut the
fuck UP,
slave!

"YES
MISTRESS!"

The End

Now THAT's
a punishment
that will
remind him
of the error
of his ways,

more and
MORE
with each
passing
hour,

DAY ,

and
WEEK!

Oh,

the answer
to his
QUESTION
is,

until SHE
feels like
untying
them!

Yes,

we DO have
our ways to
help you
learn,

DON'T
we?
